Message

It gives us great pleasure to invite you to attend GUT 2005, the Annual Scientific Meeting of the Malaysian Society of Gastroenterology and Hepatology, which will be held in The Andaman Langkawi, Pulau Langkawi, from 23 to 25 June 2005. Please mark these dates in your conference calendar.

An exciting programme has been drawn up with a substantial emphasis on gastrointestinal oncology. There are also two interactive forums around case scenarios to allow discussions with experts in the respective fields.

Don't miss out on this great educational opportunity to re-establish lost contacts, networking with fellow colleagues and also energize on this beautiful island of Langkawi.

We eagerly await your participation.

A handwritten signature in black ink, appearing to read 'Rosmawati'.
