A very warm welcome to the Exhibitors, Sponsors, Conference Delegates and Visitors of Asia's biggest poultry focus expo— Poultry Asia Expo 2023 which is co-locating with Meat Asia and Pet Asia Expo. This momentous occasion marks a significant milestone in the poultry industry as it represents the collective strength and progression of the Malaysian and Asian poultry industry. We promise that this expo shall be a remarkable gathering of innovative minds, industry leaders, and enthusiasts from all of Asia who are driven by a common purpose to explore, innovate, and advance the poultry sector.

I would like to express our deepest gratitude to the Ministry of Agriculture and Food Security for their unwavering support and grace this occasion. Their endorsement and partnership have been instrumental in making this expo a reality. We are also deeply thankful to all our supporting partners, associations, namely World Poultry Science Association - Malaysia Branch for collaborating the WPSA scientific conference with the themed- Smart Farming and the Future of Feed, who have generously contributed to this event. Your crucial dedication and investment in our industry are invaluable, and we are profoundly grateful for your involvement and hope it extends into the events in the years to come.

Poultry Asia 2023 is more than just an event; it serves as a catalyst for innovation, a hub for collaboration, and a springboard for growth. It presents us with a unique opportunity to collectively shape the future of the poultry industry and forge meaningful connections with fellow industry leaders. We can shape the future of the poultry industry and ensure its continued growth and prosperity.

Our 2nd highlights is the first edition of Pet Asia Expo provides the international pet industry with a B2B Partnership Hub for Distribution, Retail, and Sourcing. This is the first B2B tradeshow in Malaysia and we foresee that the pet industry in Malaysia will have a tremendous growth and development in the coming years. Pet Asia Conference will feature industry experts who will highlight the latest developments in market trends, research, and innovation for the Asian pet food market, as well as provide a platform for global pet food professionals to network, exchange ideas, and do business with leading industry suppliers. We are glad to have the tremendous support from MAVMA to launch our first event with the business matching concept and follow by VIP buyers networking nite where all industry experts, exhibitors and key buyers meet.

Once again, I extend my warmest welcome to each and every one of you. Let us make the Asia's Biggest Poultry Focus Expo, Meat Asia and Pet Asia a resounding success, a celebration of innovation, making Malaysia, the next sourcing platform for key buyers to meet and network within the region.

热烈欢迎亚洲最大的家禽博览会 — 2023 年亚洲家禽博览会的参展商、赞助商、会议代表和参观者，该博览会与亚洲肉类博览会和亚洲宠物博览会同期举行。这一重要时刻标志着家禽业的一个重要里程碑，因为它代表了马来西亚和亚洲家禽业的集体力量和进步。我们承诺，本次博览会将成为来自亚洲各地的创新思维、行业领导者和爱好者的一次盛会，他们的共同目标是探索、创新和推动家禽业的发展。

我谨向农业和粮食安全部对此次活动的坚定支持和厚爱表示最深切的感谢。他们的认可和合作对于使这次博览会成为现实发挥了重要作用。我们也深深感谢所有支持合作伙伴、协会，即世界家禽科学协会马来西亚分会，以“智能农业和饲料的未来”为主题合作举办WPSA科学会议，为此次活动做出了慷慨的贡献。您对我们行业的关键奉献和投资是无价的，我们对您的参与深表感谢，并希望它能延伸到未来几年的活动中。

2023 年亚洲家禽展不仅仅是一场盛会；它是创新的催化剂、协作的中心和增长的跳板。它为我们提供了一个独特的机会，可以共同塑造家禽业的未来，并与其他行业领导者建立有意义的联系。我们可以塑造家禽业的未来并确保其持续增长和繁荣。

我们的第二个亮点是第一届亚洲宠物博览会为国际宠物行业提供了一个分销、零售和采购的 B2B 合作中心。这是马来西亚首个 B2B 贸易展，我们预计马来西亚的宠物行业在未来几年将有巨大的增长和发展。

亚洲宠物会议将邀请行业专家，他们将重点介绍亚洲宠物食品市场的市场趋势、研究和创新的最新发展，并为全球宠物食品专业人士提供一个与领先的宠物食品专业人士建立联系、交流想法和开展业务的平台。行业供应商。我们很高兴得到 MAVMA 的大力支持，以商业配对概念推出我们的首场活动，随后举行 VIP 买家联谊晚会，所有行业专家、参展商和主要买家齐聚一堂。

我再次向大家表示最热烈的欢迎。让我们让亚洲最大的家禽博览会、亚洲肉类展和亚洲宠物展取得巨大成功，成为创新的庆典，使马来西亚成为该地区主要买家见面和建立联系的下一个采购平台。

◀ Hammermill

Efficient & Stable

The best long-term performance and least maintenance machines for feed/food ingredient preparation.

Mixer ▶

Precise & Homogeneous

The most flexible and optimal feed/food mixing solution for formula realization.

◀ Gear-Drive Pellet Mill

Power-efficient & Stable production

Gear drives quality pellet feed production steadily above 35t/h without downtime.

Extruder ▶

Flexible & Sanitary

Widened extrusion applicability with fine production profitability for feed/food industry.

Professor Dato' Dr Mohd Hair bin Bejo

President

The World's Poultry Science Association (WPSA) Malaysia Branch

The World's Poultry Science Association (WPSA) Malaysia Branch is giving full support to Poultry Asia Expo 2023. WPSA committed in promoting poultry science and advancement of the poultry industry in the country and globally. This important Summit will provide positive impact on the current chicken crisis, inflation, and food security. A very challenging years ahead to everyone though the turbulence caused by the COVID-19 pandemic, Russia-Ukraine war 2020, high cost of production and labor shortage to name a few. It is timely that the industry transforms and enhances the use of 4th Industry Revolution (4IR) technologies in poultry industry ecosystem. We are looking forward to the collaboration for organizing the Smart Farming and Future of the Feed Summit in 2023 to talk about the digitalization of agriculture practices, combined with the artificial intelligence (AI) and the internet of things (IoT), will be transforming Asia overall agriculture sector. This summit will feature world class speakers, engaging panel discussion between industry thought leaders and experts, future defining topics and will be attended over 200 key executives and decision makers from across Asia.

Dato Dr Tee Ah Kiat
President

Malaysian Animal Health And Nutrition Industries Association

On behalf of MAHNIA I would like to congratulate and also to express our gratitude to JeDerns International for successfully launching this event.

Stakeholders of the industry should take part actively to make use of this platform to promote their products and services.

Hopefully this event will also provide good information to both the general public and authorities in rendering their support to veterinary industries.

Dr Mya Han

Chairman

Myanmar Livestock Federation

Congratulations to Jederns International for the achievement of organizing the Poultry Asia Expo 2023, which is the biggest and first poultry-focus event in Asia. Jederns Int opened a new chapter in poultry sector of the region.

On behalf of Myanmar Livestock Federation and Myanmar livestock industry, I would like to express my greatest appreciation to Jederns International for hosting the delegates from Myanmar to the event.

We do believe that Poultry Asia Expo 2023, its related conferences and business networking programs will contribute to the sustainability and continuous development poultry sector in the region.

I wish Jederns International and Poultry Asia Expo every success over the years to come.

Smart Farming and the Future of Feed Conference 2023

6 SEPTEMBER 2023 (WEDNESDAY)

Session 1

- 9.00 - 9.35 Keynote: Sustainability of the Malaysian Poultry Industry to meet the future market demand (Dr. Mohd Hishammfariz bin Mohd Amin, the Department of Veterinary Services)
- 9.35 - 10.05 Plenary 1: Enabling the Malaysian feed industry to rise to the global ingredient supply challenges (Mr. Matthew Clark, FeedGuys Resources)
- 10.05 - 10.35 Plenary 2: Maximising profit with smart poultry farming solutions (Mr. Pieter Brans, PoultryPlan)
- 10.35 - 10.50 Refreshment
- 10.50 - 11.30 Opening ceremony: The Honourable YB Tuan Chan Foong Hin Deputy Minister, Ministry of Agriculture and Food Security

Session 2 - Smart Poultry Production

- 11.30 - 12.00 Paper 1: IoT-based smart poultry farm (Datuk Jeffrey Ng, Federation of Livestock Farmers' Associations of Malaysia)
- 12.00 - 12.30 Paper 2: In-Ova sexing technologies in hatching eggs (Mr Simao Monteiro Belo dos Santos, KU Leuven, Belgium)
- 12.30 - 13.00 Paper 3: Are spiritual, ethical, and eating qualities of poultry meat influenced by electrical water-bath stunning? (Prof. Dr Awis Qumi Sazili, Universiti Putra Malaysia)
- 13.00 - 14.00 Lunch

Session 3 - Future Trends In Poultry Feeds And Feeding

- 14.00 - 14.30 Paper 1: Optimizing feed strategy for efficient and sustainable poultry production (Dr. Will Lin, Alltech)
- 14.30 - 15.00 Paper 2: Nutrition, gut microbiome and poultry health (Ms Jean-Marjorie Ensensendenc, asm-firmenich)
- 15.00 - 15.30 Paper 3: Black soldier fly larvae meal as a potential protein source for poultry (Prof. Dato' Dr. Zulkifli Idrus, Universiti Putra Malaysia)
- 15.30 - 16.00 Paper 4: Forensic feed science (Mr. Steven Goh, Delist Asia)
- 16.00 - 16.15 Refreshment

Commercial session

- 16.15 - 16.25 Smart Financing, Smart Farming by Agrobank
- 16.25 - 16.35 Proven enzyme solutions to help maximise feed efficiency by Dr Will Lin, Alltech
- 16.35 - 16.45 Poultry transformation with Big Herdsman by navigating the new technology by Mr Jordan Teh
- 16.45 - 16.55 Application of IoT based on intelligent controllers in poultry farming by Mr Ni Chenliang, CCSDA
- 16.55 - 17.05 Huall Group- One-stop solution provider for smart farming by Mr Kevin Huang
- 17.05 - 17.15 The future of feed processing & feed nutrition by Mr Steven Goh, Delist Asia

7 SEPTEMBER 2023 (THURSDAY)

- 8.30 - 10.15 Workshop:
Topic: Feed formulation managing costs (Mr. Matthew Clark (FeedGuys Resources) and Mr. Benoit Chesnais (Allix, France))
- 10.15 - 10.30 Refreshment

Session 4 - Smart Poultry Production

- 10.30-11.00 Paper 1: Hi-tech poultry production (Mr Coen Boonstra, Big Dutchman)
- 11.00-11.30 Paper 2 : Breeding of tomorrow's broilers for better profitability and well-being (Dr Loh Chee Soon, Cobb Asia-Pacific)
- 11.30-12.45 Forum
Topic: Can the Malaysian poultry industry meet its future needs sustainably?
- 12.45-13.00 Award presentation and closing ceremony (Prof. Dato' Mohd Hair Bejo, President, WPSA Malaysia Branch)
- 13.00-14.00 Lunch

Poultry Asia Technology Symposium 2023

6TH SEPTEMBER 2023

| | |
|------------------|--|
| 10.30 am-11.00am | Opening Ceremony of Poultry Asia Expo 2023 |
| 11.00am-11.30am | 翻轉畜牧業、淨零新商機 Dr Bruce Yu, Vice President, — 農業副產物循環化、高值化 King's Ground, Biotech Co Ltd |
| 11.30am -12.30pm | Poultry Feeding : How to enhance Feed Efficiency, Health and Profitability? Dr Will Lin, Research & Technical Director, Alltech |
| 12.30pm -1.00pm | Introduction to Myanmar Livestock Federation Dr Than Hla,Advisor,Myanmar Livestock Federation |
| Break time | |
| 2.00pm -2.30pm | Maximising Profit with Smart Poultry Farming Solutions, Mr Pieter Brons, PoultryPlan |
| 2.30pm-3.00pm | Antibiotic use reduction & trends + Smart Farming Solutions for Livestock Industry, Ms Queenie Qiu, Dosatron |
| 3.00pm-3.30pm | Revolutionizing Sustainable Practices in Agriculture and Poultry Wastewater Treatment, Ms Karen Koh, Business Development Manager, Cheme Advance |
| 3.30pm-4.00pm | Smart Financing, Smart Farming by Agrobank |
| 4.00pm | End of session |

7TH SEPTEMBER 2023

| | |
|-----------------|---|
| 10.30am-11.00am | Challenges and The Fundamental of Thermal Feed Processing- Managing Mash Hydration and Relevance to the Processed Quality, Mr Steven Goh, Managing Director, Delst Asia. |
| Break time | |
| 10.30am-11.00am | Phytogenics for Sustainable Livestock Production, Dr Angan Roy, International Business Development Manager, Indian Herbs Specialities Pvt Ltd |
| 2.30pm-3.00pm | Maximise Profit and Minimise Costing in Eggs Handling, Ms Veronica, Giordano Poultry Plast |

About Us

CCSDA Technology Co., Ltd. was founded in 2014. Based on our intelligent hardware system and new information technology, we provide overall solutions for animal husbandry companies to upgrade informatization and digitalization. Our core business are digital platform, IoT intelligent hardwares and digital breeding house construction.

With years of exploring, we have already become one of the leading international intelligent hardware R&D producers. EMC Lab was established with state-of-the-art technology. Until 2023, more than 300 thousand intelligent terminal equipments was installed all over the world, and our self-developed CCSIDA O²S digital platform has served more than 10 thousand breeding houses.

WORKING TOGETHER FOR A
Planet of Plenty

Founded in 1980 by Irish entrepreneur and scientist Dr. Pearse Lyons, Alltech delivers smarter, more sustainable solutions for agriculture. Our diverse portfolio of products and services improves the health and performance of plants and animals, resulting in better nutrition for all and a decreased environmental impact.

Asia Master

Asia Master International Sdn Bhd was established on 03.07.2020(formerly known as Asia Master Enterprise : 09.01.2008 - 30.06.2020) The main business of the company is to import/export most of all wear & tear parts/machinery to Poultry Processing Plant in Asia Pacific. 90% of the parts are imported from Europe with EU standards. It is very important to maintain the product's Quality for the Food Safety Requirements & Regulations. Our concerns are :-

- 1) Value - Quality imported/local Products.
- 2) Speed - Fast Delivery/After sales service.
- 3) Guarantee - 100% refund/buy back/exchange for all unused products.
- 4) Support - Free technical training & consultancy.

WE'RE HERE TO HELP YOU **THRIVE** **AND GROW**

Agrobank has roots in the places where we live and work that go back to 1969 and a history of stepping up for our customers and communities in charting the growth and development of Malaysia's agriculture industry by offering shariah compliant products and solutions across various customer segments, including corporate, commercial, consumer, trade finance, and microfinance customers.

Today, as a market driven, customer centric Development Financial Institution with a primary focus on strengthening the agriculture sector in Malaysia, we are proud to work with the people who grow our food, build our economy, and serve our neighbours.

Moving forward, Agrobank continues to strike an equal balance between its developmental and commercial roles to benefit the agriculture sector by providing a comprehensive repertoire of financing solutions for the agriculture community, which includes upstream activities related to primary food and commodities-based agriculture activities as well as downstream activities such as the processing, marketing, and distribution of agricultural products.

We champion food security for the nation.

President

Malaysian Veterinary Medical Association (MAVMA) 2023/2025
previously known as Veterinary Association Malaysia (VAM)

Dear Pet Asia 2023 & Poultry Asia & Meat Asia Expo Attendees,

The Malaysian Veterinary Medical Association (MAVMA) extends a warm welcome to all participants of Pet Asia 2023 and Poultry Asia & Meat Asia Expo. As advocates for the health and well-being of animals, we are excited to be part of this prestigious event that brings together the pet and poultry industry's finest professionals and enthusiasts.

Throughout the expo, we look forward to engaging in insightful discussions, sharing knowledge, and fostering collaborations that promote the highest standards of veterinary care and animal welfare in the region. Together, we can work towards a brighter and healthier future for our beloved pets and animals.

We encourage you to visit our booth, attend our informative sessions, and connect with our passionate members. Let's work hand in hand to ensure that every pet / animal receives the care and attention they deserve.

Thank you for your dedication to the welfare of animals, and we wish you a successful and enriching experience at Pet Asia 2023 and Poultry Asia & Meat Asia Expo.
