

SEA launches cost effective tool "MARKETPLACE" to promote your Products / Services .

SEA is glad to announce that Association has taken yet another step to help the members to market their products, services, procure their raw materials and other requirement in Indian & International markets. We have introduced a new section called "Marketplace" on the Association's website (www.seaofindia.com) which is an online trade forum for buyers and sellers to list their company online and get global exposure to promote their business, products and services worldwide.

It may be noted that SEA Website is most popular among Vegetable Oil Trade & Industry and usually has over 15,000 visitors in a month

What is SEA's Marketplace?

- Online trade forum for buyers and sellers.
- Company's connected with oil seed sector, vegetable oil industry and trade can list their company on SEA's website according to their business type and product category.
- This service will include a searchable company listing on SEA's website along with a facility for the registrant to upload their business, products, services and requirement of raw materials etc. with contact details and relevant photographs.
- This marketplace will be publicized across the national & international trade industry via email and promotion at conferences & meets.
- Prospective buyers / sellers will be able to directly see your product profile / requirement, business details and will be able to communicate with you directly to ensure that you don't miss out on any business opportunity.
- For participation in marketplace, have kept the pricing very low at just INR 1990 + 12.36% service tax per annum.
