

# The Sustainable Border Agency

The 3 questions to address in the drive  
towards a more sustainable future

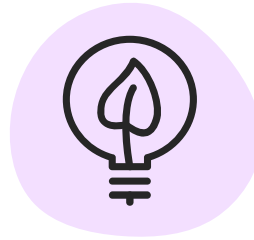

# When we talk about the **sustainable border agency**, we're focusing on addressing **3 key questions**

## Operational Sustainability

---

“Am I sustainable in my operations?”

## Environmental Compliance

---

“Am I enforcing environmental compliance?”

## Collaborative Stewardship

---

“Am I driving forward collective sustainability goals?”

# Addressing these questions leads to several challenges

## Operational Sustainability

Reducing Operational Emissions

## Environmental Compliance

Enforcing Compliance Mandates

## Collaborative Stewardship

Multiple and potentially differing goals

# Why is it imperative that border agencies act on sustainability now?

## Operational Sustainability

Operational Risk

## Environmental Compliance

Reputational Risk

## Collaborative Stewardship

Missed Opportunity

# Border agencies at the heart of trade & traveller ecosystems

## Operational Sustainability

 Embracing operational opportunities

## Environmental Compliance

 Intelligent risking

## Collaborative Stewardship

 Leverage existing ecosystem solutions

To guide border agencies on their sustainability journey, we recommend keeping **3 questions in mind**

**1** | Am I sustainable in my operations?"

**2** | Am I enforcing environmental compliance?

**3** | Am I driving forward collective sustainability goals?

**Thank You!**
