

Minutes of the 13th Meeting of the Technical Advisory-cum-Monitoring Committee (TAMC) under A-TUFS held on 23.02.2019 at 03.00 P.M in the Office of the Textile Commissioner, Mumbai.

The 13th meeting of the TAMC under Amended Technology Upgradation Fund Scheme (ATUFS) was held under the Chairmanship of Shri Sanjay Sharan, Textile Commissioner on 23.02.2019 at 03.00 P.M in the Conference Hall of the Office of the Textile Commissioner, Mumbai. The list of participants is enclosed as **Annex – 1**.

At the outset, the Textile Commissioner welcomed all the participants. Thereafter, agenda points were taken up for discussion.

Agenda No. 1 : Confirmation of the minutes of the 12th meeting of TAMC held on 22.11.2018

Minutes of the 12th meeting of TAMC were forwarded to all members on 18.12.2018 from TxC office. As, no comments/suggestions are received from the members of TAMC, **the minutes are taken as confirmed.**

Agenda No. 2: Review of Progress of TUFS

The committee reviewed the progress of TUFS.

Agenda No. 3 : Clarification on UIDs obtained under Energy saving category.

In the 3rd meeting of TAMC held on 30.03.2016 it was decided that “In case, the unit has obtained UID under Energy saving preference and it is found proper by the JIT that the energy saving criteria as defined are not met then the UID issued would be liable for cancellation. In such circumstances, the unit may however apply for a new UID afresh. With this effect Circular no:1 (2015-16 series), dated 01.04.2016 has been issued.

In some cases during JIT it is observed that the unit has wrongly/inadvertently selected machineries from energy saving category and got the UID under Energy saving preference. In such cases as per the above Circular if we cancel the UID then the unit can not apply for new UID afresh since the time line of 6 months from the date of sanction of term loan is over. At the same time the machines are eligible under ATUFS without energy saving preference. Energy saving machine get only preferential treatment while issuing the UID.

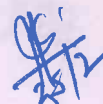

It is also informed that there no additional financial implication. If the machine is an energy saving machine the unit only gets priority in UID. However no additional subsidy is given for energy saving machines.

Decision by TAMC:

The Committee deliberated and decided such units can be considered for release of subsidy without cancelling the UID and asking them to re-apply since under ATUFS there are enough funds available .

Agenda No. 4 : Condonation of timeline in UID and JIT

This office is in receipts of request from many units for condonation of delay who failed to comply with the timeline of ATUFS for resubmitting the applications for UIDs after it had been returned by the office of the Textile Commissioner in online i-ATUFS software.

Similarly many units could not comply the timeline of applying for JIT through I-TUFS software.

On checking from online data it is observed that there are 1595 such cases. The bifurcation is as under:

The Units who could not re-submit the UID application within Two months: 335

Banks could not submit the application within 4 months : 455

JIT could not be applied in time: 804

Decision by TAMC:

The Committee deliberated and recommended for condonation of delay of the above cases to IMSC.

Agenda No. 5 : Editing option in Loan sanction date, loan sanction amount for converted cases of RRTUFS to ATUFS

As per decision taken by IMSC in its second meeting dated 23.03.2018 all pending RR-TUFS cases has been converted to ATUFS for UIDs as per guideline under ATUFS. During scrutiny of the application it has been observed that there are issues like mismatch of term loan sanction communication date with the Sanction communication letter by lending agencies & Sanctioned loan amount in the application.

Since above details are critical which determines the eligibility of the unit under ATUFS scheme, the editing option in application by the Unit and/or Lending agency level for the converted cases from RRTUFS to ATUFS have not been provided. This decision of not providing the editing option was taken at the level of the Textile Commissioner as this was an operational issue.

However it has been observed that there are some genuine cases wherein the wrong loan sanction date has been fed in the online system inadvertently. In such cases, a letter from lending agency at the level of Executive Director may be obtained along with justifications for wrong entry of loan sanction date and loan sanction amount and thereafter necessary correction may be made at TxC level in the online system, if required for considering issuance of UID. If the lending agency resubmit the application without providing aforesaid documents more than twice the case may be blocked in online to avoid unnecessary resubmission by the lending agency and to avoid the rework .

Decision by TAMC:

TAMC deliberated and decided to allow editing option in Loan sanction date, loan sanction amount for converted cases of RRTUFS to ATUFS with a letter from lending agency at the level of Executive Director along with justifications for wrong entry of loan sanction date and loan sanction amount and thereafter necessary correction may be made at TxC level in the online system for considering issuance of UID. If the lending agency resubmit the application without providing aforesaid documents more than twice the case may be blocked in online to avoid unnecessary resubmission by the lending agency and to avoid the rework .

Handwritten signature and date: 23/11/19

Agenda No. 6 : Clarification regarding issuance of UID for Foreign Bank Loan” :

The unit has availed Loan by way of “External Commercial Borrowings (ECW)”. As per A-TUFs guideline point 5.1.5, foreign currency loan availed of from overseas branch of the Indian Bank/ foreign bank having Indian branch will be eligible for benefits under this scheme. However, the loan account should be operational from the Indian branch also so as to make it possible to transfer the subsidy amount in Indian Rupee into the loan account of the applicant in the Indian branch. The Unit has executed an “Unattested Memorandum of Hypothecation” with a nominee of an “Indian Firm” as security agent for Standard Chartered Bank (Mauritius) Ltd.

There is no proper term loan sanctioned letter and whether execution of memorandum with nominee of a Bank and ECB is allowed under ATUFS to be decided.

Decision by TAMC:

The Committee deliberated and decided that as per Guidelines, Term loan is must to avail benefit under ATUFS and as such this case can not be considered.

Agenda No. 7 : Consideration of cases received for JIT extension through online i-ATUFS portal:

As per circular No.02 (2018-19 series) dated 26.04.2018, receipt of request for JIT extension was made available online through i-ATUFS portal from 01.05.2018. The extension of time for submission of JIT request beyond one year was provided subject to submission of documentary proof of the order placed for machinery. Accordingly, units have started submitting their JIT extension request through online i-ATUFS portal on and from 01.05.2018.

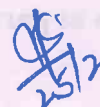

In many cases it is observed that the unit have submitted requisite documents on last day through online. As per procedure we take the printout from online and processed for the approval of TxC. Since the requests were received last day, extensions in these cases have not been provided, since the system got locked.

Decision by TAMC:

TAMC deliberated and decided to consider the returning of the cases to unit where the supporting documents have not been uploaded. Further the Committee has recommended for condonation of delay of 15 nos of such cases where two years from the date of term loan have been completed to IMSC.

Agenda No. 8 : Clarification of Circular No 09 (2016-17 series) dated 27.03.2017 for Submission of MoU

Circular No 09 (2016-17 series) had been issued on 27/03/2017 for submission of MoU by the dealer/Subsidiaries or authorized agents for inclusion under ATUFS. In this regard it is submitted that subsidiary of a company cannot be an agent of a company.

Hence it is suggested that in case of subsidiary, the Parent unit has to provide a certificate issued by a appropriate Government authority therein mentioning the details of subsidiary company and commission charged by subsidiary, if any. As such subsidiary may not require to submit other documents. However they have to submit documental evidence from appropriate Government authority of their country. Further the Parent unit of subsidiary has to submit all the documents as specified by TAMC.

Decision by TAMC:

The agenda is deferred to the next meeting.

Agenda No. 9 : Condonation of JIT reports submitted by ROTXC after prescribed time limit due to software issues under ATUFS.

There are 63 ATUFS cases for which online JIT reports have been submitted after prescribed time limit by ROTXC due to i-TUFS software issues. The same has been taken up with the vendor M/s Silvertouch Technologies Pvt. Ltd, since as per ATUFS guidelines the software should not allow after 88 days for JIT inspection and after 90 days for the submission of online JIT reports. In this regard Silvertouch informed that due to problems in software it happened and they have also rectified the same.

Decision by TAMC:

TAMC deliberated and recommended for condonation of delay of 63 cases to IMSC.

Agenda No. 10 Clarification on Rate of Capital Investment Subsidy (CIS) for Made-ups

At para 2.5 of guidelines of ATUFS dated 29.02.2016 Garments/**Made-Up Manufacturing** is covered under ATUFS. Further at Para 2 (Definitions under the scheme) in 2.3 Garment/Apparel/Made-ups would mean wearable or non-wearable stitched fabrics of which atleast two sides of the fabrics are stitched using sewing machinery.

However at Para 4.4 (Norms for eligible subsidy) Made up is not mentioned either at 15% CIS or 10% CIS.

In this regard it is pertinent to mention that in the MOT Resolution No. 6/18/2016-TUFS dated 10.01.2017 regarding additional incentive of 10% to made-up segment, at para 1 (Objective) it is mentioned as given below:

To boost employment generation and exports in the **made-ups sector**, the Government would provide an additional 10% Capital Investment Subsidy (CIS) for **made-ups units who have availed 15% CIS benefit under ATUFS** based on the achievement of projected production and employment after a period of 3 years. The period of 3 years will be counted from the date of release of ATUFS subsidy to the unit.

Since at para 4.4, Made-up is not mentioned either at 15% CIS or 10% CIS, it was decided to have clarity on the amount of subsidy to be given to made up sector.

Decision by TAMC:

TAMC has recommended to IMSC for inclusion of made-up under 15 % CIS in the guidelines at para 4.4 of existing guidelines (para 4.1 in the revised guidelines).

 28/1/19

Agenda No. 11 Consideration on recommendations of Technical Committee meeting dated 22.11.2018 , 31.12.2018.

(a) Consideration and suggestion regarding incorporation certificates of the units not covered under Non-MSME units /Private Limited units for Enlistment of Machinery Manufacturers under ATUFS.

As per circular no.6 (2018-2019 series) dated 31.08.2018 issued on the basis of 10th & 11th meeting held on 04.05.2018 & 16.05.2018, the unit has to submit a document showing incorporation of the unit evidence by a Certificate of Incorporation, etc. However, it has been observed that some of the units, **which are mostly MSME Units** are submitting the following kind of documents in place of Certificate of Incorporation:

1. GST Registration Certificate
2. Acknowledgement from DIC/
3. Udyog Aadhar

Technical Committee deliberated on the above matter and suggested that any of above documents may also be accepted in place of certificate of Incorporation. Subsequently while the minutes were put up to Textile Commissioner, it was decided that GST Registration Certificate is also provided to service providers and it may not be a valid document to be accepted in place of Certificate of Incorporation.

TAMC has ratified the same.

(b) Approval of Technical Committee for enlistment of Machinery Manufacturers under ATUFS as per Para no. of 3.4 of Revised Resolution of ATUFS dated 02.08.2018.

Technical Committee after due deliberation and after examination of the list, recommended 124 units to TAMC for approval. The list of units was also placed in the website for comments as per guidelines. However no comments have been received.

TAMC has approved the list of 124 machinery manufacturers / agents as per list at Annex III of the Agenda. The approved list is at Annexure – II.

(c) Enlistment of Machine Manufacturer under ATUFS- M/S Dilo Machines GmbH, Germany and its authorized agent

M/S Dilo Machines GmbH, Germany has submitted the required documents for enlistment as machinery manufacturer under ATUFS. As per the Embassy certificate submitted by the unit it is observed that in **the business license it is mentioned as Trader & Supplier which should be Textile machinery manufacturer.**

Technical committee deliberated on the above matter and suggested that the M/S Dilo Machines GmbH, Germany is renowned manufacturer of Non-woven machinery since last 50 years and unit should be enlisted keeping in view the past precedence followed by the Expert Committee wherein it was decided the renowned units may be enlisted even if some requirements are deficient in order to influx the latest technology in the country

TAMC has not considered the case and informed that the machinery manufacturer has to provide the Embassy certificate properly mentioning that DILO is Textile machinery manufacturer.

(d) Invoicing procedure and currency in respect of M/S Benninger AG, Switzerland

M/S Benninger AG, Switzerland and their group companies (M/S Benninger Zell GmbH, Germany and M/S Kusters Textile GmbH, Germany) requesting this office the followings:-

1. Total invoicing shall be done by M/S Benninger AG, Switzerland with a currency CHF (Switzerland's currency)/Euro for the machines manufactured by M/S Benninger Zell GmbH, Germany and M/S Kusters Textile GmbH, Germany
2. Certificate of origin indicating origin country to be mentioned as Germany even though it is invoiced by M/S Benninger AG, Switzerland

This agenda was deferred to the next meeting of TAMC.

(e) Inclusion of Doubling & twisting machine for industrial Yarn

M/S SRF Limited, Haryana have submitted the request for inclusion of Doubling & twisting machine for industrial Yarn on 03.07.2018. The above machine was in Annexure-MC-6 (RR-TUFS). The unit have submitted the technical literature of M/S Saurer. The committee examined the Technical Literature submitted by the unit and after deliberation observed that this is a very important machine for Technical Textile sector however in order to prevent misutilization by other sectors the nomenclature and specification of the machinery should be such that only Technical Textile units can take benefit of this machine. The Executive Director, ITTA suggested the following nomenclature and specification of the machine:

Name: Cabel Corder for Tyre Cords

TAMC decided to include the above machinery under ATUFS in the Annexure MC-3 [Technical Textiles 15% CIS] (B) Weaving preparatory .

(f) Enlistment of Accessories/attachments/sample machines/spares received along with the machinery or procured from other manufacturers enlisted in the indicative list up to value of 20% of the basic cost of the machine.

As per the revised GR and ATUFS issued on 02.08.2018, the accessories and spare parts manufacturers are also required to be enlisted. Technical Committee deliberated on the matter and observed that there are a large number of spare part/accessories/ attachments manufacturers in India and also abroad. The enlistment of same by following the existing procedure of enlistment is a very cumbersome and time consuming process and this will create a bottleneck in processing the JIT claims which is already getting delayed. The Technical Committee therefore decided that following procedure may be followed for enlistment manufacturers of accessories/attachments/sample machines/spares:

1. For Indigenous manufacturers it was decided that a duly vetted list of such manufacturers may be called from Textile Machinery Manufacturers Association and ITAMMA. The list may be placed on the website of the Office of the Textile Commissioner for comments/feedback. The list may subsequently placed before the Technical Committee and for examining and recommending it to TAMC for approval.
2. For International Manufacturers the individual units may approach the respective Recognized Chamber/Recognized Machinery Manufacturers Association of that country and obtain a certificate that the unit is a reputed manufacturer of accessories/spares, etc. The list of such units may be placed on the website and subsequently examined by the Technical Committee and recommended to TAMC for enlistment.

Handwritten signature and date: 25/2/19

TAMC suggested that clarification may be taken from MoT regarding requirement of enlistment of manufacturer for accessories.

(g) Document required for enlistment of Authorized agent.

Technical Committee deliberated on the matter that there is no need to enlist Authorized Agents of spares.

TAMC suggested that clarification may be taken from MoT regarding requirement of enlistment of agents for accessories.

(h) Addition of former name of M/S SAURER TECHNOLOGIES GMBH AND CO., KG, TWISTING SOLUTIONS, GERMANY

as

M/S SAURER TECHNOLOGIES GMBH AND CO., KG, TWISTING SOLUTIONS, GERMANY

(Formerly known as M/S Allma Volkmann Zweigniederlassung der Saurer Germany GmbH & Co. KG)

TAMC deliberated and decided that the machinery manufacturer has to provide proper name change certificate from appropriate authority competent to issue such certificates in Germany.

(i) Issue related to Karl Mayer Group of companies. (Total six units)

TAMC deferred the issue to the next meeting.

(j) Change of name in respect of M/S Marubeni Tekmatex Corporation, Japan authorized agent of M/S Toyota Industries Corporation, Japan

The unit M/S Marubeni Tekmatex Corporation, Japan authorized agent of M/S Toyota Industries Corporation, Japan has been enlisted at sl no.1(Abroad authorized agent) in Annexure-IV and sl no.94 &95 of Annexure-III as authorized agent of M/S Todo Seisakusho Ltd & M/S Hisaka Works Ltd, Japan respectively. The unit has submitted the request for change of name with self declaration .The name of the unit as under

From M/S Marubeni Tekmatex Corporation, Japan

To M/S Marubeni Techno-Systems Corporation, Japan

(Formerly known as M/S Marubeni Tekmatex Corporation, Japan)

TAMC has approved the change of name as per the request of the machinery manufacturer.

Handwritten signature and date: 25/10/22

- (k) **Enlistment of M/S VI. BE.MAC, SPA, Italy and its authorized agent M/S Turel Sales Corporation.**

M/S VI. BE.MAC,SPA,Italy has been enlisted at sl no. of Annexure-I valid up to 21.05.2018.Unit has been asked to submit the documents in terms of circular no.3 dated 22.05.2017.The wording of the undertaking submitted by the unit is slightly different from the standard format.

TAMC has deliberated and decided that, the machinery manufacturer has to provide clarification on the above for consideration.

- (l) **Enlistment of M/S J.Zimmer Maschinenbau GmbH, Kalagenfurt, Austria and its second unit at Kufsten, Austria**

This case deferred to the next meeting of TAMC.

- (m) **Enlistment of M/S Jupiter Comtex Pvt Ltd, Ahmedabad and its unit-II .**

M/S Jupiter Comtex Pvt Ltd, Ahmadabad has been enlisted at sl no. 30 of Annexure-IV. The unit has requested to enlist their unit-II as they have sold the machines in the name of unit-II .The JIT could not be conducted as the unit-II is not appearing in the i-tufs software. The GST & PAN for both the units are same.

TAMC has deliberated and decided that, the clarification from authorities of GST and Income Tax department has to be called for consideration

- (n) **Enlistment of Machine Manufacturer under ATUFS- M/S Dilo Machines GmbH, Germany and M/S Dilo Systems GmbH, Germany**

In the first meeting of Technical meeting held on 20.11.2018, the Committee recommended for enlistment of M/S Dilo Machines GmbH, Germany and its authorized agent M/S Dilo Systems GmbH, Germany.

Thereafter the unit submitted the information that M/S Dilo Machines GmbH, Germany and M/S Dilo Systems GmbH, Germany are both manufacturers and the two units are in one group but submitted separate applications for enlistment.

The decision is taken at Agenda No. 11 (c) above.

- (o) **Change of name from. M/S KAULIN MACHINERY & ELECTRONIC INDUSTRIAL (NING BO) CO LTD, TAIWAN (enlisted at sl no.204-abroad-Annexure-III)**

To M/S Kaulin Mfg. Co., Ltd. Taiwan

Accordingly sl no.174 (Annexure-III-Indigenous) may also be changed from

**M/S MEHALA MACHINES INDIA LTD, TIRUPUR
(Authorized agent of M/S KAULIN MACHINERY & ELECTRONIC INDUSTRIAL (NING BO) CO LTD, TAIWAN**

To

M/S MEHALA MACHINES INDIA LTD, TIRUPUR (Authorized agent of M/S Kaulin Mfg. Co., Ltd. Taiwan)

Handwritten signature and date: 16/2/19

TAMC has approved the case for the change of name of the parent machine manufacturer and its authorized agent as required documents have been provided.

(p) Enlistment of M/S Monforts Fong's Textile Machinery(Zhongshan) Co Ltd, China and delisting of M/S Monforts Fong's Textile Machinery (Macau) Co Ltd,Macau.

M/S Monforts Fong's Textile Machinery (Macau) Co Ltd, Macau is enlisted at sl no.60(imported) of Annexure-III.

As per embassy certificate at page no.25 of file no.M-70 M/S Monforts Fong's Textile Machinery(Zhongshan) Co Ltd, China is manufacturer and M/S Monforts Fong's Textile Machinery (Macau) Co Ltd, Macau commits to sale the machine manufactured by M/S Monforts Fong's Textile Machinery(Zhongshan) Co Ltd, China

In view of the above M/S Monforts Fong's Textile Machinery (Macau) Co Ltd, Macau may be delisted with its authorized agent and M/S Monforts Fong's Textile Machinery (Zhongshan) Co Ltd, China may be recommended for enlistment.

Technical Committee has recommended enlisting of M/S Montfort's Fong's Textile Machinery (Zhongshan) Co Ltd, China as machinery manufacturer and clarification may be sought from M/S Monforts Fong's Textile Machinery (Macau) Co Ltd, Macau after delisting from the existing list

TAMC deliberated and decided that, NOC from M/S Monforts Fong's Textile Machinery (Macau) Co Ltd, Macau has to be obtained for delisting them before enlisting of M/S Montfort's Fong's Textile Machinery (Zhongshan) Co Ltd, China as machinery manufacturer

(q) Clarification of eligibility of Label Weaving Machine (Which has been procured from a manufacture who procured from other manufacturer)

Some units have purchased Label Weaving Machine under ATUFS (which has been procured from a manufacturer who procured basic loom from other manufacturer). In this regard, the machinery manufacturer i.e. Label Weaving Machine manufacturer informed that they are purchasing Brand new loom and Jacquard from other manufacturers, then assembling and modifying the machine to make the machine suitable for woven label production. In such machines there are three nameplates i.e. for the Basic Loom, Jacquard and another one for label making parts. It is pertinent to mention that as per guidelines of ATUFS dated 29.02.2016, make, year of manufacture, name of the manufacturer and serial number of all the eligible benchmarked machinery are clearly indicated on the machine and as per Revised Resolution of ATUFS dated 02.08.2018, Model number and serial number of machinery shall be clearly indicated on the machine.

TAMC decided that looking to the existing guidelines of ATUFS the above machine cannot be permitted. However, if woven level manufacturing attachment is required to be provided on standalone basis, it may be considered separately by TAMC on receipt of request from industry / machine manufacturer.

(r) In the 12th TAMC, it was decided that list of 143 machine manufacturers enlisted by Expert Committee may be reviewed by the Technical Committee.

Technical Committee discussed this issue and observed that the above list was finalized by an expert Committee which was headed by the then Textile Commissioner and had representations

from industry and NBCBC. The Committee decided that a decision taken by a higher body cannot be reviewed by a lower body and accordingly no comments on the list were offered by the Technical Committee

TAMC has decided that all the 143 machinery manufacturers have to provide documents as specified by Technical Committee / TAMC. With this effect a Circular will be issued. The 143 machinery manufacturers has to submit the documents within 6 months from the date of Circular to be issued

- (s) Enlistment of Machinery Manufacturers as per revised guidelines i.e. unit can apply for JIT even its machinery manufacturer is not enlisted. The manufacturer may be enlisted within 45 days after conducting of JIT by concern Regional Offices of Textile Commissioner**

As per revised guidelines unit can apply for JIT even its machinery manufacturer is not enlisted. The unit may be enlisted within 45 days after conducting of JIT by concern Regional Offices of Textile Commissioner. The detail list of such units along with the name of manufacturers (segment wise) which are yet to be enlisted has been placed under Annexure-III.

In such case, R.O. has to initially scrutinize the JIT application within 7 (seven) days of its submission and if found that the machine manufacturer is (are) not enlisted at present, then the R.O. should immediately direct the unit concerned under intimation to OTxC for taking up the matter with concerned machinery manufacturer for submission of documents as per circular no.6 (2018-19 series) dated 31.08.2018 for consideration of enlistment of the machinery manufacturer by TUFS cell at Office of the Textile Commissioner, Mumbai

The Committee has suggested that the documents required for enlistment of machinery manufacturer as per standard enlistment procedure has to be pursued by the JIT members lead by the representative of Regional Office at the time of JIT with the beneficiary unit for submission of documents to TUFS cell, Office of the Textile Commissioner, Mumbai, where documents will be scrutinizing as per guideline and circulars and will be placed before Technical Committee for recommendation.

TAMC has agreed to the above suggestion of Technical Committee.

- (t) Delisting of Eastman CRA along with its all Authorized Agents:**

Eastman CRA, the machinery manufacturer has not submitted the required documents as per Circular No 03(2017-2018 Series) dated 22.05.2017.

TAMC approved for delisting the manufacturer name from the Indicative list of Machinery Manufacturer under ATUFS along with its all authorized agents

- (u) Reaffirmation of documents for enlistment of machineries**

The Committee was briefed that earlier a number of documents were called from the machinery manufacturers before enlisting them. This was enabled through various circulars issued by the Textile Commissioner from time to time. The documents which were being asked are as under:

Indigenous machine manufacturers	Abroad Machinery Manufacturers
1. Incorporation certificate/ Acknowledgement from DIC/ Aadhar Udyog	1. Certificate from the Embassy or Trade Council of the respective Country either situated in their Country or in India, stating that they are Textile

	Machinery manufacturer in the respective country
2.Undertaking in original as per format	2.Undertaking in original as per format
3.Valid I.S.O. certificate /CE self declaration as applicable for European/Japan/USA	3.Valid I.S.O. certificate /CE self declaration as applicable for European/Japan/USA
4.Sales details	4.Sales details

For authorized agent the copy of the only MoU, executed between parent machinery manufacturer and their authorized agents, may be considered

The Committee further informed that after issue of the revised guidelines on 02.08.2018 unit can apply for the JIT even if the machinery manufacturer is not enlisted. However, eligibility of the machinery manufacturer has to be checked for its enlistment or rejection and the complete process along with the approval of TAMC should get completed within 45 days.

Under such conditions the Committee may deliberate and decide/review the standard documents required for enlistment of Indigenous / Abroad machine manufacturers.

The Committee deliberated and decided that there should be some basic criterion for enlistment of machinery manufacturers and Committee unanimously agreed that the documents which have been prescribed by the Office of the Textile Commissioner through its various circulars shall continue to be asked from the machinery manufacturers for the enlistment. Accordingly, Committee decided that above documents mentioned in the table may be asked for enlistment of machinery manufacturer.

TAMC has reaffirmed the above documents for enlistment as proposed by the Technical Committee.

(v) Enlistment of M/S C.A.Litzler Co. INC,Ohio,USA

M/S C.A. Litzler Co. INC, Ohio, USA submitted application for enlistment as machinery manufacturer under ATUFS to this office enclosing all the required documents except Embassy certificate/ Consulate General certificate. The unit has approached to the Hon'ble Minister, Ministry of External Affairs, Hon'ble Minister, Ministry of Textiles & Hon'ble Prime Minister with a request to consider accepting alternate document with Apostils from the Secretary, State of Ohio, USA. The members of the committee informed that the embassy of USA is issuing the certificate and this office has been received the certificate from the Consulate General of USA in India, B K Complex, Mumbai.

TAMC has decided that the machinery manufacturer has to provide the Embassy Certificate that the unit is manufacturing Textile Machinery.

(w) Enlistment of M/S Akb Textile Engineers, Surat

M/S Akb Textile Engineers, Surat submitted application for enlistment as machinery manufacturer under ATUFS to this office enclosing all the required documents. The acknowledgement received from the D.I.C. concerned certifying that the unit is manufacturing Textile machine parts but other documents like ISO confirms manufacturing of Textile Machines.

TAMC has not approved for enlistment of the machinery manufacturer as per DIC certificate.

(x) Enlistment of M/S Karl Menzel Maschinenfabrik GmbH & Co., Germany

M/S Karl Menzel Maschinenfabrik GmbH & Co., Germany has submitted application for enlistment of their unit under ATUFS and submitted the required documents for enlistment under ATUFS. It is observed from the documents submitted by the unit that the unit has been certified as Mechanical Engineering by the Consulate General of India, Frankfurt.

Handwritten signature and date: 25/2

Sri Sachin Kumar, Secretary, & Sri S. Chakraborty of Textile Machine Manufacturers Association of India opined that the unit has been established since 1955 as Mechanical Engineering. The unit is also a member of **VDMA (Verband Deutscher Maschinenbau- und Anlagenbau)**, Germany and manufacturing Textile Machines and this office also recognize VDMA, Germany in respect to Manufacturer of Textile Machinery Manufacturer. The unit is a renounced Textile Processing Machine Manufacturer.

TAMC has decided that the machinery manufacturer has to provide proper Embassy Certificate that unit is manufacturing Textile Machinery.

(y) Clarification of eligibility of film calendaring machine etc (Machines purchased from different vendors as part and assembled at site.

A Unit has purchased a Film calendaring Machine in two section of the one machine from two vendors i.e , one from Imported and another from Indigenous machine manufacturer. These machines have separate Invoice and there may be separate nameplates. It is pertinent to mention that as per guidelines of ATUFS, machine serial number should be expressly written on Commercial Invoice and Invoice date is referred as Purchase date. Further, as per guidelines of ATUFS dated 29.02.2016, make, year of manufacture' name of the manufacturer and serial number of all the eligible benchmarked machinery are clearly indicated on the machine and as per Revised Resolution of ATUFS dated 02.08.2018 Model number and serial number of machinery shall be clearly indicated on the machine. The detail information has been received from the respective Regional Office ad is as under:-

i. One component purchased from M/S Bombi Meccanica Srl,Italia (Abroad)

Sl no.	Name of the components/Parts	Year of Make
1	Metal Detector	2016
2	Seam Detector	2016
3	2700mm Wide Calander Machine	2016
4	Oil heating wit 150kw	2016
5	03 Special Oil Valves +03 Driving Instrument + Temperature control system	2016

ii. Other component purchased from M/S Yamuna Machines Works Ltd, Vapi (Indigenous)

Sl no.	Name of the components/Parts	Year of Make
1	Surface Unwinder unit	2016
2	Accumulator, capacity of 30meters	2016
3	Cooling Cylinder	2016
4	Cooling Tower	2016
5	Edge Trimming Cutter	2016
6	Cross Cutting Assembly	2016
7	Surface Winder Unit	2016

TAMC decided to refer the above case to IMSC since it requires clarification in Guidelines.

Agenda No. 12 Enlistment of machinery manufacturer under ATUFS

At present, as per para 3.4 of revised guidelines under ATUFS dated 02.08.2018, the TAMC will recommend an indicative list of manufacturers of machineries conforming to the specifications as per recommendation of Technical Committee. The indicative list will be kept on the website for access by general public and offering comments/suggestion which

will be finally approve by the TAMC. This Committee will meet on monthly basis to update the list of such machineries and manufacturers.

Accordingly Technical Committee comprising of members from the OTxC, ITTA, TMMA (I), SASMIRA and CITI has been formed to recommend and enlist the eligible machinery manufacturers as per above guidelines under ATUFS.

This above process of enlistment of machinery manufacturers is time consuming due to several levels such as recommendation of Technical Committee, placing in website for comments, approval by TAMC. This delays the enlistment of machinery manufacturer under ATUFS.

In the earlier Resolution under ATUFS dated 29th February 2016, the process of enlistment of machinery manufacturer is on the basis of the submission of requisites document by the individual machine manufacturers which are duly scrutinized by the Office of the Textile commissioner and approved by the TAMC. TAMC had authorized Textile Commissioner to approve the request of eligible machinery manufacturer on observing the requisite documents as specified by TAMC which will then be ratified by TAMC in its forthcoming meeting.

In view of the above, to ease of the process it is suggested to restore the earlier process of enlistment of machinery manufacturers under ATUFS.

Decision by TAMC:

TAMC deliberated and recommended the restoration of earlier process of enlistment of machinery manufacturers under ATUFS to IMSC

Agenda No. 13 Consideration of delay submission of UID applications by RO-TxC for converted cases of RRTUFS to ATUFS

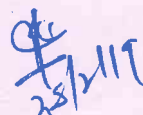

As per 2nd IMSC, pending RR-TUFS cases were allowed to apply under ATUFS as per eligibility under the scheme. As per guideline of RR TUFS, application for UID should be submitted to Office of the Textile Commissioner, Mumbai through online within one year from the date of sanction of term loan. In RR-TUFS, UID applications for MMS are routed from unit through lending agency and concerned RO-TxC to OTXC. In four cases, UID applications were submitted by the lending agency within one year from term loan sanction to concerned RO-TxC for onward submission to OTXC for UID. However all the four applications have been submitted to Ro-TXC just 2 days before the prescribed time limit. Hence concerned RO-TxC are unable to forward the UID application within one year from term loan sanction to OTXC through online.

The delay submission of these 04 UID applications may be recommended to IMSC for condonation of delay.

Decision by TAMC:

TAMC deliberated and recommended for condonation of delay of 4 cases to IMSC.

Meeting then ended with vote of thanks to the Chair

Handwritten signature and date: 25/2/17

List of Participants of the 13th TAMC Meeting held on 23.02.2019

Sr. No.	Name & Designation of the participants	Organization
