ABOUT US

We are the Chilean Logistics Association,
representing:

- Freight Forwarders
- Third Party Logistics Companies
- inbound Warehouse
- Non Vessel Operating Common Carrier (NVOCC)
- Logistics Suppliers

OUR MEMBERS

OUR **PURPOSE**

To strengthen and develop Chile's logistics industry, favoring the conditions for a transparent logistics scenario, with clear and fair rules, contributing to the country's growth.

WE DELIVER...

OUR **ADVISORY BODIES**

INTERNATIONAL TRADE COMMITTEE

Contribute to the competitiveness and optimization of foreign trade through the development of public-private initiatives together with the respective regulators and by disseminating best practices and supply chain trends.

OUR **ADVISORY BODIES**

LOGISTICS SECURITY COMMITTEE

To advance in the prevention and enforcements of crimes that affect the logistics sector by creating opportunities for collaboration to share best practices; disseminating security trends and technologies; and promoting public-private initiatives with the authorities.

OUR ADVISORY BODIES

HUMAN RESOURCES COMMITTEE

To bring value in the area of people management, through regulatory monitoring; the generation of data on the logistics labor market; training and certification of human capital; and socializing best practices and market trends.

OUR SERVICE UNITS

ALOG places special emphasis on the specialization and training of collaborators in the national logistics industry through a robust offering provided by its three Service Units:
