Acceptance status of the e-poster and paper will be informed by mail on or before 07.03.2019

For any clarifications, participants can write to papersisoi@gmail.com

Dear friends ,

It gives me immense pleasure to host you all at this city rightly known as Dakshin Kashi , city which stood high in all cultural civilizations with pragmatic attitude and thought process .The city which has historical importance since the ages of Lord Krishna , Chatrapati Shri Shivaji Maharaj and Rajashri Shri Shahu Maharaj. The city which is still harboring and cultivating true cultural values of humanity.

Along with my organising committee members, I feel proud to host one of the biggest scientific extravaganza in southwest Maharashtra till date . Two days of scientific deliberation specially designed for budding as well as seasoned implantologists by the hand picked international standard mentors imparting best of their experiences in the field of implantology. A Kolhapuri TADKA, night of fun and frolic, giving you all the essence of royal hospitality is being planned. To make this event a memorable and highly successful in terms of sharing and updating knowledge, making some new friends. I urge from bottom of my heart to join this two days ISOI midterm convention.

See you soon ... Till then keep registering .

Dr Adwait Aphale
Conference Chairman
