Shri Chandrahas K. Shetty, Advisor, AHAR read out a brief about Shri M. D. Shetty. The Life Time Achievement Award of AHAR was presented to Shri M. D. Shetty, veteran Hotelier and the president of AHAR from 1982 to 1987. Shri M. D. Shetty was the pioneer hotelier in starting AHAR 36 years back. Shri M. D. Shetty was conferred the award by the advisor Shri Datta Kadam, Shri Santosh R. Shetty, Shri Chandrahas K. Shetty, Shri Arvind Shetty and his team.

Replying to the felicitation Shri M. D. Shetty said that in 1968, to tackle the problems of workers, strike etc. along with many hoteliers, he thought of the idea of starting a Hotel Owners' Association. "I have been approached by them to initiate the move. Since we thought of having a local face, I approached Shri Datta Kadam and AHAR was born with him as the first President. Now AHAR has grown up with leaps and bounds. I am always there to support the hotel industry and AHAR. I also thank AHAR for honouring me with Life Time Achievement award."

Shri Apurva Patel of Pet Pooja made a Power Point

presentation about the Company and their products. He requested the AHAR members for their support in supporting their products in Hotels & Restaurants.

Speech by Advisors

Shri Datta Kadam said that he is very happy to see such a well organized AGM. He advised the members to pool their mite to make the Association very strong.

Shri Chandrahas K. Shetty - During his address he pointed the vaious challenges faced by the hospitality industry. The contrubution made by the verterns are priase worthy.

He said that he is glad to be a part of this Association and also requested the members to come forward and voluntarily contribute to address the legal expenses.

To get the best results in the legal matters, need to engage senior counsels whose fees are very high due to their demand in the legal circles. This will bring the logical end to the various cases in the High Court and Supreme Court.

Shri Narayan Alva -He appreciated the contribution made by the veterans of Hotel Industry and also happy to see that they were honoured and felicitated.

Shri A. B. Shetty - Shri M. D. Shetty's vision of having an Association of Hoteliers of this great city is instrumental in forming AHAR and we are proud of his contribution to the Association and the industry. It is really worth honouring this veteran, who is instrumental in forming AHAR.

Shri Santosh R. Shetty - The Present President who is often called as a Dabhang President has contributed immensely to AHAR. The vision and leadership of Shri M. D. Shetty as President of AHAR has taken this Association to glorious heights. He remembered the efforts of Shri M. D. Shetty in meeting the top political leaders in withdrawing the expenditure Tax, which was about to be introduced in 1981. Shri M. D. Shetty had a cordial relationship with political leaders of all parties and put his efforts in solving a number of Problems of the Hotel Industry. He love the Association and glad to see the progress made in all areas. He suggested having Zones according Police demarcation to have a smooth functioning. We should suggest the Government for funding to the industry, which is bad shape with moratorium of 3 years and repayment by 15-20 years. The profit margin of the Hotel Industry is shrinking. We have to opt for innovative and cost saving devises and methods, otherwise the Industry will have very bad days ahead.

President's Speech

President Shri Arvind Shetty briefed in detail through a Power Point presentation.

Local Administration & Harassment by Ward Level Officers

When a complaint against harassment by ward level officers from M (west) ward was forwarded to the then standing committee chairman Shri Rahul Shewale, he immediately

all the difficulties that a hotelier faces primarily due to the outdated laws. He informed us that the corporation is in the process of reviewing all the age old acts, laws in order to facilitate businesses in the city and create a one window clearance system.

We have prepared and submitted a detailed petition incorporating suggestions for better implementation and transparency.

Repeal of MCGM License 394

FSSAI mandates that after introduction of the act, all other acts/law pertaining to the food industry will be repealed. In spite of our repeated requests the corporation failed to do the needful. We have taken a decision to seek directives for the above through a writ petition in the Bombay High Court.

Environment Department Notices

We had received numerous complaints from members about Notices from officers of the environment department seeking details of all the licences held by our members.

A delegation from AHAR under the MCGM sub-committee chairman met the officials but could not elicit proper clarification

An RTI to MCGM for knowing details of licences/NOC required to operate restaurant was sent. In its reply amongst all the other licences no mention of environment was noticed. Wrote to the environment department about the above complaints and seeking details of their powers under the MCGM Act to seek details of other licences held by our members, as our members are not Licensees of their Department.

A New System of Levying Property Tax on Hotel Rooms

The MCGM has created a new system of levying property tax on residential hotel room from the earlier rateable value to the present capital value system. The same has created a lot of problem for our members having hotel with rooms. We have requested the corporation to review the process as the above exorbitant hike is not sustainable for doing business.

B.E.S.T Electricity in Island City

Electricity Consumers in the island city of Mumbai were suffering for a long time due the Higher Electricity Charges levied by B.E.S.T, in lieu of the Losses suffered by them in the Transport Division throughout the city. When our member Mr. Guruprasad Shetty applied for supply of cheaper fare through TATA Power, it was thwarted by B.E.S.T as they had a state monopoly to supply electricity in south Mumbai. Our member Mr. Guruprasad Shetty relentlessly pursued the matter for five years in the larger interest of consumers and created history by becoming the first AHAR member to avail the services of TATA Power after the Supreme Court dismantled state monopoly in distribution of electricity through the a Landmark Judgement resulting in huge savings for consumers in south Mumbai.

Local Body Tax

Fully supported FAM and succeeded in delaying the imposition of LOCAL BODY TAX in the city of Mumbai.

Business Development Committee

We have time and again highlighted in various forums that the City is fast losing pace to other cities in India because of the local bodies' outdated & stringent conditions. The BMC

has realised the seriousness of the above issue & is planning to constitute a high level Department to specifically deal with the Business Community & simplify Licensing Conditions towards a one window system for Issuing/Renewal of the same. We have already submitted our representation as requested by Mr. Rahul Shewale, then BMC Standing Committee Chairman & also to the BMC Commissioner for further action.

Hawker Registration

The recent drive by the BMC for Registration of Hawkers compelled us to seek clarifications from the concerned DMC in charge of the above process. When it was brought to his notice that Registering Food Hawkers will amount to contempt of the Supreme Court's directive which bans cooking in the open space, he informed us that the Corporation was contemplating issuing 500 Licenses per ward to promote Food Plazas around prominent locations and the MCGM will provide them adequate infrastructure like water, electricity etc. Upon seeking clarifications on the above through an RTI, were informed by the Department that no such policy was drafted for the benefit of Food Hawkers. We have forwarded copies of the Minutes of the Meeting with the DMC to the Mayor, BMC Commissioner, and the Additional Municipal Commissioner to seek their views on the ridiculous statement made by the DMC.

Police Department

The Commissioner of Police disallowed our customary request for extending the business hours during the New Year's Eve celebration inspite of preparations made by the hoteliers. We had no option but to move the Bombay High Court to seek relief and the resultant verdict not only saved the industry and the government loss of revenue but also catapulted us into the limelight through extensive coverage of the issue in the entire country.

Due to the efforts of AHAR and other associations, the Commissioner of Police instructed his officers to allow serving of food and liquor till 1.30 am and not to disturb hoteliers up to the stipulated time in the guise of inspections.

Simplification of procedure for endorsing manager's name in the PPEL license due to the efforts of our Police sub-committee. Endorsement of timings on the old license was undertaken.

State Government: State Excise

The Exorbitant hike in FL III LICENSE FEE was a major blow to the industry as the same was affected due to the fact that License Fee was not increased for the last three years. We made a representation to the CM, Excise Minister, Principal Secretary, Excise, and Excise Commissioner stating that such a steep hike will be very difficult for the industry and the state will also lose revenue due to proliferation of cross border smuggling and illicit liquor.

Due to the efforts of AHAR and other associations in the liquor trade the government constituted a Committee under the chairmanship of Shri Amit Deshmukh to study the impact of the hike on the liquor trade in Maharashtra. The entire process was short-lived due to the announcement of the state elections. We have started the process of Representation all afresh with the new government.

As Electronic Voting Machines nowadays helps in expediting the process of counting & results are out by afternoon, we requested the Administration to allow us to serve Liquor in the evening of counting day. As there was no response from the department, we moved the Hon'ble Bombay High Court, which in turn granted us permission to serve Liquor in our Restaurants after 6 p.m. in the Evening.

Our members who were holding FL III License were highly perturbed by the recent directive from the State Excise Suptd. asking for details of Profit & Loss in Liquor sale for the past five years within a stipulated period of one day. We informed the respective Supt. & the Excise Commissioner about the difficulties our members were facing due to the arbitrary nature of accessing such details.

Bill to Ban Dance Performances

In spite of the Landmark Judgment in the Supreme Court against the State Government's ban on Dance performances, the Government failed to renew the Licenses as directed by the Apex Court. In response to a Contempt Petition filed in the Supreme Court by AHAR, the State Government has come up with a Bill to completely ban Dance Performances in all categories of Hotels.

Labour Department

A major breakthrough was achieved in the Minimum Wages petition filed by AHAR together with Nagpur hoteliers in the Nagpur High Court, when the same was admitted due to the merits of our contention, with an interim relief of paying only 70% of the notified amount till the final hearing and disposal. Members are advised to set aside 30% of the balance amount till the matter is resolved.

Sales Tax / VAT

Various High Courts in India like the Madras High Court, Uttarakhand High Court, and Bilaspur High Court gave their verdict on the Service tax matter with a suggestion to the respective state governments to levy state level taxes on 60% of the bill amount due to the service tax charged on 40% of the amount raised in a A/C restaurant and avoid double taxation.

We met the Commissioner of Sales Tax, Maharashtra and requested him to provide the same benefits to customers based on the above judgment.

Simplification of Outdated Laws

We have been pursuing with the State Government to simplify archaic laws since the last few years and the Government on its part had appointed Accenture to study the same and compile a report. We are pleased to announce that the State Government has notified the constitution of a Committee to address the above issue and also invited AHAR to nominate one representative to be part of the Committee for Reducing the number of processes during launching of a Restaurant in Maharashtra.

We have subsequently appointed our Ex-President Shri Santosh Shetty to represent AHAR in the Committee, looking at the vast experience he possesses about the industry.

Union Government: Service Tax

After the Writ Petition against imposition of service tax in A/C

Restaurants was dismissed by the Hon'ble Bombay High Court, the Association filed a Special Leave Petition against the judgment in the Supreme Court.

Meanwhile, the Division Bench of the Kerala High Court has upheld the earlier Single Bench Judgment of the same court which was challenged by the Service Tax Department. Now, the Division Bench of the Kerala High Court reiterated that bifurcating a bill for the purpose of levying Service Tax is unconstitutional as the entire amount is considered as Sale of Goods and taxed by the State Government.

In the meantime, efforts are being made to address the above issue through Representation to the new Government at the centre. In response to our petition to the Ministry of Finance and Commerce, we have received a letter from the ministry asking us to provide details of international practices being followed during implementation of Indirect Taxes.

Our team have studied various reports compiled by consultancy firms like E & Y, KPMG etc. on the above subject & have come to the conclusion that Double Taxation is not prevalent in any of the countries mentioned in the report. Moreover, according to the report many countries were offering reduced rates of taxation to the hospitality industry in order to promote Tourism & generate employment. The above findings have been forwarded to the Ministry.

The PMO has forwarded our suggestions on Service Tax, FSSAI, and Labour reforms to the respective ministries.

We recently met Union Minister Shri Ananth Kumar, to share our difficulties in terms of Service Tax in A/C Restaurants, and as the FM and the Minister of State for Finance were not available, a meeting was facilitated with the Revenue Secretary, Mr. Shakti Kanta Das to address our issues pertaining

Therefore, we request that pending introduction of the GST, levy of Service Tax on Hotels & Restaurants, be withdrawn. Even when GST is introduced, the tax percentage should not exceed 8% in totality, in order to ensure that India remains a competitive and attractive tourist destination as most of the Developed countries have adopted reduced rates of taxes for the Hospitality Industry in order to boost Tourism & facilitate Job creation.

FSSAI

Our petition against certain clauses in the FSSAI is pending in the Bombay High Court. Various Industry Associations have requested the New Government at the centre to review the impractical conditions in the act. We have sent a detailed presentation to Union Health Ministry together with our suggestions for simplification of the Act as the same in its present form is difficult to implement in the Hotel and Restaurant Industry.

Due to the above efforts, amendments to the FSSAI with stringent conditions were withdrawn by the Union Cabinet under the Leadership of the PM and further amendments will be done after taking into consideration various representations and recent court judgments. Through the good offices of Union Minister Shri Ananth Kumar, we recently met Union Health Minister, Shri J. P. Nadda with a detailed presentation of our difficulties since the introduction of the FSSAI. He subsequently facilitated a meeting with Secretary, Union Health Ministry to understand our apprehensions pertaining to the above Act.

AHAR provided assistance to IDMA during their petition against Product Approval which they won in the Bombay High Court. A delegation from AHAR met the recently appointed FDA Commissioner Shri Purshottam Bhapkar, and apprised him about the challenges that our members were undergoing due to the impractical clauses in the FSSAI, and requested him to restrain his officers till proper clarifications are provided.

Labour Laws

As soon as the new Government was installed in the centre we had requested them to Review outdated labour laws as we were the original skill development corporation providing employment opportunities to unskilled workers since the last several decades.

The Government at the Centre has already initiated major reforms in the sector freeing smaller establishments from license and inspector raj.

National Hawking Policy

Looking at the callous way in which Hawker Registration was being undertaken by the MCGM under the directions of The National Street Vendor Policy.

AHAR wrote to the PMO about rampant encroachment, which will derail the Union Government's proposal to make Mumbai a star city. We requested the central Government to safeguard the interest of Legitimate Businesses and restrain the Local Administration from allowing cooking in open space as the same has been banned by the Supreme Court. The PMO has in turn directed the State Administration to consider our suggestions during formulation of the Street Vendors Policy together with adequate representation for our Association in the Committee constituted for the same.

Present Status and Opportunities

The most respected Association and recognised as the voice of the Hotel and Restaurant industry by the Local Administration, State Government, and also the Union Government.

We have extended our wholehearted support to the Swachh Bharat Abhiyan initiative undertaken by the MCGM to promote the Union Government's five year Program of making the country Garbage Free.

We are in an enviable position of partnering in the Government's dream of developing Tourism. A great opportunity to be part of the ecosystem when new cities are developed by the Union Government. The Governments programme of Skill Development and generating maximum employment could be fulfilled through our participation.

The might of the Hoteliers was thoroughly tested and recognised during the last few Elections as a powerful Vote Bank

Ease of Commencing and Conducting Business.

Our global position in the Ease of doing Business ranking of the World Bank is a dismal 142 out of 189 countries. The PM wants this rank to be as high as 50. The inspector visits randomly, and does not leave until he Finds something. Moving towards self certification.

AHAR has maintained cordial relations and regularly shares issues pertaining to the Hotel & Restaurant Industry with not only various districts of Maharashtra but also with six different State Associations.

The Road Ahead Along With Challenges

The President sketched out the future itinerary as under;

Shri Chandrahas K. Shetty

He said that the coming years are of vital importance for the industry. He quoted an example of how an ego is darkness which needs to be driven out through light. In Association the healthy discussion, arguments are a must and the arguments need to be ended along with meeting and should not be carried out. The urge to do good work does not require any post. Through collective dedication and support, the

team can perform excellently. AHAR's working should enhance the confidence of all hoteliers, which is needed in attending any problems. Every member should perform to make this Association a strongest one with 'One Industry One Voice'. Members should support any decision of the Mg. Committee, which is taken after proper study, work out and in the interest of the industry. The 35th AGM was one of the best and well organized AGMs of AHAR.

Felicitations

The President presented floral bouquets to Advisors Shri Chandrahas K. Shetty and Shri Sudhakar Y. Shetty and Adv D. K. Shetty.

Office Bearers' meetings

With a view to address the issues concerning the hotel industry, 32 Office bearers meetings were conducted during the year. As a result, timely action was initiated in most of the issues for the benefit of members.

Financial Status

In the year under review the Association has had an Excess of Expenditure over Income of Rs. 15, 99,140/-. The reason for this is due to heavy legal expenditure and expenditure on brand building exercises. The Association had to challenge a number of decisions of the State and Central Government in the interest of the hospitality industry.

Till date, the following legal expenses were incurred

Challenging the Service Tax on air-conditioned Hotels in Mumbai High Court & SLP in Supreme Court Rs. 21,56,510/-
 Appeal in Appellate Tribunal against levy of cross subsidy Rs. 11, 63,684/-
 Appeal in Appellate Tribunal for Electricity against Regulatory Asset Charges Rs. 5, 88,173/-
 AHAR supporting WP by Shri Guruprasad Shetty in Supreme Court against BEST appeal not allowing TATA to supply to Mumbai City which was dismissed -Rs. 3,14,205/-
 WP against Excise fee hike of 50% in Bombay High Court Rs.1, 00,000/-

Sign Board legal opinions –Rs. 30,000/-
WP in illegal food Hawkers in Bombay high Court –
Rs. 1, 00,000/-

Challenging the exorbitant hike in minimum wages notification in the Hon'ble Nagpur High Court Rs. 17, 64,870/-

Membership fee and Sponsorship amount received by the Association is the only source of income and the same may not be enough to sustain the huge expenses incurred due to the various petitions pending at different Courts, and we are compelled to depend on the reserves which may adversely affect the financial status of the Association in future. There is an immediate need to mobilize a strong corpus fund.

Branding Activates

We as an organization have invested money in brand building and relation building exercise for better communication with the members and other outside agencies such as Govt., BMC and bureaucrats etc. through our publications AHAR Hospitality a quarterly magazine, AHAR Connect a monthly newsletters and other publicity materials such as Banners, Posters etc. The result of these exercise were tremendous, mainly we could bring the members very close to the Association activates instantly. More fruitful communications will be achieved in the years to come. The contribution made by Forever News and team are remarkable. These products are of international quality, reach and visibility.

AUDITORS' REPORT - 2014-2015

To,

The Members of INDIAN HOTEL AND RESTAURANT ASSOCIATION.

Report on the Financial Statements.

We have audited the accompanying financial statements of INDIAN HOTEL AND RESTAURANT ASSOCIATION, which comprise the Balance Sheet as at March 31, 2015, and the Income & Expenditure Account for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements.

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position and financial performance of the Association. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Association's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the financial statements give the information in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- (a) In the case of the Balance Sheet, of the state of affairs of the Association as at 31st March, 2015;
