RE : SECURITY CONCERNS AND ALERT

Dear Valued Owners/Residents,

We are concerned that there is a dangerous condition on the property that deserves your prompt attention.

Please ensure all the drill and doors are secure and not easily forced to open. Several times our inspections, the doors have even been left open all days and night.

We are worried that an intruder will have an easy time getting into the house. There have been several burglaries in the neighborhood within the past two week. The situation would be greatly helped if you could to replace the locks with much stronger ones.

Thank you for your cooperation to this matter.

THE MANAGEMENT.
