### E-POSTER PREPARATION & SUBMISSION

#### Instructions For Poster Presentation

- Abstracts selected for posters will be presented as e-Posters during the Congress. All e-posters must be submitted electronically through the website. Kindly visit the website [www.msohns.com](http://www.msohns.com) for more information. Authors will receive an e-mail with all technical information and details of the e-Poster presentation prior to the event. Important: you must keep the size of your PDF to 1mb and below. The system will reject files that are larger than 1mb. The pdf save/export options will have settings to minimise file size when it exports.
- e-Posters will be displayed on 40 inch LCD monitors.
- Deadline for submission of Abstracts: **30<sup>th</sup> April 2025**
- Selected posters will require the presenter to participate in a 3 minutes poster discussion and 2 minutes Q&A.

You are encouraged to submit your e-Poster as early as possible in order to avoid the deadline congestion that is expected. Server congestion could result in inconvenience such as slow service or in worst case scenario, failure to submit your e-Poster.

Your e-poster should be produced using the PowerPoint Poster template which will be provided. The content of the presentation should be of a single side. E-Posters of different dimensions may be skewed / stretched / truncated when displayed on the e-Poster monitors unless that conform to the template.

**Deadline for Submission of Abstracts : 30<sup>th</sup> April 2025**
