

# Welcome Message

It gives me great pleasure to welcome all delegates and faculty to EndoQE 2015, the second International Endoscopy Workshop hosted by the Gastroenterology Unit of the Queen Elizabeth Hospital, Kota Kinabalu, Sabah, Malaysia. We have arranged a comprehensive programme that caters for endoscopy nurses, gastroenterology fellows, gastroenterologists, physicians, surgeons as well as medical officers. We have an internationally-renowned faculty of eight outstanding gastroenterologists and endoscopists. Dr. Nageshwar Reddy (Hyderabad, India) and Dr. David Carr-Locke (New York, USA) are living legends in the field of gastroenterology and therapeutic endoscopy. A unique feature of this meeting is the EUS-TAP Endoscopic ultrasound workshop and WIGNAP symposium. The EUS-TAP faculty will comprise Dr. Ben Deveraux (Brisbane, Australia), Dr. Roy Soetikno (Singapore), Dr. Ryan Ponnudurai (Malaysia) while the WIGNAP faculty will comprise Dr. Payal Saxena (Sydney, Australia) and Dr. Sharmila Sachithanandan (Malaysia). Another attraction is the Advanced Endoscopic Imaging Workshop conducted by Dr. Rajvinder Singh (Adelaide, Australia).

Spread over four days, we will begin with the GIA Conference. This will be followed by State-of-the-art lectures (including the WIGNAP symposium) and a "Hands-on" ERCP and EUS-TAP workshop helmed by our faculty which will benefit Gastroenterology Fellows immensely. We then have a full day of Live Endoscopy with a variety of cases. The workshop closes on Sunday with an Advanced Endoscopy Imaging workshop which will be of great benefit to gastroenterologists, surgeons, endoscopists and Fellows.

I would like to express my gratitude to our tireless Organizing Committee, advisors, the QEH Director and Sabah State Health Director, all the main sponsors, our outstanding Faculty and of course all the participants. Please take this opportunity to attend EndoQE 2015 and also avail yourself of the various tourist attractions in Kota Kinabalu and Sabah. I trust you will enjoy this meeting.

Thank you,

**Dr Jayaram Menon**  
Organizing Chairman  
EndoQE 2015
