## MESSAGE FROM PRESIDENT

Dear Inspirers,

It is with immense pleasure that I recount the incredible journey of INSPIRE, encompassing its inception, mission, impact on underprivileged students, the individuals behind this noble endeavor, and our upcoming steps towards elevating the INSPIRE journey.

Our story commenced in 2016 when a group of like-minded USM Alumni united in our pursuit of giving back to the community. Blessed with good fortune, we aspired to remove the barriers of poverty hindering students from pursuing higher education and embarking on successful careers. By supporting this demographic, we firmly believe we are not only helping these students but also liberating their families from the shackles of poverty.

This led us to declare INSPIRE's primary mission as "UPLIFTING THE COMMUNITY FROM POVERTY THROUGH EDUCATION." The Inspire Financial Assistance (IFA) was born, becoming our flagship project aimed at realizing this vision. Our dedicated team, alongside the unwavering support of INSPIRE members and well-wishers, has raised over RM1.3 million and impacted the lives of more than 1000 students over the past seven years. This accomplishment is truly remarkable and underscores the power of collective effort.

So, where do we go from here in our INSPIRE journey? It's time to take our engagement with these 1000+ students to the next level. Many of them are entering the employability phase, and that's where our Employability Acceleration Program (EAP) comes into play. EAP is designed to equip students with the skills and mindset to excel in the professional world, whether as entrepreneurs or employees of esteemed organizations. Another significant group comprises past IFA recipients now contributing to the workforce. We aim to instill in them a sense of belonging to INSPIRE and a commitment to giving back to the community, furthering our mission to make a meaningful impact on the underprivileged.

A famous adage tells us that a journey of a thousand miles begins with a single step, and our journey has just begun. With the collective support of INSPIRE members, well-wishers, and the broader community, we can significantly uplift our community from the clutches of poverty.

Remember, even if we change just one life, we can change the world forever. Let us maintain this momentum, Inspirers. Thank you for being part of the INSPIRE journey.

Warm regards,  
Param

# OUR FLAGSHIP PROJECT: IFA

## ABOUT INSPIRE Financial Assistance (IFA)

INSPIRE Society was formed by a group of concerned USM Indian Graduates to help the needy Indian students through Inspire Financial Assistance (IFA) which was launched in 2016.

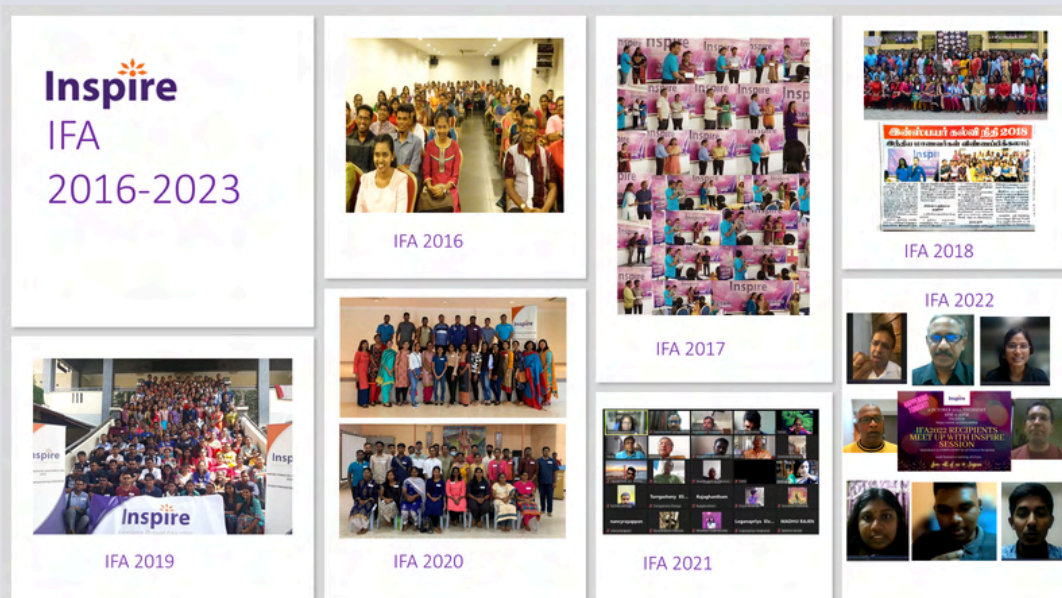

IFA project is launched on an annual basis to offer financial assistance to needy Malaysian Indian students from B40 income group who have gained entry into a local public university for a particular intake year.

A sum of not exceeding RM 3,000.00 per student will be awarded to successful applicants to help with their initial entrance fees, expenses and to ease the financial burden while waiting for the PTPTN loan to be released.

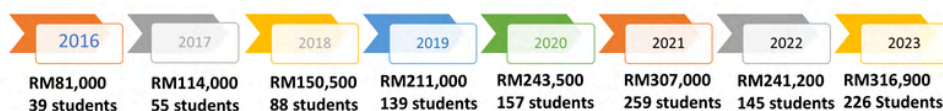

### APPLICATION CRITERIA:

1. Malaysian Indian student from B40 income group with a monthly household income less than RM4000.
2. Have been offered placement for a degree course in local public university for the Intake Year (Note: First Year/First degree Only)
3. Having difficulties paying the initial University Entrance Fees and expenses.
4. Have NOT obtained any financial assistance from other parties or organisations.

Students who fulfill the above criteria may submit their application using the link that will be released on annual basis.

## IFA 2024 PROJECT TEAM

**A big thank you** to all the volunteers (and committee members) who helped out in the IFA 2024 application screening process that involved interviewing the students and getting further supporting documents or information to help make decisions on their acceptance and the proposed amount of financial assistance. Each one of you came together as a team and worked truly in the INSPIRE spirit. Your diligence, dedication and teamwork resulted in us being able to manage the screening and finalisation of the IFA2024 recipients list in a record time.

**Inspire**

## **INTERNSHIP OPPORTUNITIES**

for Underprivileged Students Program

**Calling  
Inspire Members & Friends,  
Corporate Leaders and Business Owners!**

Inspire Internship Program is launched to offer internship opportunities for Inspire Financial Assistance Recipients (IFARs).

Your participation in this program can greatly impact the lives of these students and contribute significantly to their professional development.

Through this program, you may offer internship as per the university requirements or voluntary internship to those who want to do internship during their semester breaks. You are encouraged to provide a reasonable allowance for the students.

Your participation can empower underprivileged students, gain access to a pool of talent, enhance your CSR and positively impact society.

We look forward to your support in making this program a success!

## Programs at Sri Bala Illam

*In 2024, Inspire made a decision to move away from ad-hoc support for Sri Bala Illam, an orphanage in Selayang to a long term learning intervention program so that proper tracer studies can be conducted to measure the outcomes of the initiatives undertaken such as tuition classes funded by Inspire. through donations received from Inspire members. Through the support of Gujarati Association WP & Selangor, the orphanage underwent a major spruce up with new paint, mattresses, bedsheets, and repairs. A few individual donors also donated electrical items. Another major breakthrough is the sponsorship of a second-hand van by Rhythm Foundation to help ferry the 20 plus students to their schools. Other activities included conducting a Yoga class and conducting individual assessment of the children to determine their academic performance level. The assessment results were shared with the tuition teachers for their further action.*

## **CLOSING MESSAGE FROM VICE PRESIDENT**

Dear Inspirers,

What Inspire initiated as Inspire Financial Assistance, IFA, has now become common among many charity organisations, temples and also most of the state governments.

As what we have planned right from the beginning, IFA is not just about giving a one-time financial assistance. We are guiding them from the first year until they finish their studies and help them to secure a good job as well. During this duration, Inspire helps them in terms of internship, training in terms of soft skills, resume writing etc etc so that these students are confident and be able to secure a good job. And we want these students to be part of Inspire so that they can continue to assist future students.

Our aim is to help these students to be financially well so that they will be able to take care of their family and in the process, bring the family out of the poverty cycle.

Thinking forward, to make our community self-reliant, I think we should make our community an entrepreneurial community. As it is now, our student seek employment. Imagine the scenario if our students become entrepreneurs. Of course there is risk involved. This is when Inspire can play a role in guiding these entrepreneur students. Inspire can provide the support in making these students excel in their business. We have many business people in Inspire who might be able to help.

Let's see if we can develop this idea and make it a reality in assisting these students.

Dear Inspirer, the Inspire journey has been amazing, and it is all worth it when we listen to the plight of the IFA recipients and how Inspire has helped changed their lives. Lets continue this journey.

Thank you.

**Ari Marappan**  
**Vice President.**
