Further, he started the much acclaimed Pamposh Restaurant which has given him name and fame. Followed by Sanmaan, Shamiana, Shangrila, Kadamb Residency etc.

He also owns the famous Kadamb Sahyadri Hotel at Lonavala.

He also has franchises of Baskin & Robbins Ice cream (Linking Road, Bandra), Lavazza-Barista (Linking Road, Bandra) and Café Coffee Day (Carter Road, Khar).

Shri Datta Kadamb demonstrated a positive and

Zone X - Shri Anil Salián:

Thanked President and his team for the support in attending the Hotel Mantra case in Malad.

Speech by Advisors

Shri Sudhakar Y Shetty:

The CCTV is a must for Restaurateurs as a recording in CCTV has saved a restaurateur in the murder case at Vikhroli. Our Unity is our Strength. We should go in large numbers to any Government authorities and present our grievances, difficulties or problems. The Water cut has already been imposed and we should all save the water.

Shri Narayana Alva:

The Restaurant is our bread and butter. Cancelling the licence of 60 year old Restaurant at Dadar should be opposed at highest level.

We must unite and meet the highest authorities of MCGM immediately and address the grievances of the Laxmi Hotel, Dadar. All the Restaurateurs of the Zone should be prepared to sacrifice and fight; otherwise

what Laxmi Hotel is facing today will be faced by everyone in days to come.

Shri Chandrahas K Shetty:

The Open space issue, which is pending since long should be addressed immediately. We will be presenting a memorandum to Shri Gopal Shetty, MP for redressal. With the changing time, we have to adopt new technologies for survival including the CCTV.

The seminars on various issues of Security for awareness to the members are necessary.

Shri Santosh R Shetty:

The office bearers are doing excellent job. I had met the Chief Secretary, Govt. of Maharashtra and briefed about the grievances of Hoteliers in Police, Excise and MCGM matters. The Chief Secretary has agreed to meet the delegation of AHAR soon. An MCGM license cannot be cancelled by anyone except the Municipal Commissioner. Whatever the correspondence AHAR is sending, the copies should be marked to the Secretary or Deputy Secretary of the Department. The installation of CCTV is a must, which saves the Restaurateurs as seen in the case

of Hotel Mantra, Malad.

Shri Arvind Shetty:

In the crisis we can see opportunities. We must appreciate Shri Yermal Harish Shetty for opposing the harassment and standing behind AHAR and fighting the genuine harassment of the Police. We must highlight the archaic laws with Government authorities for redressal. We should support Hotel Laxmi, Dadar and see that such things are not repeated.

The Labour reforms are being planned by authorities and AHAR delegation need to meet the Labour Minister at the earliest regarding Child Labour matters. He said that AHAR representatives should be appointed in the reforms committee.

President

The Harassment of a legally run Hoteliers by MCGM officials on the pretext of Fire Brigade NOC is very disturbing. If this trend continues, no one can run the business in the city. He said it is the high time, the members must come together and fight against this injustice.

He asked the members

whether we should fight or watch. The entire house said that we should fight. Then the President asked whether the Restaurateurs of Zone-IV are ready to unite and surrender their eating house license to authorities. The Zone hoteliers unanimously agreed to surrender their Licences.

The President said that tomorrow, that is on 1st of September 2015, the delegation of AHAR will meet EHO and the DMC along with large number of hoteliers at their office at Parel and discuss and surrender all Eating House Licenses in protest. The entire house agreed to meet at the venue at 2.00 p.m.
