**Sub: Inviting participation in Texworld & Apparel Sourcing Fair, Paris
6th to 9th February 2017**

Dear Member,

The Cotton Textiles Export Promotion Council with the support of other Textile EPCs proposes to Organize National Level Participation in 'TEXWORLD' and 'Apparel Sourcing' concurrently held at Paris Le Bourget, France from 6th-9th February, 2017.

Advantages of participation through the Council

- The Council is undertaking extensive efforts in publicizing 'Indian Participation' at this Show
- Support of Ministry of Commerce and Embassy of India in Paris
- Projecting 'Brand India' image in unison
- It is the right fair to meet big buyers of Textile & Clothing in a high value market.

Trade Data

In the year 2015, EU (28) imported US\$ 109.43 billion worth of T & C from the world, of which, import from India was US\$ 7.74 billion, accounting for 7.07% market share.

European Union (EU 28) as a combined market is the largest importer of Textiles & Clothing (T&C) from India, accounting for 25% of total export of T&C from India during 2015.

Considering the higher spending capacity in EU 28 countries, as a block, it is the single largest market for the Indian export of T&C products. However only 7 % of total import of T&C into EU was from India thereby offering scope for increasing market share by undertaking suitable marketing activities, such as participation in this established event to meet major importers in EU.
