MARK YOUR CALENDAR FOR

SIAT 2026

Dr. Reji Mathai

Chairman, SIAT 2026
Advisory Committee
Director, ARAI

The entire Automotive Fraternity is geared up for the mega event 'SIAT 2026', the 19th edition in the series of SIATs, organized by ARAI in association with SAE International and SAE India, from 28th to 30th Jan 2026 at Pune International Exhibition & Convention Center, Pune.

With the overwhelming response, SIAT 2026 will set up another milestone in terms of size and participation. The Symposium will have Plenary Sessions and Panel Discussions with participation of eminent industry leaders. Parallel Technical Sessions in 8 conference halls will witness over 285 speakers presenting technical papers as well as keynotes from over 600 high quality SAE papers published in this event.

Concurrent SIAT Expo 2026 will have 380 stalls, with dedicated participation of 60 Startups & MSE showcasing their innovations. As SIAT 2026 is coinciding with ARAI Diamond Jubilee Year, there is a special ARAI@60 pavilion showcasing ARAI's illustrious journey of 6 decades. The Technology Pavilion showcases futuristic automotive technologies, whereas Sponsors' Pavilion, will have state-of-the-art technologies & products at display by SIAT 2026 sponsors. Also, Poster presentations by the students will give them opportunity to present innovative ideas.

It is my pleasure to invite you all to be a part of this mega event showcasing Innovations and Futuristic Technologies, with great opportunity of Unparallel Networking.

CALL FOR DELEGATE REGISTRATION

Industry leaders, professionals, engineers and academicians are invited to register as delegates to actively participate in SIAT 2026 to experience the excellent opportunities of knowledge sharing & networking.

Registered delegates will be entitled to participate in the Symposium, Technical Presentations, Exposition, Luncheons and Cultural Program. Delegates will also receive Symposium Proceedings and Delegate kit.

TECHNOLOGY THEATRE

Technology Theatre at SIAT Expo 2026 is a dedicated platform designed to empower exhibitors to showcase their cutting-edge innovations and solutions. It will feature a dynamic mix of presentations, live demonstrations and interactive discussions.

Panel Discussion on “Driving the Future: ADAS, Software-Defined Vehicles and Cyber Security – Challenges and Opportunities” in the Technology Theatre will bring together leading OEMs, technology providers, innovators, policymakers and investors to explore evolution and transformation of ADAS and SDVs in India as well as world-over.

ARAI@60 PAVILION

Step into ARAI@60 Pavilion at SIAT 2026 and experience six decades of excellence in mobility engineering. Journey of ARAI's rich legacy of research, innovation and technological milestones, that have supported the growth of the automotive sector, will be at display here. The Pavilion brings together engaging exhibits, historic achievements and immersive displays that celebrate ARAI's history of 6 decades. Visit the pavilion to relive the breakthroughs that have made ARAI a trusted partner in India's mobility story.

TECHNOLOGY PAVILION

Technology Pavilion is a dedicated special zone designed to showcase upcoming automotive technologies presenting futuristic mobility. It will highlight key areas, such as renewable fuels, eco-system, alternative motor and battery technologies with life-cycle analysis, drive-by-wire systems, connected vehicles, software-defined vehicles (SDVs), functional safety (FuSa), cybersecurity, AI applications, drone demonstrations, etc.

This pavilion will have exhibits that appeal to technology enthusiasts, providing an opportunity to experience state-of-the-art automotive innovations contributed by exclusively invited OEMs, Tier 1 suppliers and leading research institutes.

SPONSORS' PAVILION

Sponsors' Pavilion displays state-of-the-art technologies, including advanced software solutions, new powertrain and drivetrain systems, innovative automotive fluids, next generation NVH treatment technologies, vehicle features, etc. The wide range of displays will become gateway to understand how innovations are shaping the future of mobility.

SIAT 2026 sponsors showcasing the latest advancements in technology & products at this Pavilion:

- Tata Motors
- Maruti Suzuki
- Mahindra & Mahindra
- Bajaj Auto
- Stellantis
- Kirloskar Oil Engines
- Vinfast
- Motul
- Ather Energy
- Total Energies
- Dassault Systemes

STUDENT POSTER PRESENTATION

Student Poster Presentation Competition provides unique opportunity to undergraduate, postgraduate and PhD scholars to present their research and innovative ideas to the panel of industry experts, it is a gateway to mentorship, collaboration and visibility. Out of 47 final innovative poster submissions on Safe, Smart and Sustainable mobility, 12 students will be presenting their ideas during SIAT 2026. Most compelling presentations will be recognised with awards, reinforcing our commitment to nurturing next generation of automotive leaders.
