

KKEF YOUNG ENVIRONMENTALIST INTERNSHIP AWARD

Environmental Management and Research Association of Malaysia (ENSEARCH) is delighted to invite young Malaysians who are passionate about environmental management excellence to apply for the K.Kumarasivam Young Environmentalist Internship Award.

ABOUT

The K. Kumarasivam Endowment Fund (KKEF) Award was created in 2004 to honour the memory of the late K. Kumarasivam, the founder of ENSEARCH. The KKEF was established to remember Ir. K. Kumarasivam's selfless and significant contributions to the improvement of the environment in Malaysia, and to perpetuate his spirit of innovation, creativity and leadership in tackling environmental problems in Malaysia. In recognition of his pioneering and significant contributions to the promotion of better environmental management in the country he was awarded the 1997 Langkawi Award, Malaysia's highest national tribute to its leading citizens in the field of environment.

The objectives of the KKEF award are:

- To provide opportunities for promising young scholars and professionals to learn from an educational tour or internship at a reputable center of environmental management excellence abroad.
- To provide a platform for Malaysians to be introduced to the innovative environmental management ideas and practices abroad, so that they may be inspired to find creative solutions and exercise creativity and leadership in environmental management in Malaysia

To-date, the K.Kumarasivam Young Environmentalist Internship Award, has successfully funded Interns at reputable centres for environmental management in countries like Germany, Australia, Thailand, India, Sri Lanka, Taiwan, Indonesia and Philippines.
