IR Games

Are you ready to put your Interventional Radiology (IR) skills to the test? The IR Games is your chance to compete in a series of fun and engaging IR-related activities designed to showcase teamwork, knowledge, and technique.

Event Details:

Date: 21st June 2025 (Day 3 of the Annual Scientific Meeting)

Location: Lecture Hall A, Hospital Al-Sultan Abdullah, UiTM

Games: A total of four IR-based games to be played in pairs or groups.

These games will be time-based, the fastest team wins!

How to Enter:

Form a team of 5 members which may include the following job categories:

1. Interventional Radiologist (IR), IR Fellow or Radiologist
2. Medical Officer (MO)
3. Nurse or Medical Assistant (MA)
4. Radiographer

**Maximum of 2 participants allowed from each category.*

One team per hospital. Register your team under your hospital's name at your delegate account dashboard. Maximum 10 teams. First-come, first-served basis! *Make sure you have created an account at asm.mysir.org

Eligibility:

Open to all MYSIR ASM 2025 Delegates.

Winner Announcement:

Winners will be announced during the closing ceremony of MYSIR ASM 2025.
