Sub: Merchandise Exports from India Scheme (MEIS)

Dear Member,

As you are aware, the Merchandise Exports Incentivization Scheme (MEIS) extends Duty Credit Scrips on exports of notified products to notified markets.

Considering the stagnation in exports of cotton textiles in the recent past, the Council had represented to the Government for the inclusion of exports of Cotton Fabrics/Made ups to leading Countries in the MEIS. We have been pursuing with the Government vigorously at various level to get the products /countries proposed by us included under the MEIS.

We are now glad to inform you that the Government has accepted the representation of the Council & has issued Public Notice No.44/2015-2020 dated 29/10/2015 which has included exports of Cotton Fabrics - both knitted & woven- & Made-ups covered under a large number of ITC (HS) codes to leading markets including African Countries under the MEIS with immediate effect.

A copy of **Public Notice No.44/2015-2020 dated 29/10/2015 is enclosed** herewith for your information.

You are requested to please take a note of the above & do the needful. In case you need any clarification, please get in touch with us.Assuring you of our best services at all times.
