

## 5<sup>th</sup> IAN Postgraduate Summer School 2016

The 5<sup>th</sup> IAN Postgraduate Summer School 2016 took place at the S P Jain Auditorium, Bombay Hospital Institute of Medical Sciences, Mumbai on 1-3 April, 2016.

The school was well attended with 197 registered delegates. participants came from all parts of the country. Over thirty faculty members participated in this teaching activity. A variety of topics were covered in formats of didactic lectures, case studies and interactive sessions. There was active participation from the students.

A quiz was organised and was held in two parts. Around fifty teams (two members per team) appeared for the preliminary round; of which three teams were selected for the final round. The quiz was much enjoyed by all. The winners are as follows.

Winner: Bhagyadhan Patel and Jayendra Yadav: GMC and JJH, Mumbai

First Runner Up: A Gopalkrishna and Rajesh Wari: KIMS, Hyderabad

Second Runner Up: Saurabh Bansal and Faisal Sheikh: PGI, Chandigarh.

For the benefit of delegates, 'handouts' (consisting of approach to various neurological problems) were provided. Also, a 'Companion to Bedside Cognition Testing' was distributed to each of them. Both received appreciation.

An application “IAN APP” was launched during this year.

This app has been designed to navigate through the various blogs of IAN in one go e.g. annual events, membership dues, change of address, IAN journal. As of now, it will work on the android system and will soon be made available for iOS and windows. The link for downloading the app will be provided to all the participants and soon it will be available on the app store.

A total of 10 participants became members of the IAN during the school.

The teaching course ended with valedictory function.
