

16th March 2018 (Day 1)

08:00 - 09:00 am

Registration

Session 1 Imaging in Stroke

Chairpersons:

- 09:00 - 09:20 am Imaging in ICH and Markers of Intracerebral Hemorrhage expansion
Dr. Anil Gopinathan
- 09:20 - 09:40 am CT Angiogram Reading and Interpretation – Tips for neurologist
Dr. Mayank Goyal
- 09:40 – 10:00 am CT Perfusion – Indications and Interpretation for clinical decision making
Dr. Vijay Sharma
- 10:00 – 10:20 am What's new in Stroke Imaging
Dr. Mayank Goyal
- 10:20 – 10:30 am Q & A

10:30 - 10:50 am

Tea

Session 2 IV Thrombolysis

Chairpersons:

- 10:50 – 11:10 am Prevention and Management of complications of IV thrombolysis
Dr Pooja Khatri
- 11:10 – 11:30 am IV Thrombolysis - beyond the conventional wisdom
Dr. Vinit Suri
- 11:30 – 11:50 am Tenecteplase in AIS
Dr Deepak Arjundas
- 11:50 am – 12:00 pm Q & A

Session 3 Drugs in Stroke

Chairpersons:

- 12:00 -12:20 pm Antiplatelets in Acute Stroke and Prevention- Old, New, Combos
Dr. M V Padma
- 12:20 – 12:40 pm Anticoagulation in Stroke – Heparin, Vit K antagonist and NOACS
Dr. Arvind Sharma
- 12:40 – 01:00 pm Statins in Acute Stroke and Prevention
Dr. Majaz Moonis

01:10 - 02:00 pm

Lunch

Session 4 ICH

Chairpersons:

- 02:00 – 02:20 pm Blood Pressure management in ICH – Newer Standards and future directions
Dr. Craig Anderson
- 02:20 – 02:40 pm Neurosurgical management of ICH - Current status
Dr. Thorsten Steiner
- 02:40 – 03:00 pm Stroke ICU critical management of ICH
Dr. Craig Anderson
- 03:00 – 03:20 pm Reversal in ICH with patients on Antiplatelet, Vit K Antagonists and NOAC's
Dr. Thorsten Steiner
- 03:20 – 03:30 pm Q & A

Session 5 Large Vessel Atherosclerosis

Chairpersons:

- 03:30 – 03:50 pm Management of Symptomatic Extracranial Carotid Atherosclerotic disease - (when to stent and when to perform CEA)
Dr. Natan Bornstein
- 03:50 - 04:10 pm Management of Vertebro- basilar atherosclerotic disease – preventing recurrence -
Dr. Vijay Sharma
- 04:10 - 04:30 pm Management of Asymptomatic Extracranial Carotid Atherosclerotic disease
(How to select Medical Management and Intervention)
Dr. Natan Bornstein
- 04:30 – 04:50 pm Management of ICAD – (How to select Medical Management and Intervention)
Dr. P N Sylaja
- 04:50 – 05:00 pm Q & A

05:00 – 05:15 pm

Tea

Session 6 Dilemmas in Management

Chairpersons:

- 05:15 – 05:30 pm Management of Concurrent MI and AIS
Dr. Thorsten Steiner
- 05:30 – 05:45 pm Prevention of stroke (SVD, Cardioembolic, LVD) recurrence after Failure of adequate preventive Strategy
Dr Subhash Kaul
- 05:45 – 06:00 pm Carotid disease – clearance for CABG
Dr Dheeraj Khurana

Session 7 Critical Care in stroke Management

Chairpersons:

06:00 - 06:15 pm	Tricks in interpretation of ABG and Ventilator management – What the neurologist should Know Dr Rajesh Chawla
06:15 – 06:30 pm	Conscious Sedation for various stroke related procedures – what the neurologist should Know Dr Rohan Arora

06:30 – 07:30 pm

Inauguration

Dinner 08:00 pm onwards

17th March 2018 (Day 2)

07:30 – 09:00 am

Workshop 1 – TCD

Dr. Vijay Sharma / Dr. Arvind Sharma / Dr. Dheeraj Khurana / Dr. M R Sivakumar

- TCD – techniques
- TCD for Vasospasm
- TCD for testing cerebrovascular reserve
- TCD for micro emboli monitoring
- TCD for ICP monitoring

08:00 – 09:00 am

EC MEETING

Session 8 Mechanical Thrombectomy

Chairpersons:

09:00 - 09:20 am	Imaging for core, collaterals and penumbra Dr. Anil Gopinathan
09:20 – 09:40 am	Selecting the Appropriate Patients for EVT in AIS - Ideal/not so ideal / never Dr. Pooja Khatri
09:40 – 10:00 am	Endovascular management strategies for stroke (Tools and Techniques) Dr. Mayank Goyal
10:00 – 10:20 am	Prevention and Management of Complications of EVT in AIS Dr Anand Alurkar
10:20 – 10:40 am	Mechanical Thrombectomy beyond guidelines (vessels, time window, Stroke severity) Dr. Mayank Goyal
10:40 – 10:50 am	Q&A

10:50 – 11:05 am

Tea

Session 9 Stroke Management

Chairpersons:

- 11:05 – 11:20 am Stroke ICU Management Day one and beyond – Post IVT, and post EVT
Dr Jeyaraj D Pandian
- 11:20 – 11:35 am Neurological Management of Subarachnoid hemorrhage
Dr. Majaz Moonis
- 11:35 – 11:50 am NIHSS and ASPECT Scoring – the finer details
Dr Dheeraj Khurana
- 11:50 am – 12:00 pm Q & A
- 12:00 – 01:00 pm **Presidential Oration**

01:00 – 02:00 pm

Lunch

Session 10 How I manage?

Chairpersons:

- 02:00 – 02:15 pm BAO and Vertebro-basilar Stroke in window period
Dr. Natan Bornstein
- 02:15 – 02:30 pm AIS with PFO
Dr Pooja Khatri
- 02:30 – 02:45 pm AIS with ICA and tandem M1 disease
Dr Vikram Huded
- 02:45 – 03:00 pm RHD with AIS (within and beyond window)
Dr Rohit Bhatia
- 03:00 – 03:15 pm Intraventricular hemorrhage
Dr. Thorsten Steiner
- 03:15 – 03:25 pm Q & A

Session 11 Secondary Prevention

Chairpersons:

- 03:25 – 03:40 pm Antiplatelet Resistance in AIS – identification and management
Dr Ashok Uppal
- 03:40 – 03:55 pm Perioperative Stroke – Prevention and management
Dr Nusli ichapuria
- 03:55 – 04:10 pm Secondary Prevention in patients with underlying thrombotic disorder
Dr Subhash Kaul
- 04:10– 04:25 pm Dual antiplatelets in Acute Stroke
Dr S P Gorthi

04:25 - 04:35 pm Q & A

04:35 – 04:55 pm

Tea

Session 12 Dilemmas in Stroke Management

Chairpersons:

- 04:55 - 05:10 pm Management of asymptomatic unruptured aneurysm
Dr Majaz Moonis
- 05:10 – 05:25 pm Management amaurosis fugax/CRAO (within and out of window)
Dr Vinit Suri
- 05:25 – 05:40 pm ESUS – Management
Dr M V Padma
- 05:40 – 05:55 pm AIS on OAC, NOAC within window
Dr. Natan Bornstein
- 05:55 – 06:10 pm Infective vasculitis (TBM) related AIS (within window and beyond) - Prevention and management
Dr Jayanta Roy
- 06:10 – 07:10 pm **General Body Meeting**

Cultural Program and Evening Dinner – 08:00 PM Onwards

18th March 2018 (Day 3)

Session13

Chairpersons:

- 08:00 – 09:00 am Interesting cases

Session14

Chairpersons:

- 09:00-09:15 am Optimal systems of stroke care: Global scenario
Dr Valeria Caso
- 09:15 -09:30 am Optimal systems of stroke care: Indian scenario
Panel discussion (Dr. Deepak Arjundas, Dr. Ashok Uppal, Dr. VG Pradeep, Dr. P.N Sylaja, Dr Vinit Suri, Dr. Jeyaraj D Pandian, Dr. Sunil Narayan, Dr. Anand Alurkar)

Session15

Chairpersons:

- 09:30 – 09:50 am Approach to young stroke - Investigation and management
Dr M M Mehendiratta
- 09:50 – 10:10 am Management of CSVT – Current trends in Endovascular Era
Dr Sunil Narayan
- 10:10 – 10:30 am Diagnosis and treatment Protocol for CNS Vasculitis
Dr. P N Sylaja
- 10:30 – 10:40 am Q& A

10:40 – 10:55 am

Tea

Session 16 Surgery in Stroke

Chairpersons:

- 10:55 – 11:10 am Decompressive hemicraniectomy – what's new?
Dr Rohit Bhatia
- 11:10 – 11:25 am Revascularization in Moya Moya (when and how)
Dr V P Singh
- 11:25 – 11:40 am Endovascular and Surgical Management of Dissection (when and how)
Dr Anil Karapurkar
- 11:40 – 11:55 am Cardiac interventions in Ischemic Stroke (Infective endocarditis & atrial fibrillation)
(when and how)
Dr N N Khanna
- 11:55 am – 12:00 pm Q& A

Session17 Rehabilitation

Chairpersons:

- 12:00 – 12:15 pm Stem cells in Stroke - Where are we in 2018?
Dr Kameshwar Prasad
- 12:15 – 12:30 pm Robotics and the latest developments in rehabilitation
Dr Nirmal Surya
- 12:30 – 12:45 pm Dysphagia assessment and management
Dr Jeyaraj D Pandian

12:45 – 01:30 pm

Valedictory function

01:30 – 02:30 pm

Lunch
