Sub: Catalogue show of Indian companies in Tunis

The Embassy of India in Tunis, Tunisia organized a successful catalogue show of Indian companies in Tunis in March this year. The show was well received and appreciated by visitors and got wide publicity in the local media. For the show, Mission had received catalogues from individual Indian companies and trade bodies.

The Mission plans to organize such shows in different cities of Tunisia and also in the international fairs. They have requested our member exporters (who are looking at exploring the Tunisian market) to dispatch their company catalogues (at least 20 catalogues each). These catalogues will be used at future shows.

Kindly send the catalogues to the address given below and once the catalogues are dispatched, kindly inform the Embassy with the details along with the Airway bill number.
