The Meet was organised to brief about the ban on Highway liquor vends by Hon'ble Supreme Court order dated 15th December 2016, and its efforts, opinions, consultations, deliberations etc. undertaken so far and the future course of action to safeguard the livelihood of thousands of affected Permit room holders, their employees and dependent ancillary industries throughout the state of Maharashtra.

The meet was attended by record number of 65 Hotel Associations throughout the State of Maharashtra.

The meet began with lighting of lamps by the President of AHAR and other presidents of prominent associations. Later on all the presidents and their teams were felicitated by the President of AHAR.

Addressing the gathering of around 500 hoteliers throughout the nook and corner of Maharashtra, President of AHAR Adarsh B. Shetty said that the ban on Highway liquor

vends has come from the highest judiciary body of the country, Supreme Court. If it is implemented thousands of Hoteliers serving liquor up to 500 meter from Highway will lose their licenses, their livelihood and thousands of employees will also be rendered unemployed.

AHAR, HRA [WI] and other prominent associations came together and had 2-3 crucial meetings in the recent past. The opinions of prominent legal brains of State and Supreme Court were obtained. The opinions were forwarded to the leading counsels of the country for their guidance. So far an amount of around Rs. 20 lakhs has already been spent as professional charges for obtaining these opinions. Since it was a decision of the Supreme Court, the gravity of the case is so deep and wide it was necessary to employ known face of legal luminaries to present and convince the Government about the perils which will cost heavily. He said we are also trying through various sources and process to denotify the highways as has been proposed / done in few other states. It is a battle of survival and we must come together and fight it.

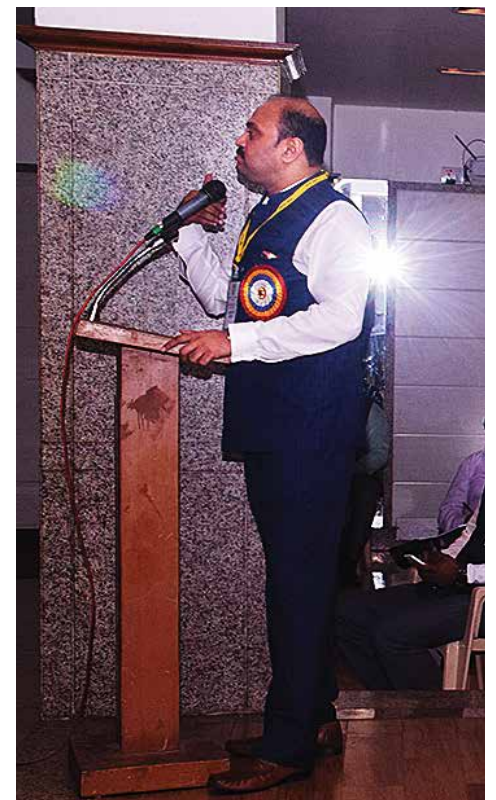

All the participating associations agreed with his views and assured their full support in whatever possible way to AHAR and requested it to take the lead and go ahead. They also assured spreading the necessity of participation by other associations, who were unable to attend this meeting.

Many presidents of other associations appreciated the effort of AHAR in bringing them all under a single platform, taking a lead and the deep involvement in the matter. They expressed their gratitude to AHAR for its support and hope that they will get the desired relief.

President AHAR Adarsh B. Shetty answered and clarified various doubts, queries raised by the participants.

The President of AHAR appreciated the efforts of Vishwapal Shetty and Sunil Patil for the smooth coordination and the participation in wholesome in the meeting. The President also thanked all office bearers for making the event a grand success with active participation and their involvement.
