

Dear Industry Partners,

Subject: SPONSORSHIP & EXHIBITION PROSPECTUS 6th KUALA LUMPUR VASCULAR ACCESS CONFERENCE (KLVAC) & DIALYSIS ACCESS SYNERGY (DASY) 2024

We are pleased to announce that the Vascular Society of Malaysia (VSM) will be organising its biennial 6th KLVAC 2024 together with DASY as follows:

Date: 13 - 15 September, 2024

Venue: Connexion Conference & Event Centre - CCEC, Kuala Lumpur, Malaysia

Theme: Creativity, Innovation and Teamwork in Dialysis Access

Renal Replacement Therapy (RRT) has been steadily increasing over the years despite continuous push for renal transplant. This has been the case not only in Malaysia but in the Southeast Asia (SEA) region and has created an urgent need for optimal vascular access management. The provision of RRT in developing economies is limited by lack of financial and other resources. There are no dedicated national reimbursement policies for RRT in many countries in this region. This makes the optimal creation, maintenance and salvage of vascular accesses key towards a successful RRT programme.

The SEA countries of Malaysia, Singapore, Thailand, Indonesia, Philippine, Vietnam, Myanmar, Laos and Cambodia have adopted different strategies of encouraging public-private-industry partnerships to increase the RRT success rates in their respective countries. This partnership in funding RRT must be sustainable over the long term with proper organisation and facilitated by support from the government. With the theme of 'Creativity, Innovation and Teamwork in Dialysis Access', KLVAC together with DASY has join forces to bring together the various stakeholders (dialysis nurses and managers, nephrologists, general surgeons, plastic surgeons, urologists and vascular surgeons) who are involved in vascular access to work towards one common goal which is the best therapy for all renal failure patients. As a key industry player, your esteemed organisation's participation will significantly contribute to the success of KLVAC & DASY 2024. As such, we would like to invite your organisation to be an official sponsor and take this opportunity to join us as industry partners in hope for a better RRT programme in this region.

The accompanying pages list the available sponsorship packages and further details.

Warm regards,

Dr Ahmad Rafizi Hariz bin Ramli
Organising Chairman
KLVAC & DASY 2024

Why Sponsor or Exhibit?

The conference will provide an exceptional and invaluable opportunity to interact with delegates face-to-face and promote your products and services to delegates ranging from practitioners, clinicians, hospitals and researchers to policy makers in an educational environment:

- Increase brand awareness and promote your brands to enhance brand visibility
- Build new relationships as well as strengthening existing relationships.
- Increase product sales and obtain highly qualified leads.
- Demonstrate your expertise and test new products and services.
- Device demonstration – opportunity to present equipment/device.
- Introduce your company and products to the industry leaders of the future.
- Reach key academic practitioners and leaders.
- Exhibit and distribute your marketing or promotional materials.
- Your organisation will be openly and prominently demonstrating its commitment and active support in the industry.
- Your representatives can network with delegates to update their knowledge and understanding of your products/services in an environment where they are open to listening and learning.
- Maintain a high profile within the medical and health sector locally and internationally.
- Gain a greater understanding and insight of current sectors.
- Insight into upcoming priority and future directions for vascular access medical professionals.
- Build your reputation and be recognised for your support
