

BASIC SCHEDULED WASTE MANAGEMENT

5 & 6 JUNE 2024
8.30 AM - 5.00 PM

KOTA KINABALU,
SABAH

Assoc. Prof Ts. Dr. Mohamad
Anuar Kamaruddin

OVERVIEW

Scheduled wastes are extremely hazardous and harmful by nature. Improper waste management will pollute the environment and ecosystems, as well as have an immediate and long-term impact on human health. Managing scheduled wastes necessitates a thorough awareness of the regulatory framework, waste properties, waste management ideas, and industry best practises. USAINS is offering a training programme to ensure that professionals involved in the management of scheduled wastes are proficient in their duties. The competent personnel will ensure that the premises' scheduled wastes are correctly managed according to line with the law. Every waste generator shall ensure that all the personnel involved in the identification, handling, labelling, transportation, storage, and spillage or discharge response for scheduled wastes attend training programmes based on according to the EQ (Scheduled Wastes) Regulations 2005. All personnel of waste management companies that handle, transport, or store scheduled waste should be exposed to the regulations written in the regulations. This course is specifically designed to provide a complete understanding of overall scheduled waste management, as needed by law, in order to ensure that generated scheduled wastes are effectively managed, in accordance with legal requirements, and with minimal environmental impacts. It's a unique training session that emphasises hands-on learning, allowing participants to connect more with each other.

OBJECTIVES

- To impart knowledge on scheduled waste concept, handling, storage and labeling.
- To impart knowledge on scheduled waste handling equipment.
- To impart knowledge on scheduled waste disposal.

TRAINING FEE:

- Member = RM1300
- Non-Member = RM1600
- New Individual Membership + Training Fee = RM1450
- HRDC Claimable + Member = RM1400
- HRDC Claimable + Non-Member = RM1800
- HRDC Claimable + New Individual Membership + Training Fee = RM1550
