The Solvent Extractors' Association of India (SEA) is pleased to announce the first SEA's Rapeseed-Mustard Conclave 2017 with the theme : **Production Through Productivity to Reach Ten Million Tonnes**. The Conclave is to be held on 24th-25th March 2017 at Jaipur Marriott Hotel, Jaipur, Rajasthan, India.

Rape-Mustard seed is at the heart of the population in the Heartlands of India and its oil is the preferred oil across the Northern and Eastern India. Rape-Mustard constitutes a very important stature in the group of Rabi Oilseed crops of India and its production levels vis-a-vis other rabi oilseed crops determines the price flow of all oilseeds in the second half of the Oil-year season.

A lot of work has been done to promote its cultivation, yet its production is range-bound in the six to seven and a half million tonnes in the last decade. Rape-Mustard seed is a high oil content crop and there is a urgent need to increase its production in the country. With the ever increasing demand for food crops, there is an increase in fight for acreage; therefore the only way forward to have increased production is to have an increase in productivity. India needs atleast 10 million tonnes of Rape-Mustard seed to meet its growing oil demand and also its meal demand for cattle feed.

SEA in its attempt to bring the Rape-Mustard seed, oil & meal fraternities together, is organising this Conclave to deliberate and focus on the issues before the industry, farmers & trade and also to arrive at the solutions by fruitful interactions with the eminent speakers and panel members from across India. This Conclave will also provide an unique opportunity for open discussions & exchange of views about the issues pertaining to Rape-Mustard oil and meal, International & national businesses, to find solutions to the problems faced by the manufacturers, importers & exporters, technologists, players from the commodity exchanges, brokers & dealers.

SEA's Rapeseed-Mustard Conclave 2017 will have the unfolding of the latest status of Indian Scenario by the eminent personalities from the Rape-Mustard fraternity. Also, it will feature a presentation on the findings of Rape-Mustard Crop Survey-2016-17 conducted in key Rape-Mustard growing States by the world renowned market survey agency, M/s Nielsen (India) Pvt. Ltd. This will be followed by the Panel discussion on 'Rape-Mustard – Seed, Oil & Meal Price Outlook-2017' by the eminent speakers from the business & trade from India.

The Conclave will have the gathering of over 300 Delegates & Special Invitees from all over India and will provide unique opportunity for one to one meeting for the delegates, to develop new business contacts and also to strengthen the existing ones.
