Theme: Empowering Leaders in Dietetics

Dear Sponsor/Exhibitor,

With great pleasure, the Organising Committee would like to invite your organisation to participate in the **28th Malaysian Dietitians' Association Hybrid Conference** on **12 - 13 June 2023** both at Connexion Conference & Event Center, Kuala Lumpur and the virtual platform.

With the theme "**Empowering Leaders in Dietetics**" this year, we will bring together a diverse group of professionals and experts in the field of dietetics and nutrition, providing an opportunity for your organization to showcase its products and services to a highly qualified and engaged audience. With discussions on key topics in hospitals, community, education, and research, the conference will provide a comprehensive overview of the latest advancements and innovations in the field.

As a sponsor/exhibitor, you will have the opportunity to meet face-to-face or virtually with qualified dietetic leaders and decision-makers, building new relationships and reinforcing existing ones. Your participation will provide a valuable opportunity for your organization to promote its offerings and develop new business, as well as connect with a wide spectrum of MDA members, including practitioners in hospitals and clinical settings, foodservice managers, consultants, nutrition researchers, educators, and public health professionals.

We believe that your organization's participation in this conference will be a rewarding and satisfying experience, and we look forward to the opportunity to work with you. Please complete your sponsorship registration form by **May 5th, 2023**.

On behalf of the MDA Council and Organising Committee, we thank you for your support, and we look forward to seeing you at the 28th Malaysian Dietitians' Association Hybrid Conference!

Warm Regards,

Professor Dr Winnie Chee Siew Swee
