File no. 17(6)/2018/DEFLT/E&SB/

Date : 12/07/2018

To

Chairman / President / Executive Director/ DG,
Textile Export Promotion Councils

Sir/ Madam,

Your kind attention is invited to Gazette Notification No.S.O.1529(E)/1/CSR/SO.3534(E) dated 26-4-2017 (copy enclosed) issued by the Textile Commissioner in exercise of the powers conferred by section 3 and section 4 of the Collection of Statistics Act, 2008 (7 of 2009) read with rules 5 and 7 of the Collection of Statistics Rules, 2011, Ministry of Textiles notification S.O.3534 (E) dated 24th November, 2016 which makes it the Statutory Obligation of textile units / cotton traders, identified in the Notification, to submit Annual and Monthly Statistical Returns (ASR and MSR), as applicable to different segments of the textile industry, within the stipulated time to this Office. All units engaged in manufacturing activities as mentioned in column(3) of Schedule- II of the Notification and registered under Section 2(m)(i) and 2(m)(ii) of The Factories Act, 1948 and units which are trading in cotton come under the purview of this Act. This includes manufacturers of natural, manmade and synthetic fibres, spun yarn, filament yarn, cotton textiles, woollen textiles, silk, technical textiles, cloth(knitted and woven), made-ups, garments (knitted and woven), hand and power operated textile processing units, textile machinery manufacturing units including units manufacturing spare parts, ginning factories and cotton pressing factories.

2. In order to facilitate the online submission of statistical returns, this office has put in place a web-based software- Textile Statistical Returns System (TSRS) from October 2017. The login page of TSRS is available at <http://txcindia-stats.gov.in> . The User's Guide, designed to familiarize users with the process of registration and submission of returns on TSRS, is also available on the login page. TSRS allows textile units to readily access the data submitted by them for future reference/requirement. It is meant to create a digital repository of vital statistics which would provide crucial inputs into policy making and help designing policies and interventions which are best suited to the changing needs of the Textile Industry. As per the directives of this Office, it is mandatory for all units falling under the purview of the Notification to file returns online without fail. However, it is

observed that many units, though in existence, have not even registered themselves on TSRS for submission of statistical returns thereon.

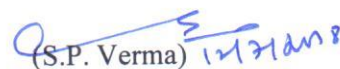

3. Further, it is to mention that despite rigorous follow up with the units by this Office and the Regional Offices, the compliance has remained low. The pace of registration on TSRS makes it evident that the units are not fully aware of the implication/provisions of the Notification and the penal action applicable as per para 11 (Offences and Penalties) of the Collection of Statistics Act (2008) in case of non compliance.

4. In view of the above, you are hereby requested to sensitise all units enlisted with your Council regarding their statutory obligation to submit Statistical Returns under Collection of Statistics Act (2008). The member units may be facilitated by your Council and provided requisite guidance to register on TSRS. Any complaints or grievances related to the process of online submission may be mailed to txctsrs@gmail.com which is a dedicated e-mail ID created for streamlining technical issues, if any, faced by the units and prompt resolution of the same

5. To keep track of compliance you are requested to mail the list of members of your Council to our official email to esbtxc-mum@nic.in. The list may be provided in Excel format. It should contain the name, address of the unit, phone/mobile no. and email ID of the contact person. Manufacturing activity as per NIC code/segments listed in the **Annexure** may also be mentioned if possible.

6. This Office expects full cooperation of your organisation to mobilise all resources available with you to ensure immediate compliance to the directives of the TxC issued vide said Notification dated 26-04-2017. Further, it is assured that the data submitted by the units will be used purely for statistical purpose in framing policy measures for growth and development of the Textile & Clothing industry and confidentiality of the unit level data will be strictly maintained.

Yours faithfully,

(S.P. Verma)

Joint Textile Commissioner

Encl: 1) Gazette Notification No.S.O.1529(E)/1/CSR/SO.3534(E), dated 26-4-2017

2) Annexure containing relevant NIC codes/segments

MINISTRY OF TEXTILES
OFFICE OF THE TEXTILE COMMISSIONER
MUMBAI
26th April, 2017
NOTIFICATION

1/CSR/SO.3534(E) – In exercise of the powers conferred by section 3 and section 4 of the Collection of Statistics Act, 2008 (7 of 2009) read with rules 5 and 7 of the Collection of Statistics Rules, 2011, Ministry of Textiles vide notification S.O.3534(E) dated 24th November, 2016, whereby the Textile Commissioner has been designated as the Statistics Officer for the purpose of collecting all the related statistics from the manufacturers and traders of textile items, I, hereby direct all the manufacturers and traders of textile items including natural, manmade and synthetic fibres, spun yarn, filament yarn, cotton textiles, woollen textiles, silk, technical textiles, cloth(knitted and woven), made-ups, garments (knitted and woven), hand and power operated textile processing units, textile machinery manufacturing units including units manufacturing spare parts, ginning factories, cotton pressing factories and cotton ginning and pressing factories to submit data relating to textile sector (excluding Handloom, Khadi and Jute) as per the details mentioned in Schedule- I & II.
