post office bearers. He congratulated all the newly elected Managing Committee Members and wished them all the best in their future endeavours. He then proceeded with the election of the Office Bearers for the year 2016 - 2017. He informed the house that the attendance of the meeting was 86 with one newly elected member Chetan Suvarna resigning from Mg. Committee and Hemant Jain [Zone-VI] and Narendra Panesar [Zone-VIII] requesting for absence of leave. He further stated that the total number of Managing Committee including advisors is 110 and with one resignation it has come down to 109. Since the attendance in the meeting is more than 2/3rd he will continue with proceeding of election as per the revised Bye laws.

## The House elected the office bearers as under: President's Speech

President said that he will remember with gratitude all the office bearers who supported him during the last two years. The AGM has become a huge success and was well appreciated. He also appreciated the efforts of Suresh Shetty outgoing VP, Zone-III and K. K. Mahale, Chairman, Hawker

action committee and honoured them with flower bouquets.

He also thanked all members for reappointing him as the President of the Association for the third consecutive term. He assured that he will strive hard for the welfare of the hospitality industry.

He said the main focus of the ensuing year is creating a corpus fund of Rs. 5 crore. He said that though same was decided and approved in the last AGM, it was delayed due to technical clarification from legal experts and Trade Union Experts.

He wished all the members and their family a very happy and healthy new year ahead.

He said the current year focus will be on collection of Corpus Fund. He requested for the participation of each and every hotelier, who will be divided into three categories to achieve the target at the earliest. He said it will be a moral boost to us to venture into any legal battle in the interest of whole hospitality industry without restricting it to Mumbai alone. He said AHAR had spent huge amount on issues like TDLR, Minimum wages, Service tax, FSSAI etc. to name a few, the benefit of which has gone to all Hoteliers of the state. It will also help us to employ the Best legal brains, best counsels in our various cases and get

the desired results. He said it will be the best accumulation for the future Generation and Association, so that they can take decision in the interest of the industry without any financial constraints. He assured the transparency in the collection and the expenditure, without any compromise and by following the due process.

He said his second agenda is to make the office systems which have become outdated to a modern one. He also advocated making the entire membership and other process cash less.

He also stated that his third agenda will be to study, analyze and fight against the ban on liquor serving restaurants on National and State Highways. AHAR is approaching all the Associations of Maharashtra to get their mandate in favour of AHAR to represent them, meet and discuss the matter with anyone including central ministers.

He said that it was mainly due to regular road accidents and use of single license in many premises in rural areas and areas near Highways. Since it is an SC order, the same has to be challenged at highest level involving huge legal expenses. He said AHAR will fight for against it and advised members to be on the right side of the law and adhere to the demarcated

area for serving liquor in Permit room. In case of additional legal area, the same can be included in demarcated area through application.

## Chandras K. Shetty

He said the new Managing Team is a blend of youth and experienced and urged everyone to work like a family. It is the moral duty of members to return what the Association has given to them through gesture of support.

The differences, if any, should be discussed and sorted out on the table and no ill feelings should be carried beyond the four walls. Healthy discussion is always welcome.

He said the corpus fund collection which is overdue has been taken up at right time and the members should support it. The concept of corner meeting should be revived with meeting once in every month or two months so that whatever AHAR has achieved or the latest information is percolated to the grass root level.

The Seminars on various aspect of the industry is required to have proper awareness. He also suggested the hoteliers adopt the latest digital system, which is there to stay.

He wished the President and his team all the success in their future endeavors.

## Santosh R Shetty

With the positive approach from the Government officials, excellent work was done last year, which needs to be carried forward till the favorable and justified outcome is obtained. It is the moral duty of all members to support in its endeavor to collect the corpus fund. We need a strong base of fund to attend various grievances of the members and industry, wherein only legal course can bring results. We have to fight out ban on liquor serving restaurants on Highways as it may result in loss of business to many.

## Arvind Shetty

The crisis always creates an opportunity to explore. The FSSAI which was welcomed by us with little documentation for registration and conversion was a smooth affair. Now the additional demands of papers for renewal were stalled and due to our efforts the same was restricted to minimum. We are pursuing with FSSAI Delhi through various meetings, Seminars etc to simplify or to have a separate set of guidelines to the Hotel & Restaurant Industry.

## Vote of thanks

The meeting was concluded with vote of thanks by Santosh R Shetty, Hon. Gen. Secretary.
