Dear Member,

As you are aware, the All Industry Rates of Duty Drawback are revised and notified by the Government every year.

You may also be aware that the Council submits a detailed proposal to the Government every year for an increase in the Drawback rates for Cotton textiles.

This year also the Government has started its exercise of reviewing the existing Duty Drawback rates and has sought inputs from the Council in this regard.

We would therefore request you to please send us Data related to exports , domestic purchase of inputs and imported inputs. In this regard , please note as under :

1. The Data provided should be pertaining to the period from October 2014 – March 2015.
2. The data must be substantiated by copies of Shipping Bills (Minimum 5 Shipping Bills for each of the export products). The Shipping bills may be pertaining to exports under the Drawback , Advance Authorization , DFIA scheme etc or even under the free Shipping Bills.
3. The data related to domestic purchase & imports of raw-materials/ inputs , fuel (furnace oil) , Dyes & Chemicals etc must be substantiated by Copies of Central Excise Invoices and Bills of Entry (Minimum 5 copies) .

You may also send us information on any anomaly which you have noticed in the Drawback schedule with reference to the description of the products or the rates which needs to be rectified.

As the work is time bound and needs to be completed within a definite time frame we would request you to please send us the above data/ documents by courier/fax / E-mail (**Email Ids - ravikumar@texprocil.org or vimal@texprocil.org**) **on or before April 20, 2015.**

Please note that after the revised Drawback rates for 2015-16 are announced it will be difficult to get any changes or inclusion made subsequently in the new Drawback schedule with regard to the rates, description etc .

We solicit your support and co-operation in the matter to enable us to prepare and send a consolidated proposal to the Government for an increase in the Drawback rates for Cotton Textiles.

In case you need any clarification or guidance in compiling the data please get in touch with us.

Thanking you
