SCOPE AND OBJECTIVES

Entrepreneurship is the professional application of knowledge, skills and competencies and/or of monetizing a new idea, by an individual or a set of people by launching an enterprise de novo or diversifying from an existing one (distinct from seeking self-employment as in a profession or trade), thus to pursue growth while generating wealth, employment and Social good". With the increasing significance and visible impact of entrepreneurship in wealth creation and employment generation, entrepreneurship has assumed a critical role in India's growth and development.

The objective: The faculty members of the institutions who mould the graduates are to be exposed to the entrepreneurial culture & its various aspects so that they can act as catalysts to promote entrepreneurship. In this connection, a two week programme on faculty development is organized by ACS College of Engineering, Bengaluru & it is supported by Department of Science & Technology/National Science & Technology Entrepreneurship Development Board (DST/NSTEDB) through Entrepreneurship Development Institute of India (EDI)

The outcome of programme: with the inputs provided in the programme as knowledge, information & sharing of experience, the participant will be able to develop vision, strategy and structure for Entrepreneurship Development in an Educational Institution & organize Entrepreneurship Awareness Caps & related activities not only in their institutions but also in their region.

THE WORKSHOP CONTENTS

- Entrepreneurship -Role, Task and Challenges
- Small Scale Industries & Karnataka Economy
- Market Survey

- Business Plan
- Supporting Agencies
- Cost Analysis and Financial Management
- Marketing Management
- New & Renewable Energy Resources & Green Industries
- Field Visit to Successful Entrepreneurs

ABOUT THE INSTITUTE

ACS College of Engineering (ACSCE), Bangalore was established in 2009 by Moogambigai Charitable and Education Trust. Institute has seven departments covering the major engineering, science & humanities disciplines. The campus is on a 5 sprawling hectares of land with, beautiful landscapes, the campus provides an ideal environment for learning. The city of Bengaluru is the gateway of Silicon Valley of India and is well connected with all the major cities in the country by rail, road and air. Climate during January in the Campus is very pleasant with temperatures ranging from 20–25°C. Buses, autos and taxis (from all parts of Bengaluru) are available to travel to ACSCE Campus.

RESOURCE PERSONS :

Experts from IIT's, NIT's and other reputed institutions and industries will handle the sessions.

TARGET AUDIENCE :

This is an interdisciplinary programme. Serving faculty members with specialization in any engineering stream & interest in Entrepreneurship, Business or Management are eligible to apply. .

COURSE MATERIAL:

Each registered participant will be provided with a set of comprehensive lecture notes.
