**Sub: Requesting exporters of Home Textiles to provide
employment data**

Dear Member,

This refers to the Council's circular dated 23/6/2016 regarding Cabinet approval of special package for employment generation and promotion of exports in Textile & Apparel sector.

As mentioned earlier in the Council's circular, the special package announced is applicable only for the Apparel sector as of now. The Council has been representing on several occasions to the government that all the 'cut & sew' products including Home Textiles / Made-ups should be treated at par with apparel products for all the incentive packages.

In order to further present the case of the Home Textile / Made-ups industry to the government, the Council requires 'authentic data' on employment intensity in this sector.

We request all the exporters of Home Textiles / Made-ups to provide employment data in the attached format ([click here](#)).

Grateful for providing the required data latest by Friday, 24th June 2016.

Your immediate response will be highly appreciated.

Regards,

N. Ravindranathan
