Sub: Doing Business in Cambodia: A Brief Investment Guide

Dear Member,

As you are aware, the Government of India under its "Act East Policy" has inter-alia focused on strengthening bilateral economic relations with Cambodia, Laos, Myanmar and Vietnam (CLMV) countries.

Cambodia has a high rate of growth (averaging 7%) in the last few years and it is expected to grow at similar rate for the next few years. It has one of the most liberal investment regime for foreign investment in the region.

In order to provide more information about the investment climate in Cambodia as well as possible opportunities for Indian businesses, the Embassy of India in Phnom Penh, Cambodia has published a booklet, "Doing Business in Cambodia: A Brief Investment Guide".

This booklet has been uploaded on the Embassy's website

Members having further queries in the matter are requested to contact the Embassy's Commercial Representative, Mr. N. Sitlhou, First Secretary
