RE : **Water Supply Disruption (Tank repair and Cleaning)**

---

**Dear Owners / Tenants,**

Please be informed that the water tank on the roof top (19<sup>th</sup> Floor) supplying B1 is leaking at few panels and require to take immediate evasive action to ensure the tank is restored and made good for a long-term solution.

In order for the contractors to carry out the remedial work the water tank is required to be empty for half day which will result in water disruption as follows:

Date:  
**22<sup>nd</sup> August 2023 (Tuesday)**

Starting Time:  
**9.00am to 8pm**

We advise all residents to store enough water for basic needs for the 1/2 day. For those who may run out of water, we shall allow residents to fill water from clubhouse swimming pool area and carry them in sealed water cans to their units. Buckets and open cans are strictly not allowed in the lifts.

We thank you for your cooperation and apologize for any inconvenience caused.

Thank You.
