Sub: Application for Duty Credit Scrips in terms of DGFT PN No. 53 dated 27.2.2014

Dear Sir,

As you are aware, DGFT Public Notice No. 53 dated 27.2.2014 has extended a benefit of 2% additional duty credit scrips under the Market Linked Focus Product Scheme (MLFPS). The benefit , which was valid on exports of eligible items to the EU till 31.8.2014, was in addition to any benefit under Chapter 3 (Promotion Measures) of the FTP 2009-14 . In this regard, we have received a large number of representations from our members pointing out that they are unable to file their applications online on the DGFT website as the rate of entitlement on the online application form shows 2% instead of 4%.

We had taken up this matter with DGFT as well as NIC and had pursued with the departments vigorously. We are now glad to inform you that DGFT has uploaded the application form on the DGFT website and members can now apply online for 2% additional duty credit scrips (total 4%) -wherever eligible (except ITC HS Code 63029100) – in terms of DGFT PN 53 dated 27.2.2014 . With regard to ITC HS Code 63029100 , we are following up with DGFT and shall keep you informed in due course.

We would request you to please take a note of the above and do the needful. Please send us your confirmation if you are able to successfully file your applications. In case of any difficulty please get in touch with us.

Assuring you of our best services at all times. Thanking You
