

OFFICE MEMORANDUM

Subject:- Inter-Ministerial Synergy Group on Man-Made Fibre (MMF) .

The Conference on the Potential for growth of Man Made Fibre (MMF) in India, held on 2nd July, 2017 as part of the "*Textiles India 2017*", recommended an Inter-Ministerial Synergy Group to look into the possible policy interventions to enhance the growth and competitiveness of MMF industry in India. The Inter-Ministerial Synergy Group is hereby constituted as below:

- Secretary (T)- Chairman
- Joint Secretary (MMF) – Ministry of Textiles - Convener
- Joint Secretary– Ministry of Chemicals and Petro-Chemicals
- Joint Secretary, Department of Heavy Industries
- DG, Association of Synthetic Fibre Industry (ASFI)
- Chairman SRTEPC
- ED SRTEPC- Member
- Chairman, Indian Technical Textiles Association

3. The Synergy Group will oversee the following aspects relating to MMF:

- Carry out detailed assessment of domestic requirements of MMF by 2022 and necessary Policy, skill sets and technology to meet the requirements
- Develop quality standards for different types of MMF fiber
- Examine global competitiveness of India in MMF and policy approach to address the gaps
- Any other issue raised by the MMF industry

(G.K. Rajnish)
