7TH DIGITAL HEALTH MALAYSIA CONFERENCE 2023

**THEME: PATIENT EMPOWERMENT THROUGH A PATIENT CENTRIC,
INCLUSIVE AND COLLABORATIVE DIGITAL HEALTH ECOSYSTEM**

FIRST ANNOUNCEMENT

20 – 22 November 2023

The Vertical @ CCEC, Bangsar, Kuala Lumpur

Welcome Message

We extend you a warm welcome to DHM Conference 2023! Our theme, **"Patient Empowerment Through A Patient Centric, Inclusive and Collaborative Digital Health Ecosystem,"** will be the driving force behind our discussions. Join us as we delve into crucial topics such as policy, Connected Cities, ecosystem establishment, and knowledge development. This conference brings together policymakers, providers, and users, fostering collaboration to accelerate Malaysia's healthcare journey into the digital era. We will examine current policies and initiatives, and explore the regulatory framework for Digital Health.

Discover the significance of Connected Cities and how Digital Health fits in. Through insightful sessions, we'll address challenges and expectations, emphasising public-private partnership use cases. Additionally, we'll focus on knowledge, education, and manpower development, empowering clinicians and patients alike.

We look forward to your participation and engaging with you through the course of the conference.

Thank you!

Prof Dr Wong Chee Piau

Organising Chairman

7th Digital Health Malaysia Conference (DHM 2023)
