WELCOME ADDRESS FROM PRESIDENT OF MALAYSIAN THORACIC SOCIETY

Dear colleagues, friends, and distinguished partners,

It is with great pride and pleasure that I extend my warmest invitation to the 2025 Annual Congress of the Malaysian Thoracic Society, scheduled to take place from August 14th to 17th at the esteemed Kuala Lumpur Convention Centre. This highly anticipated event serves as a premier platform for the exchange of knowledge, insights, and innovations in respiratory medicine, and we are honoured to host professionals from across the globe.

The 2025 Congress reflects our unwavering commitment to advancing the field of respiratory health through education, research, and clinical excellence.

The meticulously curated scientific programme, led by our dedicated scientific chairs, Dr. Syazatul Syakirin Sirol Aflah and Dr. N. Fawati Faridatul Akmar Mohammad, promises a dynamic and enriching experience. Attendees will engage with a broad spectrum of topics, including cutting-edge research, evidence-based clinical practices, and hands-on workshops designed to enhance professional competencies.

I would like to take this opportunity to commend the Organising Committee, chaired by the remarkable Dr. Wan Jen Lye, for their tireless efforts in shaping what will undoubtedly be an impactful and memorable congress. I also wish to extend my deepest gratitude to our industry partners and sponsors for their invaluable support and collaboration, which continue to drive the success of our initiatives.

As we convene at this pivotal gathering, I encourage all participants to actively engage, forge meaningful connections, and inspire one another in our shared mission to advance respiratory care. Let us seize this opportunity to collectively contribute to the progress and excellence that define our field.

We look forward to welcoming you to Kuala Lumpur for an extraordinary congress that promises to be intellectually stimulating and professionally rewarding.

With warmest regards,

Professor Dr Ahmad Izuanuddin Ismail
President
Malaysian Thoracic Society

WELCOME ADDRESS FROM ORGANISING CHAIRPERSON

On behalf of the Organising Committee, it gives me great pleasure to welcome you to the 2025 Malaysian Thoracic Society (MTS) Annual Congress, being held for the first time at the prestigious Kuala Lumpur Convention Centre (KLCC). This wonderful venue not only reflects our growing community of delegates but also underscores the increasing interest in respiratory medicine.

We are excited to present a rich and engaging scientific programme, meticulously curated by Dr. Syazatul Syakirin Sirol Aflah (Adult Respiratory) and Dr N Fafwati Faridatul Akmar Mohammad (Paediatric Respiratory).

This year, our programme will cover a wide array of topics, spanning from foundational respiratory sciences to the latest advancements in respiratory diseases. Attendees will have the opportunity to learn from esteemed international and local experts who will provide invaluable insights into emerging trends and research in the field.

Moreover, we are pleased to offer several congress workshops designed to enhance the knowledge and practical skills of healthcare professionals in respiratory procedures.

We have also witnessed a remarkable increase in abstract submissions in recent years, signaling a vibrant future for respiratory research. We warmly encourage researchers to share their valuable findings within this esteemed forum.

I would like to take a moment to express my heartfelt gratitude to our dedicated Organising Committee members and our industry partners. Their unwavering support and commitment have been instrumental in bringing this congress to fruition.

We eagerly anticipate welcoming you from August 14th to 17th 2025, and I wish you a truly inspiring and memorable experience.

Dr Wan Jen Lye
Organising Chairperson
