**Sub: Inviting Fabric samples from Members for display at the Council's  
information booth at "Expo Produccion 2015 Fair", Mexico City**

Dear Member,

The Council will be participating in "Expo Produccion 2015 Fair" being held at Mexico City from 4 to 6 February 2015.

"Expo Produccion" is the largest Textile Fair held in Mexico City once in two years, promoting entire textile value chain and accessories. This fair attracts visitors from all over North & Central American Region.

**Opportunity Mexico**

Mexico is the major supplier of Textile & Clothing to USA amongst the countries covered under NAFTA. Mexico will continue to play a major role in Textile and clothing trade. Importers for several international brands, designers, trading companies and buying houses maintain presence in Mexico for sourcing their requirement for supply to USA.

Mexico imported USD 10 Billion worth of Textile and Clothing products in the year 2013-14, of which, only USD 301 Million was from India clearly illustrating the huge export potential for Indian exporters.

To facilitate increasing export of fabrics (both Woven and Knitted) to Mexico, the Council invites samples of fabrics for display at the Council's information booth at "Expo Produccion 2015 Fair", Mexico City. Trade enquiries received will be promptly conveyed to respective Members contributing samples for further follow-up.

**Samples:**

Interested Members are requested to send samples of fabrics for display at the Council's info booth at "Expo Produccion 2015 Fair", Mexico City, 4-6 February, 2015. Samples can be:

1. Full width fabrics of 2 mtrs length
2. Hanger swatches of 30 cm width X 1 mtr length
3. Swatch folders

Each of the samples should be labeled mentioning complete specs and code number along with price list. Considering space constraint in the Council's info booth, samples from a maximum of 10 companies only will be accepted on first come first basis. On the last day of the Fair, samples will be distributed to interested importers visiting the fair.

**Fee:**

A nominal fee of Rs.20,000/- per company will be charged to partly cover expenses in handling the samples etc.

To maintain uniformity in display at the booth, the Council reserves the right to reject samples of irregular sizes.

**Last date:**

Interested Members are requested to send their samples and payment favoring 'the Cotton Textiles Export Promotion Council' payable at Mumbai, on or before 22nd January, 2015.
