OESO Session Symposium G8: Hot Topics in Esophagology

Chairs:
Robert Giuli (France)
Justin Lee Yeong-Yeh (Malaysia)
Rosemi Salleh (Malaysia)

At the time of the tremendous **Asian Pacific Digestive Week (APDW)**
(Kuala Lumpur, August 19-22),

OESO has been invited to organize a particular session which, in the scientific program of this big event, would take place respecting the original, specific OESO format of sharp questions followed by replies in no more than 5 minutes each.

The Congress organizers have made it possible for OESO to have a virtual booth in the virtual exhibit of the Conference.

You will find below the brochure OESO has drawn up for this occasion: it offers a very brief synthesis of the history of our Organization and, especially, its prospects for the years to come.

We hope that you will connect,

- on the following brochure which comprises the program of this OESO session,

OESO brochure

- on the APDW website to attend the congress and participate in the discussion.
