

00:12:13 Manisha gupta: please approve dr vinay gupta from Gandhi nagar hospital

00:13:44 ASHISH GARG: Hello every one .DR.ASHISH KUMAR GARG HERE

00:24:16 Dr Ram Niwas Gupta: Dr Ram Niwas Gupta (indra hospital)

00:25:55 Dr Brij kishore mangal,care life hospital,rohta,: Dr.Brij kishore Mangal,care life hospital,Rohta,agra

00:26:42 Anand Rawat: Dr Anand Rawat, Rawat Hospital, Agra

00:33:56 Jagat Pal Singh: DR JAGAT PAL SINGH JM CLINIC AGRA

00:45:15 Niti Sinha:Dr Niti Sinha swastik nursing home

01:06:30 Jagat Pal Singh: video is visible

01:07:31 Samir Prakash: video is visible clear

02:12:55 Dr Anuranjan Gupta: please send link for the form

02:13:02 Jagat Pal Singh: aisi condition me to atleast two consultants are required in every Hospital in every specialty

02:13:47 Dr rajeev Chugh: I think at least consultant should be in hospital for 14 days of contact

02:13:52 Sanjay Kishore: Do non coved hospitals require all measures of cover hospitals. If so what is the difference in prep

02:14:36 Jagat Pal Singh: so one consultant will be active quarantine and one will be passive quarantine

02:14:36 Ankit Varshneya: please share the form

02:14:49 ASHISH GARG: where is link for form

02:14:58 Rajendra Singh: what are guide lines for usg center

02:15:31 Nidhi Verma: form please

02:16:03 Dr ankur Bansal: koi area hotspot kab tak rahega??

02:16:57 Dr rajeev Chugh: till 21 days of last case detection

02:17:34 Manisha gupta: is there any authorized shop for ppe kit and infrared thermometer in agra

02:18:01 harendra Mohaniya:what are the guidelines of running NICU

02:21:40 Dr ankur Bansal: hotspot area kitne din rahega aur kitne area mein rahega??

02:21:50 Niti Sinha:are attendants also need to be tested

02:22:19 Dr.H M GUPTA Pengoria: Patient coming with Only Fever (One of the Red flag sign)-does all such patients need CoVid testing

02:22:58 Sanjay Kishore: Do non coved hospitals require all measures of cover hospitals. If so what is the difference in prep

02:23:23 Veena Jain:what precaution should ultrasonogist should take while doing ultra sound

02:23:50 Sanjana Mahesh: guidelines for covid test in bleeding pt due to incomplete abortion

02:26:20 Dr ankur Bansal: hotspot area kitne din rehta hain aur kitne area mein rahta hain??

02:27:14 Ajay Bansal: if I open opd and do emergency plaster only then our guideline can be same as you told in detail in your presentation

02:27:38 Ajay Bansal: if I open opd and do emergency plaster only then our guideline can be same as you told in detail in your presentation

how it is possible???

02:28:58 Dr Anuranjan Gupta: Do non coved hospitals require all measures of covid hospitals. If so what is the difference in preparation??

02:30:27 Dr P K Sharma Agra: <https://forms.gle/uCp2gjXDb4NFrPwQ9>

02:30:30 Dr Anuranjan Gupta: if we are not taking non Covid patients taking all precautions ...do we still need red zone ??

02:31:32 IMA Agra: <https://forms.gle/uCp2gjXDb4NFrPwQ9>

02:32:02 Ajay Bansal: मैं केवल हड्डी का क्लिनिक चलना चाहता हूँ। केवल प्लास्टर करूंगा बस। टब भी सारी हॉस्पिटल वाली guideline कैसे फॉलो होंगी। या जरूरत नहीं

02:32:50 Happy Verma: guidelines regarding visiting consultants.....

02:35:58 Pranay Chakotiya: what is the actual area to be considered as HOTSPOT

02:36:22 Jagat Pal Singh: DR SANJAY CHATURVEDI SIR PLEASE ANSWER MY QUESTION AND ALSO ASKED BY DR UDDAV BANSAL

02:38:35 Happy Verma: can we use surgical spirit instead of sanitizer..

02:38:48 Ajay Bansal: screening mai अगर कोई फीवर का या कोविड का doubtful आता है और हैम केवल क्लिनिक चला रहे हैं तू उसको डायरेक्ट रेफर snmc और dh रेफर कर सकते हैं क्या?

02:45:03 SUNIL AGARWAL: do every patient if admitted need COVID Testing

02:49:38 Dr. Rakesh Agarwal: if opd me pt dikha kar chala gaya bad me positive pata chala to kya karna h

02:52:29 Pervaind Sharma: I APLIED PLASTER TODAY FOR COLLES AND AFTERGOING HOME PATIENT DEVELOPS SYMPTOMS AND HE GOES TO GOVT HOSPITAL AND TURNS OUT TO BE COVID POSITIVE. ON HISTORY TRACING PATIENT SAYS HE VISITED ME. WILL I BE HELD RESPONSIBLE AND ACTION TAKEN AGAINST ME

02:54:25 Sugandha Rawat: any special requirements for x ray technician

02:55:19 Gaurav Khandelwal: Can we ask patient to download Aarogya Setu app before coming to hospital in opd

03:02:07 IMA Agra: <https://forms.gle/uCp2gjXDb4NFrpWq9>

03:05:28 IMA Agra: <https://forms.gle/uCp2gjXDb4NFrpWq9>

03:10:05 Sanjay Kishore: Do non covid hospitals require all measures of cover hospitals. If so what is the difference in prep

03:10:33 Pradeep Sane: is covid testing must for emergency eye surgery?

03:12:41 IMA Agra: <https://forms.gle/uCp2gjXDb4NFrpWq9>

03:13:03 Happy Verma: can we use surgical spirit instead of sanitizer..

03:13:34 Dr rajeev Chugh: <http://dgmhup.gov.in/DocumentsCovid19/1087.pdf>

03:15:13 Sanjana Mahesh: vo sabhi pt jinka RTPCR district hosp van se hoga kya report aane tak hosp me rahenge

03:16:38 Anita Gupta: Is it compulsory to get RT PCR for every patient before Surgery?

03:16:55 Narendra Pal Singh: I have had a glass sliding frame constructed specially for attending ENT OPD patients wherein the sliding window will not be opened unless needed, to allow distant inspection, however the frame has a 1 foot gap near the ceiling to allow ventilation. My question is, is it possible for the virus infected aerosols to enter the gap which is roughly 7 feet above the ground?
