Dear Member,

This is to inform you that Confederation of Indian Textile Industry (CITI), the apex industry chamber representing the entire textile value chain, is conducting a **seminar on GST**, the much needed tax-reforms which will provide the much needed competitiveness to the industrial sector, **at 9.30 am, 28th September 2016 in "Grand Ballroom", Hotel ITC Maratha, Sahar, Andheri (E), Mumbai**. Experts at the Seminar will deliberate on various issues which can emerge after the introduction of GST, i.e. issues, challenges, impact, framework, etc. pertaining to Textiles Industry.

The government has passed GST bill in Parliament, a central Goods and Services tax (GST) to replace the plethora of taxes. To bring gigantic number of units, traders in Textile Industry under GST framework is a mammoth task. The other big challenge is the long-value chain of the textile industry, of which a major portion is in the unorganized sector.
