MESSAGE FROM THE ORGANISING CHAIRMAN

Dear family and friends, I truly hope that you are well and passionately managing all your patients comprehensively and holistically in every aspect with a multidisciplinary team approach to minimise the complications and heal the hard to heal wounds globally.

I take great pleasure and honour in inviting you to another great momentous global conference which will be held in Sunway Pyramid Convention Centre from the 18th to the 20th of October 2024 with the theme of 'Global wounds and the dial of healing'. We always target timely healing with standard of care and this theme stresses the importance of managing wounds in a manner to achieve the best possible outcome in the best possible time.

In addition, the 18th of October is the World Wound Care Day and we will usher in the celebrations to recognise and appreciate all the efforts of the wound care professionals across the globe. Let's collaborate and work together to celebrate this auspicious day.

We have a wonderful programme with keynote lectures, plenaries, symposiums, masterclasses and workshops.

Finally, please allow me to show my utmost gratitude to the Malaysian Society of Wound Care Professionals MSWCP, the World Union of Wound Healing Societies, International Wound Infection Institute, the ASEAN Wound Council, Wounds International, Ministry of Health Malaysia, Kuala Lumpur Hospital and all the industrial sponsors and delegates.

Thank you so much.

Take care and God bless.
