Instructions for Posters at ISNSCCON 2018, Hyderabad

1. All posters are to be placed on the poster board between 9.00 and 10.00 am on 10.02.2018. All posters should be on display till 5.00 pm.
2. Moderators would visit you between 12.30 and 1.15 pm.
3. There are ten moderators. Each moderator discusses 14 posters. Please note that the numbers are given to each poster. Please ensure that your poster is placed on the right board, lest your chances to win a prize recede.
4. Your poster should include the title, all authors and institute's name at the top of the poster. The title lettering should not be less than a 48-point type.
5. Your poster should be readable from a distance of three feet or more. The body lettering should not be less than a 24-point type. Charts, drawings, and illustrations should be simple and more heavily drawn. Your poster should highlight and summarize the main points. A light background with dark lettering is easiest to read.
6. Posters (excluding title, authors and institute) should not more than 300 words.
7. It is helpful to viewers if you indicate (by numbers, letters, or arrows) a preferred sequence that should be followed in reading your poster.
8. Your poster should be self-explanatory so that you are free to supplement the information and discuss particular points raised by viewers during your presentation session. This session provides a more intimate forum for informal discussion, but discussion becomes difficult if you need to spend time explaining your poster to viewers.
9. Organizing Secretary shall provide the velcro, push pins or double sided adhesive tape. But the Presenter should also attempt to be self-sufficient.
10. It is suggested that you include on your poster a name, address, phone number, and email (or business cards) in case viewers would like additional information.
11. Poster board surface will be approximately 4 feet high and 3 feet wide. The poster must fit within this space.
12. Please do not write or paint on the poster boards.
13. Posters should be on display all day while the exhibit hall is open.
14. Posters not removed after 5.00 pm of 10. 02.2018 will be discarded.
15. Each part would have two prizes.
