No. 12(14)2018/A TUFs /JIT Extension /TUFs /293

Date : 26.04.2018

Amended Technology Up gradation Fund Scheme (A-TUFs)

(13.01.2016 to 31.01.2022)

Circular No.2 (2018-19 series)

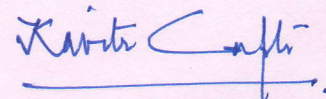

As per Para 6.5.1 of Guidelines of Amended Technology Upgradation Fund Scheme (ATUFs) dated 29.02.2016 it was mandated to submit the application for JIT using iATUFs software. The Para there in is reproduced hereunder

“After satisfactory installation/commissioning of the machinery and commencement of commercial production, the applicant shall immediately submit his/ her request for the same in prescribed format (**Format-4**) to the Textile Commissioner i.e. within one year from the date of sanction of term loan for undertaking physical verification by a JIT using i-ATUFs software. This timeline is extendable upto two (2) years on case to case basis with the approval of the Textile Commissioner. The Textile Commissioner will record in writing the reasons for giving such extensions”.

2. It is now mandated that all the applications for extending the timeline upto 2 years will also be submitted only using i-ATUFs software so that the same can be processed with First in First out (FIFO) feature. This will also ensure transparency in processing these applications. It is also informed that for extension of JIT request beyond one year, documentary proof of the order placed for machinery has to be provided. The link for the same is available at <http://itufstxcindia.gov.in/Atufs/AtufsUIDJITextensionListing.aspx>.

3. A transition period of 15 days is however given from the date of issue of the circular which means that the circular will come in to effect from 11.05.2018.

This may please be brought to the notice of all concerned.
