ABOUT WEAVES

WEAVES is the **South India's Premier Textile Fair**, which is to facilitate the partnership between Indian and International buyers with manufacturers and traders of this region. **WEAVES** acts as a gateway to the textile industry for the weavers and an opportunity to showcase, connect, and collaborate, where innumerable textile talents can showcase their expertise and market their products to customers from all over the globe.

WEAVES is being held in partnership with **Confederation of Indian Industry (CII)**, at **TEXVALLEY** - largest wholesale textile market in the heart of South India, Erode, Tamil Nadu. Erode is the heart of this region's textile clusters surrounded by a huge number of textile manufacturing industries located in Salem, Coimbatore, Tiruppur, Karur, Namakkal, Palladam and Pallipalayam.

WEAVES is hosted with State of the art amenities at **TEXVALLEY**, a location easily accessible and well connected with the entire nation by air, road and rail, with professional assistance for travel and accommodation.

WEAVES will be held from 5th to 8th December, 2018.

ABOUT TEXVALLEY

Texvalley is an Integrated textile market, first of its kind in South India. It is an initiative by the Government of India with the support of the Government of Tamil Nadu to help weavers in this cluster elevate to the next level.

Texvalley represents the southern states textile activities, which has grown in terms of value, volume and variety over the decades. Texvalley houses Domestic Textile Zone and Export Zone, with a complete eco-system of business ethics, compliance and certifications. Thus, Texvalley becomes a single point of textile sourcing for domestic and global market.

ABOUT CII

The Confederation of Indian Industry (CII) works to create and sustain an environment conducive to the development of India, partnering industry, Government, and civil society, through advisory and consultative processes.

CII is a non-government, not-for-profit, industry-led and industry-managed organization, playing a proactive role in India's development process. Founded in 1895, India's premier business association has around 9000 members, from the private as well as public sectors, including SMEs and MNCs, and an indirect membership of over 300,000 enterprises from around 265 national and regional sectoral industry bodies.

CII charts change by working closely with Government on policy issues, interfacing with thought leaders, and enhancing efficiency, competitiveness and business opportunities for industry through a range of specialized services and strategic global linkages. It also provides a platform for consensus-building and networking on key issues.

Extending its agenda beyond business, CII assists industry to identify and execute corporate citizenship programmes. Partnerships with civil society organizations carry forward corporate initiatives for integrated and inclusive development across diverse domains including affirmative action, education, livelihood, diversity management, skill development, empowerment of women, and water, to name a few. As a developmental institution working towards India's overall growth with a special focus on India@75 in 2022, the CII theme for 2018-19, India RISE : Responsible - Inclusive - Sustainable - Entrepreneurial emphasizes Industry's role in partnering Government to accelerate India's growth and development. The focus will be on key enablers such as job creation; skill development; financing growth; promoting next gen manufacturing; sustainability; corporate social responsibility and governance and transparency.

With 65 offices, including 9 Centres of Excellence, in India, and 10 overseas offices in Australia, China, Egypt, France, Germany, Singapore, South Africa, UAE, UK, and USA, as well as institutional partnerships with 355 counterpart organizations in 126 countries. CII serves as a reference point for Indian industry and the international business community.
