### Organised by

Special Interest Group on  
Pain in Childhood  
INTERNATIONAL ASSOCIATION FOR THE STUDY OF PAIN

### Supported by

## Welcome Message from the Organising Chairpersons

### ISPP to be held in Asia for the first time!

On behalf of the Malaysian Association for the Study of Pain and the College of Anaesthesiologists, Academy of Medicine Malaysia, we would like to wish you a warm welcome to Malaysia.

This is the first time that the International Symposium on Pediatric Pain (ISPP) will be held in Asia, and we look forward to hosting it. We feel that it will provide a great opportunity for the Pain in Childhood SIG members and others interested in pediatric pain to visit this part of the world; at the same time, it is also a great opportunity for healthcare providers in Malaysia and in the Asia Pacific region to learn more about the science and art of managing pain in children.

The ISPP, which is the major international conference for practitioners and researchers in the field of paediatric pain, promises to be an event that is well worth attending. The Scientific Program Committee (SPC) under the leadership of Dr Liesbet Goubert comprises scientists and clinicians from across the globe, and, as with previous ISPP conferences, we can expect a superb scientific program. The Local Organising Committee (LOC) has been working hard to facilitate a smooth and efficient conference, and we have chosen a venue which is right in the heart of Kuala Lumpur, the capital city of Malaysia, with numerous hotels in the surrounding area to suit different budgets. To complement the scientific program, the LOC is planning an exciting social program for delegates and for accompanying persons; with our multi-ethnic society, Malaysia provides many opportunities for a variety of unique cultural as well as culinary experiences.

The Education Day, which will be held one day before the actual conference, will provide a refresher course and hands-on workshops with practical sessions to attract local as well as international delegates.

So we hope that you will join us in Kuala Lumpur for this important conference. Do book your flights early; you may also want to take the opportunity to have a holiday in Malaysia either before or after the conference - you can choose to have a diving holiday, go jungle trekking or mountain climbing, be with nature at one of our national parks, learn more about our history and culture at our heritage cities, or just spend a few relaxing days at one of our many island resorts.

We look forward to welcoming you to Malaysia in July 2017!

**Mary Cardosa**  
Organising Chairperson  
ISPP 2017

**Sushila Sivasubramaniam**  
Organising Chairperson  
ISPP 2017

## Welcome Message from the Chair of the Scientific Programme Committee

Dear Colleagues and friends,

On behalf of the Scientific Programme Committee, I cordially welcome you to the 11<sup>th</sup> International Symposium on Pediatric Pain (ISPP) which will be held from 6 to 9 July 2017 in Kuala Lumpur, Malaysia. As the premier international congress on pediatric pain, ISPP has become a global meeting place, where scientists, health care professionals, and policy makers from all parts of the world and from a diverse range of disciplines come together, in order to stimulate research and treatment of childhood pain. The next ISPP in July 2017 will be special as it will be the first time that the ISPP will be hosted in Asia. We would like to warmly welcome many participants from Asia and the Australia-Pacific region, as well as delegates from the other continents, in order to make it a real global meeting assembling people from all the continents to share their knowledge and experiences.

We are currently developing a scientific programme that truly reflects the “state of the art” in science and clinical practice of childhood pain. World-renowned experts from different continents will offer up-to-date plenary lectures on a broad range of topics that are of particular interest to the pediatric community, including pain neuroscience, pain genetics, acute pain management in low resource settings, palliative care, family-centered care and multidisciplinary treatment of chronic pediatric pain. ISPP 2017 will give you the opportunity to interact with the scientific community, present your data, and increase your network.

We look forward welcoming you to the 11<sup>th</sup> International Symposium on Pediatric Pain in Kuala Lumpur in July 2017. We wish you all a stimulating and rewarding congress.

**Prof. Liesbet Goubert**  
Chair of the Scientific Programme Committee

## Welcome Message from the President of the Special Interest Group on Pain in Childhood

### Welcome from the Special Interest Group on Pain in Childhood

The International Association for the Study of Pain® is the world's leading organization for research, education, and advocacy related to pain. One of its oldest and most active subgroups is its Special Interest Group on Pain in Childhood, which was founded in 1988 at the 1st International Symposium on Pediatric Pain in Seattle, USA. Now, 29 years later in Kuala Lumpur, we are proud to sponsor and celebrate our 11th ISPP.

We will share in the benefits of carefully selected plenary lectures, workshops, and poster sessions, and just as important, the meals and social events which will bring us together across national and disciplinary boundaries. The conference venue is of outstanding quality, yet affordable for international visitors, and Malaysia offers many attractions.

Members of the IASP Special Interest Group on Pain in Childhood include basic scientists, physicians, nurses, psychologists, physiotherapists, pharmacists, and professionals and scholars from numerous other disciplines, all united by a shared passion for the understanding, prevention, and relief of pain in infants, children, and adolescents. If you are not already a member, please consider joining: see [www.childpain.org](http://www.childpain.org). Our objectives are:

- to promote education about pain in children
- to share relevant information about children's pain control
- to advance our ability to alleviate children's pain from an international and interdisciplinary perspective
- to encourage research, particularly multicenter studies, and studies which focus on unique problems of pediatrics, including newborns.

On behalf of the elected Council of the Special Interest Group on Pain in Childhood, I sincerely thank the conference organizers and the scientific programme committee. We welcome delegates from every nation and every discipline to the 11th International Symposium on Pediatric Pain.

**Carl L von Baeyer, PhD**  
President,

## Scientific Program Committee

<b>Chairperson</b>	Liesbet Goubert (Belgium)
<b>Members</b>	Christine Chambers (Canada) Maria Fitzgerald (United Kingdom) Paula Forgeron (Canada) Brett Graham (Australia) Darunee Jongudomkarn (Thailand) O'Brien Kyololo (Kenya/Canada) Susie Lord (Australia) Verity Pacey (Australia) Navil Sethna (USA) Anna Taddio (Canada) Mary Cardosa (Malaysia) Carl von Baeyer (Canada)

## Local Organising Committee

<b>Chairpersons</b>	Mary Suma Cardosa Sushila Sivasubramaniam
<b>Education Day</b>	Chong Lee Ai Tang Swee Ping Wang Chew Yin
<b>Publications</b>	Marzida Mansor
<b>Promotion and Publicity</b>	Farah Khalid
<b>Exhibition</b>	Shona Edmonds
<b>Treasurer &amp; Sponsorship</b>	Raveenthiran Rasiah

## Important Deadlines

<b>Media Festival Submission</b>	1 <sup>st</sup> March 2017
<b>Early Bird Registration</b>	15 <sup>th</sup> April 2017

## Plenary Speakers

**Mark Baccei**

United States of America

Associate Professor, Department of Anesthesiology,  
University of Cincinnati & Associate Director  
Neuroscience Graduate Program

**Sushma Bhatnagar**

India

Professor & Head, Department of Onco-Anaesthesia  
and Palliative Medicine & Chief Editor, Indian Journal  
of Palliative Care, All India Institute of Medical  
Sciences

**Maria Fitzgerald**

United Kingdom

Professor of Developmental Neurobiology, Department  
of Neuroscience, University College London, United  
Kingdom

(2017 Distinguished Career Award in Pediatric Pain)

**Linda S. Franck**

United States of America

Jack and Elaine Koehn Endowed Chair in Pediatric  
Nursing & Professor, Department of Family Health  
Care Nursing, USA

**Stefan J. Friedrichsdorf**

United States of America

Medical Director, Department of Pain Medicine,  
Palliative Care & Integrative Medicine, Children's  
Hospitals and Clinics of Minnesota &  
Associate Professor of Pediatrics, University of  
Minnesota, USA

**Gareth Jones**

United Kingdom

Reader of Epidemiology, University of Aberdeen, UK

**Jeffrey S. Mogil**  
Canada

Professor of Pain Studies and the Canada Research Chair in the Genetics of Pain, McGill University, & Director of the Alan Edwards Centre for the Study of Pain, USA

**Lorimer Moseley**  
Australia

Professor of Clinical Neurosciences, Foundation Chair in Physiotherapy, NHMRC Principal Research Fellow, Chair – Pain Adelaide

**Dilip Pawar**  
India

Formerly Professor of Anaesthesiology, All India Institute of Medical Sciences, New Delhi, India

**Laura Simons**  
United States of America

Associate Professor in the Department of Anesthesiology, Perioperative and Pain Medicine, Stanford University School of Medicine, Palo Alto, California, USA.

(2017 Early Career Award in Pediatric Pain)

**Gary A. Walco**  
United States of America

Professor of Anesthesiology and Pain Medicine (adjunct in Pediatrics and Psychiatry) University of Washington School of Medicine and the Director of Pain Medicine at Seattle Children's Hospital, USA

**Rikard K. Wicksell**  
Sweden

Head of Medical Psychology, Karolinska University Hospital & Associate Professor, Department of Clinical Neuroscience, Karolinska Institutet, Sweden

## Education Day– 6<sup>th</sup> July 2017

### Lectures

TIME	TOPIC	SPEAKER
0800-0830	<b>Registration</b>	
0830-0900	Do babies feel pain? Understanding the physiology and assessment of pain in neonates and infants	Maria Fitzgerald
0900-0930	Do infants and children remember pain? What are the long lasting effects of acute pain?	Suellen Walker
0930-1000	Can and do children tell the truth in pain reporting? Measuring pain in children	Carl L von Baeyer
1000-1020	Questions	
1020-1050	<b>Tea</b>	
1050-1120	Which analgesics are safe to use in babies and children? Pharmacological treatment for acute pain	Dilip Pawar
1120-1150	'Books to bedside – Applying findings from the procedural pain treatment literature to an individual pediatric patient'	Lindsey Cohen
1150-1220	Post-operative pain: a thing in the past? Principles of post-operative pain management in neonates, infants and children	Navil Sethna
1220-1250	Questions	
1250-1400	<b>Lunch</b>	
1400-1430	When the pain doesn't go away - Model of care in chronic pain	Rikard K. Wicksell
1430-1500	Advanced multimodal analgesia for children in pain: From integrative medicine to mind-body techniques	Stefan J. Friedrichsdorf
1500-1515	Questions	
1515-1545	<b>Tea</b>	
1545-1615	How do we optimize the role of parents in children's pain management?	Christine T. Chambers
1615-1645	Where do friends fit in? Role of friends and social support in chronic pain	Paula Forgeron
1645-1700	Questions	

## Education Day– 6<sup>th</sup> July 2017

### Half Day Hands-on Workshop

(US guided regional blocks in children – limited to 30 participants)

TIME	TOPIC	
1400-1430	How safe are regional blocks in kids? – Safety issues of regional blocks in neonates, infants and children	
1430-1500	Overview and demonstrating of ultrasound imaging of regional blocks in children	
1500-1530	Hands-on 1	5 stations 1. Head and neck 2. Upper limb 3. Lower limb 4. Truncal & abdomen 5. Paravertebral
1530-1600	Tea	
1600-1630	Hands-on 2	
1630-1700	Hands-on 3	
1700-1730	Hands-on 4	
1730-1800	Hands-on 5	

### Education Day Registration Fees – 6<sup>th</sup> July 2017

	Early Bird Registration (1 <sup>st</sup> November 2016 - 15 <sup>th</sup> April 2017)	Normal Registration (16 <sup>th</sup> April - 20 <sup>th</sup> June 2017)	On Site Registration (6 <sup>th</sup> July - 9 <sup>th</sup> July 2017)
Malaysian – Lectures only	RM 300	RM 350	RM 400
Malaysian – Half day lecture + Half day hands-on	RM 400	RM 450	RM 500
Overseas Delegate – Lectures only	USD 200	USD 225	USD 250
Overseas Delegate – Half day lecture + Half day hands-on	USD 300	USD 325	USD 350

## 6<sup>th</sup> JULY 2017 (THURSDAY)

0830-1800

**EDUCATION DAY**

1800-1930

**WELCOME RECEPTION**

## 7<sup>th</sup> JULY 2017 (FRIDAY)

0730-0820

**Registration / Poster Mounting**

0800-0820

**Welcome**

0820-0900

Plenary I: Remembrance of things past: Pain circuits after neonatal injury

**Speaker - Mark Baccei**

0900-0940

Plenary II: Clinical trials of analgesics in infants and children: A person's a person, no matter how small

**Speaker – Gary A. Walco**

0940-1000

**Break**

### Regular Workshop Session I

1000-1130

**WS 1**

Neurobiological consequences of surgical injury in early life

**Speakers**

S.Beggs, M.Baccei, S.Walker

**WS 2**

Innovative methods of pediatric pain assessment: Practical approaches for clinicians

**Speakers**

S.Sil, G D.Champion, N R.Cunningham

**Chair**

N R.Cunningham

**WS 3**

Quality improvement in pediatric pain management: The why, the what, the how

**Speakers**

A.Twycross, S J.Friedrichsdorf, B.Stevens

**Chair**

A.Twycross

**WS 4**

Living successfully with chronic pain: The importance of enhancing resilience in youth

**Speakers**

R.Wicksell, M.Beeckman, Simons

**Chair**

L L. Cohen

**WS 5**

The road behind, the road ahead" for three pediatric pain services. Reviewing service development approaches, cultural perspectives and multi-disciplinary day program outcomes

**Speakers**

M.Alcock, M.Pounder, A.Yeo

**Chair**

N.Haynes

### Rapid Workshop Session I

1130-1215

**WS 6**

Cutting edge research on pain in children with Disabilities: Assessment, management, and knowledge translation

**Speakers**

E A. Ely, A J. Valkenburg, L M. Genik

**Chair**

C M.McMurtry

**WS 7**

From one-two-many: underused and surprisingly novel methods and analyses in pediatric pain

**Speakers**

A.Jordan, K.Birnie, C B. Groenewald

**Chair**

K.Birnie

**WS 8**

Disciplines in painful predicaments: Current challenges in understanding and managing pediatric pain from an interdisciplinary perspective

**Speakers**

RP.Riddell, E.Cignacco, N L. Schechter

**Chair**

R P.Riddell

**WS 9**

Mobilizing parents to reduce pediatric pain and beyond

**Speakers**

E.Brown, J.Kenardy, C.Chambers

**Chair**

J.Kenardy

**WS 10**

Adapt or invent? Applying pain assessment and management programmes across populations and cultures

**Speakers**

J.Verbunt, L.Caes, A.Traynor

**Chair**

L.Caes

1215-1400	<b>Lunch Break</b>				
1230-1400	<b>Author Attended Poster Session I</b>				
1400-1440	Plenary III: Pain, protection and progression: a physiotherapist's perspectives of chronic pain <b>Speaker - Lorimer Moseley</b>				
1440-1520	Plenary IV: Management of post operative pain in low resource setting: A personal journey <b>Speaker - Dilip Pawar</b>				
1520-1545	<b>Break</b>				
1545-1715	Panel Discussion: Challenges in the pharmacological treatment of pediatric pain in low and high resource settings <b>Panelists - Sushma Bhatnagar, Allen Finley, Supranee Niruthisard, Bonnie Stevens</b> <b>Chair - Charles Berde</b>

## Conference Registration

	Early Bird Registration (1 <sup>st</sup> November 2016 - 15 <sup>th</sup> April 2017)	Normal Registration (16 <sup>th</sup> April - 20 <sup>th</sup> June 2017)	Onsite Registration (6 <sup>th</sup> July - 9 <sup>th</sup> July 2017)
<b>Delegate – Developed Nations</b>	USD 600	USD 700	USD 850
<b>Delegate – Developing Nations*</b>	USD 400	USD 450	USD 500
<b>Malaysian Delegate**</b>	RM 850	RM 950	RM 1050
<b>Overseas Trainee***</b>	USD 400	USD 450	USD 500
<b>Accompanying Person</b>	USD 150	USD 200	USD 250

\*To be eligible for the reduced fee, you must be a part of the developing countries according to the World Bank list.

\*\*Includes Trainees, Medical Officers, Specialists, Allied Health Personnel

\*\*\*Kindly note that proof of your status is required during the registration process.

**Note:** Current members of the Special Interest Group on Pain in Childhood, International Association for the Study of Pain, will receive a discount of US\$50 on registration. Members will receive a discount code by e-mail. Please key in the discount code during registration.

For online registration and payment, please log on [www.ispp2017.org](http://www.ispp2017.org)

### Financial Aid

The Pain in Childhood SIG is offering a limited number of financial aid awards to assist trainees, as well as delegates from developing countries, to attend the conference. Further details are available on the conference website.

### Delegate's Entitlements

- Admission to the Scientific Sessions
- Admission to the Trade Exhibition
- Lunches
- Coffee / Tea
- Congress Bag & Materials
- Certificate of Attendance
- Welcome Reception

### Accompanying Person's Entitlements

- One souvenir bag
- Half day city tour
- Admission to Welcome reception

## Cancellation Policy

- 50% refund if cancellation is before or on 15th May 2017
- No refund for cancellations made after 15th May 2017

## Registration

Registration to be done online at [www.ispp2017.org](http://www.ispp2017.org)

## Trade Exhibition

A Trade Exhibition will be held at the Congress venue itself. Interested companies are requested to contact the Secretariat.

## Liability

The Organising Committee will not be liable for personal accidents, loss or damage to private properties of the Delegates during the Conference. Participants should make their arrangements with respect to their personal insurance.

## Gala Dinner

For information on gala dinner kindly contact secretariat at [secretariat@ispp2017.org](mailto:secretariat@ispp2017.org)

International Delegate | USD 100

Malaysian Delegate | MYR 400

Book your tickets before 20th June 2017

## ISPP2017 Secretariat

### My Meeting Partner by Anderes Fourdy

1-4B, Incubator 1, Technology Park Malaysia,

# ISPP 2017

11<sup>th</sup> International Symposium on Pediatric Pain

**WHEN** 6<sup>th</sup> - 9<sup>th</sup> July 2017

**WHERE** Shangri-La Hotel, Kuala Lumpur, Malaysia

## Media Fest: Movies from Around the World

**Contribute your innovative video on Children's Pain to ISPP's Media Fest  
9<sup>th</sup> July 2017 in Kuala Lumpur, Malaysia**

We welcome submissions of films and videos on DVD of any length, to the 11th ISPP.

Deadline for submission is 1<sup>st</sup> **March 2017**

Announcement of inclusion in the Media Program will be on 15<sup>th</sup> **April 2017**

### Criteria for selection

- Pediatric pain focused
- Made within the last 10 years
- English or in another language with English subtitles
- Of sufficiently good quality for presentation on screen
- Not previously shown at a previous ISPP Media presentation

A panel of Judges will view all submitted material to select those for screening. We have one hour for the Media Screening. The Judges will select the most interesting clips of various lengths from the DVDs chosen so that each clip will follow the next after a brief segment of black followed by title and credits of the following film. This will allow the maximum number of DVDs from around the world to be shared with the audience within that limited time frame.

The director need not be present, but someone representing the film should be in attendance at the screening to address questions in the Q&A period.

**Format** DVDs need to be in the Universal format to be played in the North American format (NTSC) and the Asian/European format (PAL)

**Forward all DVDs or memory sticks of the DVD by the deadline of 1<sup>st</sup> March 2017 to:  
Dr. Leora Kuttner, #204-1089 W. Broadway, Vancouver, BC Canada V6H 1E5**

**Enquiries contact Dr. Leora Kuttner at: [leora\\_kuttner@sfu.ca](mailto:leora_kuttner@sfu.ca)**

## Optional Tours

### City Tour

A must for first time visitors to Kuala Lumpur. An interesting tour which unveils the beauty and charm of the old and new Kuala Lumpur. See the contrast of the magnificent skyscrapers and the building of the colonial days.

### CountryTour

Our first stop at the Royal Selangor Pewter will feature the largest and most modern pewter factory in the world, reputed internationally for its high quality and craftsmanship. You will be shown the different processes, such as casting, filing, polishing, soldering, hammering and engraving during this factory tour. Then to Batu Cave – which is an iconic and popular tourist attraction in Selangor. Site of a Hindu temple and shrine, Batu Caves attracts thousands of worshippers and tourists

### Malaysia's Cultural Night

'A potpourri of Malaysian Cultures'  
This evening tour takes you to the open air bazaar of Chinatown, a Hindu temple and a sumptuous Malay cuisine accompanied with a cultural show. SriMaha Mariamman Temple – The smell of burning jasmine, incessant chantings of Hindu priests, intricate carved deities and the mystical aura combine to give you a lasting impression of this religion.

### Genting Highlands Tour

Amidst the freshness of cool, crisp mountain air about 6,000 feet above sea level, lies Malaysia's only casino resort. Stop at cable car station and take a skyway cable car ride, with a sky above you and a tropical rainforest below, ride up to the hilltop on the longest and fastest cable car in Southeast Asia. Fringed by one of the oldest tropical jungles in the world, you can try your luck at Blackjack, Keno, Roulette or a host of other casino games.

### Historical Malacca

Malacca is a Malaysian state on the Malay Peninsula's southwest coast. The capital, Malacca City, has a colonial past seen in its preserved town center, the site of 16th-century Portuguese St. Paul's Church. It's also home to Christ Church, built by the Dutch in the 18th century. Next to Christ Church in Red Square is the Stadthuys, the Dutch-era town hall now housing a museum of Malaccan history and ethnography.
