

# ISNSCCON 2018

The ISNSCCON 2018, Hyderabad has the following email address to submit the abstracts for free paper and poster submission. The articles for the Tanker Award should also be sent the same email address.

[isnsc.conference.2018@gmail.com](mailto:isnsc.conference.2018@gmail.com)

The abstracts for ISNSCCON 2018 should be structured under headings: Aim, Materials and Methods, Results and Discussion; not exceeding 300 words. Please use of upper case only to the first letter of the words in the title and sub titles, not to all the letters. The title and sub titles should be in bold. Please avoid using the sub heading, 'Authors'. The title should be in Times New Roman, font size: 14. The abstract including the sub titles should also be in Times New Roman, font size: 12. Please ensure to add your institute's name and also email id.

As per the General Body Meeting, Pondicherry 2017 resolution, the abstracts sent for the paper and poster, if worthy enough, may be considered for Tanker Award. Students who wish their articles to be selected either for the free paper or for the Tanker Award paper have to send a full article akin to the one written for an indexed journal.

The Tanker Award paper submissions should also be a full article akin to the one written for an indexed journal.

Starting from this year one Gold medal each shall be given to best free papers in two sections of nephrology – clinical nephrology and renal replacement therapy.

The last date for Tanker Award paper submission: 30-11-2017. Please specify that the article sent is for the Tanker Award in the subject line of your email.

The last date for the Abstract submission: 25-12-2017.

Please encourage your students, juniors, colleagues to participate in all scientific programmes.

The presenters of free papers and posters are encouraged to become members of ISNSC. The procedure to become member of ISNSC is attached. If presenter is not a nephrologist then one of the co-authors should be and this should be underlined.

Please arrange the abstract in this order

1. Title of the abstract
2. Please classify your abstract into one of these headings: Clinical Nephrology, Dialysis and Renal Transplantation
3. Authors
4. Institute
5. Email address
6. Aim
7. Materials and methods
8. Results
9. Discussion
10. ISNSC membership number or the details of proof of provisional membership. The presenter is encouraged to be a member of ISNSC
11. Abstract to be considered for: a free paper, poster or for the Tanker Award (in which case a full article to be sent) session.
