No. 9/2/2015-MPS

Dated, the 30<sup>th</sup> November, 2015

Dear Ma'am,

The Department of Industrial Policy and Promotion(DIPP) has notified the Technology Acquisition and Development Fund (TADF) for MSMEs in the Gazette of India on 21<sup>st</sup> September, 2015 (as a component of the National Manufacturing Policy being implemented by DIPP). The scheme was formally launched by Hon'ble Minister of State (IC) for Commerce and Industry on 18<sup>th</sup> November, 2015.

2. The scheme is conceptualized to enable the MSMEs to acquire Clean, Green & Energy Efficient technologies through patent pool and licensing and reimbursement of direct patent acquisition cost. The Scheme envisages incentivizing production of equipment for controlling pollution, reducing energy consumption and for water conservation through interest and capital subsidies; as well as incentives for energy and environment audit, waste water treatment, rain water harvesting, renewable energy and Green Buildings.

3. The subsidy/incentives/financial support under the scheme will be available to those MSME manufacturing units which are pre-registered with the appropriate government, and whose projects are sanctioned and operational prior to 31.3.2017.

4. DIPP has entrusted the task of implementation of the Scheme to Global Innovation and Technology Alliance (GITA), a joint venture Section 25 company. MSME units may be advised to visit the webpage at <http://www.gita.org.in> for detailed information and online filing of the application. A copy of the brochure on this scheme is enclosed for ready reference. The notification of the scheme on TADF is available at DIPP website, dipp.nic.in.

5. It is requested that the information about the scheme be given wide publicity.

With regards,

Regards,

Yours sincerely,

(Shubhra Singh)

# Technology Acquisition & Development Fund (TADF)

## Enabling Ideas Empowering MSMEs

Implementing Partner

GLOBAL  
INNOVATION &  
TECHNOLOGY  
ALLIANCE

## About TADF

India needs to create an effective environment to enable its Micro, Small & Medium Enterprises (MSMEs) to partner with global businesses to evolve "Innovative Clean / Green/ Energy Efficient Technologies" to catalyze the manufacturing growth which will contribute to the national focus of "Make in India".

To accelerate this process, Department of Industrial Policy & Promotion (DIPP), Ministry of Commerce & Industry, Govt of India had notified [vide DIPP's Notification reference no SO 2580 (E) dated September 21, 2015, a unique Scheme for enabling Technology Acquisition and Development under the National Manufacturing Policy 2011 especially supporting the followings:

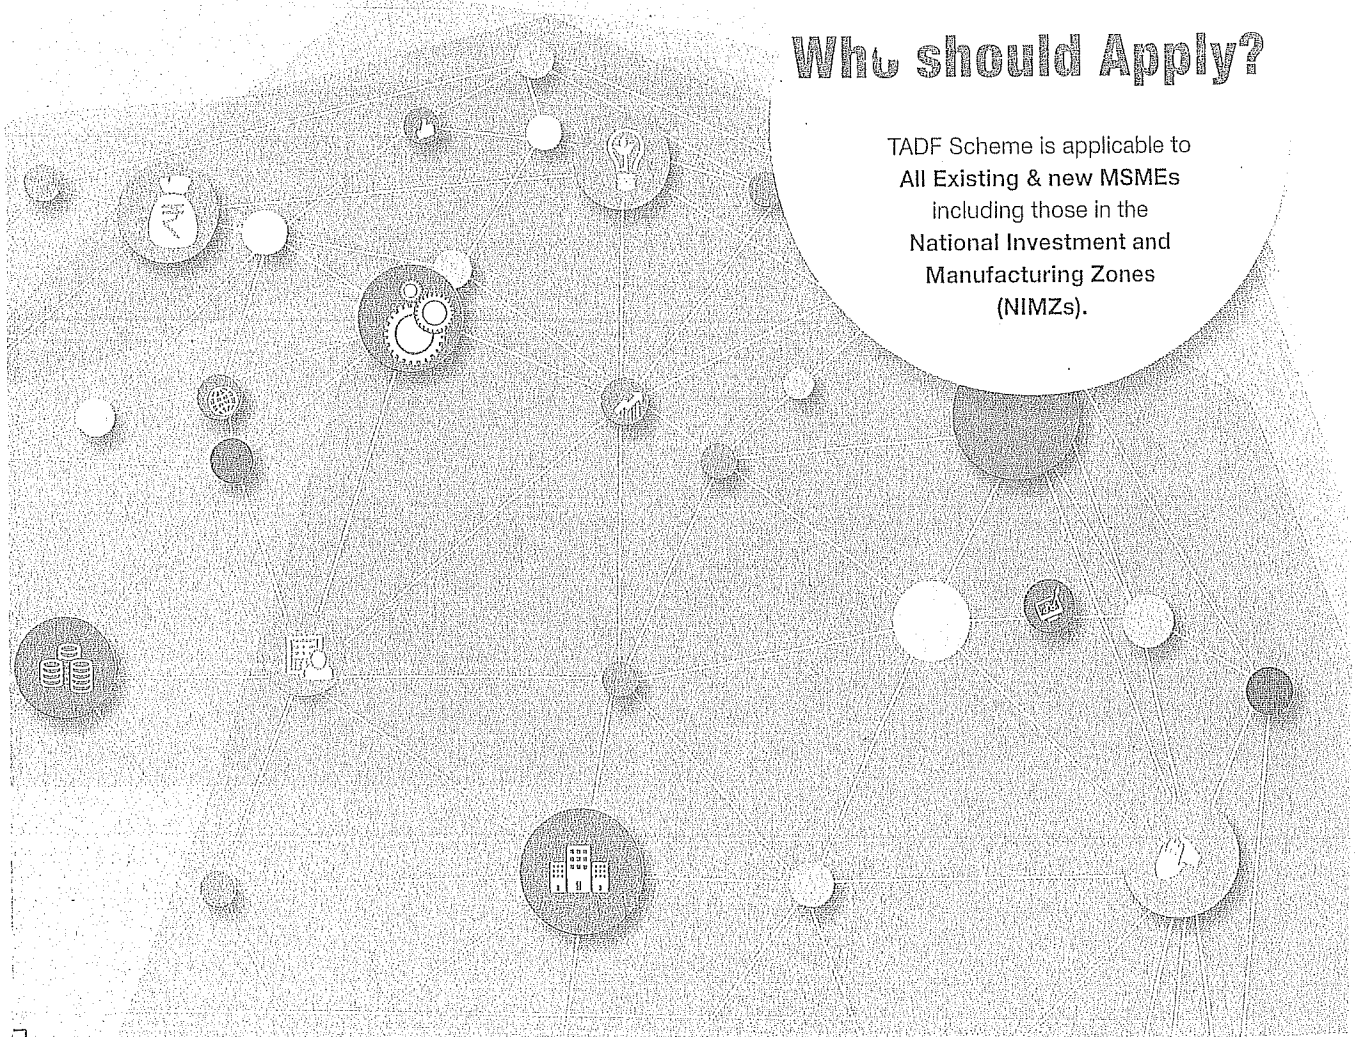

- Reimbursement of Direct Patent Acquisition Cost
- Incentivizing through Capital subsidies for adoption of innovative technologies in the areas of Energy & Water Conservation, Controlling Pollution, Waste Water treatment, Rain Water harvesting, Renewable Energy and Green Buildings.

TADF scheme is a transformational mechanism for Indian MSMEs to acquire Clean, Green & Energy Efficient Technologies, in form of Technology / Customised Products / Specialised Services / Patents / Industrial Design available in the market with requisite level of proof from individuals, organizations located in India or anywhere else across the Globe.

TADF scheme is Technically & Administratively managed by the Global Innovation & Technology Alliance (GITA).

## Who should Apply?

TADF Scheme is applicable to All Existing & new MSMEs including those in the National Investment and Manufacturing Zones (NIMZs).

# Technical & Administrative Eligibility

Companies must be incorporated in India and should be classified under the MSME category as defined by the Govt of India (including proprietorship, partnership, LLP, private limited, limited) with at least 51% stake should be held by Indian citizens.

The Technology / Customised Products / Specialised Services / Patents / Industrial Design to be acquired or brought, provided by a reputed & registered organisation, located in India or anywhere else across the Globe.

The Technology / Patents / Industrial Design must be categorised as 'Clean and Green Technology' as per the specifications / definitions / eligibility criteria.

The applicant either should have required competence in the field or already been involved in the production, fabrication and manufacturing process using the technology, process or similar line of activities.

## Schemes under TADF

Sl. No.	Schemes of TADF	Funding Support
