Emergency IR

Welcome Message from Organising Chairperson

Dear friends and colleagues,

On behalf of the Organising & Scientific Committee, it is with great pleasure and honor to invite you to join us in the upcoming Malaysian Society of Interventional Radiology Annual Scientific Meeting, which will be held in Connexion Conference & Event Centre, Kuala Lumpur from 5th – 7th October 2023.

MYSIR Annual Scientific Meeting has always been a unique meeting focusing in various topics such as Interventional Oncology, Musculoskeletal, My Worst Nightmare Cases Sharing, Biliary Intervention, Neuro Intervention, Vascular and Hepatic Intervention. We will continue to strengthen the collaborations with affiliated societies via meet sessions for greater content with higher value from multiple perspectives. With the theme "Emergency IR", we would like to focus more in complicated organ injuries, IR Complications, emergency cases presentation.

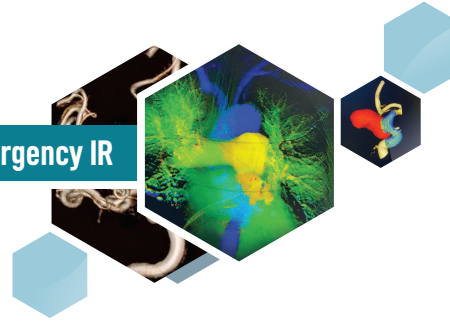

With support from industry partners and members of MYSIR, we hope that this meeting will bring great benefits and provide an opportunity for all IR practitioners to network, and engage. It is the goal of MYSIR to create valuable content for continuous medical education.

I would like to take this opportunity to thank all the members of the organising committee in advance for their efforts to come together to make the Annual Scientific Meeting a success. Please be prepared, and get ready for THE meeting of the year. See you in Kuala Lumpur.

Call for Abstract

Abstract Submission Guidelines

The scientific committee welcomes the submission of scientific abstracts. Authors are invited to submit abstracts in the following areas of interest:

- Emergency Case
- Diagnostic Imaging Pertaining to IR
- Neurointervention
- Interventional Oncology
- Hepatobiliary Intervention
- Musculoskeletal Intervention
- Paediatric Intervention
- Vascular Intervention
- Non-Vascular Intervention
- Nursing
- Radiographer

Abstract submitters may select your preferred final presentation format: -

- Oral Presentation
- E-poster Presentation
- IR Video Competition

There is no limit to the number of abstracts you may submit, but you may not submit on the same study/data set to be presented in one or more format as mentioned above. All abstracts will be reviewed by the Scientific Committee. The committee reserves the right to select the abstracts relevant to the sessions and must decide on the final form of presentation.

Abstract Submission Guidelines

Please provide the date of the co - authors (name, affiliations). Ensure that all author information is included and entered correctly. Please provide the abstract body text. The abstract body is limited to a maximum of 300 words which is approximately 1600 characters. Depending on whether your abstract is a Research based abstract or a Case Report, the body follows the following format. Please download a copy of the abstract template from the website.

Research Format / Case Report Format

- Purpose / Introduction
- Materials and Methods N/A
- Results / Report
- Conclusion
- Ensure that all changes, corrections, and proofreading have been carried out before submission.

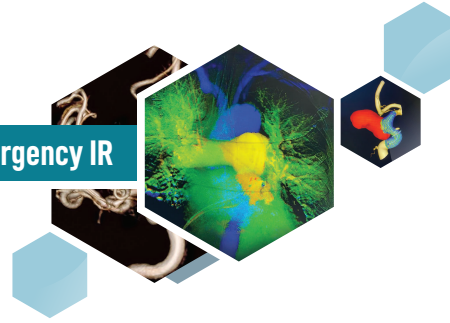

Disclaimer

The organisers of this event and MYSIR take no responsibility for any published abstracts submitted. Any issues or errors arising from the abstracts are solely the responsibility of the authors. By submitting his/her/their work, the Author(s) consent to the publication of the abstracts and transfer and assign to the Congress and MYSIR the rights to edit, publish, reproduce, distribute copies and to prepare derivative works such as press releases. Video Competition

The MYSIR ASM 2023 Organising Committee calls for submission of videos for the inaugural video competition. The theme is "Emergency IR" and we would like to invite you to share a video of you and your team's experiences in handling IR procedures in the times of a crisis.

Video content and rules for submissions

- The video may include song or performance or a series of reflections and interviews.
- The duration of the video should be for a maximum of 2 minutes only.
- Only one entry per Hospital is allowed (the first video submitted by the Hospital will be taken as the formal video submission for the contest).
- No actual patients should be involved in the video.
- All participants involved in the video must consent for the video to be published publicly.

Instructions for video submission

- To submit a video, you must first register and create an account on the MYSIR ASM website at asm.mysir.org.
- Click on "video submission".
- Key in the details of your video as per field required i.e. Hospital name (in FULL), Team/Department Name, Contact Number, Email Address of Team Leader, Consent Form

We will post your video on MYSIR's Youtube Account to be linked to the website. The video will also be shared on MYSIR's Facebook. Kindly encourage viewers to vote for your video by clicking the 'like' and 'share' button on the approved video post on the MSIC page.

Please be reminded that the final judging 'likes' count will be taken from the official video posted in MYSIR Facebook Page only, not in shared posts. Any video submissions AFTER the deadline will not be eligible to enter the contest. MYSIR does not own the ownership of the video and the rights of the video belongs to the party submitted the video.
