About ISNT

ISNT is a non-profit, professional body of technologists, engineers, scientists, academicians and researchers in India, who are engaged in the field of non-destructive testing. Since its inception in the year 1972, it has matured and established itself at the international level having stature and recognition. Presently, ISNT has more than 5000 members spreading over 18 chapters in India with headquarters at Chennai.

The objective of ISNT is to promote the awareness of NDT science and technology through education, research and exchange of technical information within the country and internationally to its members and other professionals.

For more information on ISNT, visit www.isnt.in

About NDE 2025

NDE 2025, Conference & Exhibition on Non-Destructive Evaluation & Enabling Technologies, will be held from Dec 11-13, 2025 at the Jio World Convention Centre; widely considered as one of the finest Convention and Exhibition Centers in India. This event stands as a vital platform for professionals, researchers, academicians and industry leaders to come together and exchange ideas, innovations and advancements in the ever-evolving domain of NDE. These will be aptly demonstrated by the plethora of Exhibitions displaying the best-in-class achievements and latest developments of NDE Science and Technology relevant across industry sectors.

In line with the theme of the Conference, 'NDE Empowering Industrial Excellence', Industry Sessions have been planned covering various sectors including Oil & Gas, Energy & Power, Metals & Materials, Manufacturing & Third Party Inspection and Transportation, which includes automobile, railways, aviation & shipping, to further advance the frontiers in NDE Science and Technology. The scientific sessions will deliberate on the innovations and fundamental research being perused by academicians, scientists & engineers to address the current challenges in NDE science & technology and also define areas of research & development for the future.

Through NDE 2025, we aim to explore the multidimensional roles of NDE and highlight its contributions in shaping a smarter, safer and more Industry- Efficient future. NDE 2025 features an enriching blend of technical presentations during scientific & industry sessions, plenary & keynote addresses, interactive sessions and state-of-the art exhibition emphasizing the latest advancements in NDE Science & Technology for research and practical applications. The insights will not only prove invaluable in deepening our collective understanding but also inspire future research and collaborations.

Welcome Messages

PRESIDENT ISNT

Prof. Krishnan Balasubramanian

Institute Professor, IIT MADRAS

NDE 2025, the NDE EVENT of this year, will be hosted by ISNT between Dec 11-13, 2025 in the new State-of-Art Convention Facility JIO WORLD CENTRE (JWCC) located in Mumbai. NDE 2025 will be a benchmark event and promises many technically rich presentations, a wide range of exhibitions, inspiring panel discussions & the much-anticipated cultural entertainment GALA evenings, a challenge to your dancing skills. NDE 2025 brings together researchers, teachers, trainers, students, product developers, marketing managers & end-users from a wide cross-section covering education, transportation, energy, defense, space, among many other domains, all under a single roof at the JWCC.

Mumbai, the city that does not sleep, is the business destination in India with several touristic venues within the city & many nearby things-to-do. The JWCC is an amazing integrated venue with in-house shopping, entertainment & an opulence décor. NDE 2025 promises to set a new benchmark in the extent of success, with over 80+ exhibitors, 50+ sponsors, 175 presentations & 2 Pre-conference Tutorials as well as many Industry focus sessions & the popular special student session IGNITE. Several International Societies are partnering with ISNT to make NDE 2025 an unforgettable experience.

I promise each one of you that NDE 2025 will provide every attendee with memorable experiences, a great opportunity to network & meet several NDT experts & exposure to the latest technologies & also have a great and enjoyable time.

Looking forward to being a part of this NDE 2025 experience, with you, this December.

Chairperson NDE 2025

Tushar Mukherjee

Vice President (Head Inspection – Projects Procurement)

Reliance Industries Limited

It is with great pleasure that I welcome you to 'NDE 2025', Conference & Exhibition on Non-Destructive Evaluation & Enabling Technologies. The theme of NDE 2025 is 'NDE Empowering Industrial Excellence', which reflects the profound impact of NDE Technologies in elevating and transforming the standards of Quality, Safety, Sustainability and Operational performance across industries. 'Industry - Academia Connect' is very close to my heart and NDE 2025 will be a forum to advance this connect through specially dedicated session. In today's dynamic industrial echo-system, excellence is not merely an aspiration – It is a necessity. With rapid advances in technology, NDE has moved beyond defect detection to become an enabler of predictive maintenance, performance optimization and life cycle management. In this age of Industry 4.0 – NDE Technologies, fuelled by AI, ML, Robotics and Smart Sensors are shaping the future of Industrial practices.

I extend my heartfelt gratitude to all the authors, speakers, delegates, partners, exhibitors and sponsors for their indispensable contribution. Let this conference be a celebration of ideas, a convergence of innovation and a reaffirmation of our shared vision – where NDE truly empowers Industrial Excellence.

Convener NDE 2025

Mukesh Arora

Director & CEO

Arora Technologies/NDTS India

Welcome to NDE 2025!

As Convener, I'm delighted to welcome you to this premier NDT event. NDE 2025 is a hub for experts, researchers, and professionals to share innovations, exchange knowledge, and drive progress in Non-Destructive Testing. Whether you're presenting, learning, or networking, we hope you gain valuable insights and connections.

Looking forward to welcoming you to a great event!

Technical Program

SCIENTIFIC SESSIONS

NDE professionals and students interested to present their work at the Conference are invited to submit the abstract in any of the following broad areas and topics:

- Conventional, Advanced NDE techniques
- Emerging & Novel NDE techniques
- Flaw and Material Characterization by NDT
- Modelling & Simulation
- Signal & Image Processing, Data fusion
- Industrial case studies
- Application of NDE in various industries
- Radiation safety, standards & regulation
- Robotics and Automation in NDE
- SHM and Ageing Management
- Additive Manufacturing and NDE
- NDE training & certification
- Reliability & POD in NDE
- Quality control & Quality assurance
- AI/ML, NDE 4.0
- NDE Sensors, Instrumentation, Software

- For presentation of paper in the technical sessions, one of the authors must register as a delegate for the conference.

Abstract Submission Deadline:
October 15, 2025

Author Registration Deadline:
October 31, 2025

INDUSTRY SESSIONS

Industrial sessions comprising of keynote talks from senior professionals from the following industrial sectors will be conducted during the Conference. The talks will highlight case studies, regulatory & code requirements, inspection challenges and good practices, recent developments and collaborative efforts between industries, solution providers and academia.

- **Oil & Gas**
- **Energy & Power**
- **Metals & Materials**
- **Manufacturing & Third-Party Inspection**
- **Transportation** (Aviation, Automobile, Railway & Shipping)

Delegate Registration

Delegates will have full access to the event, including the opportunity to present papers during technical sessions. All registered delegates will receive a Certificate of Attendance (for up to 20 hours of technical lectures), which can be used as supporting documentation for the renewal of NDT Level III certificates. Additionally, delegates will be entitled to receive a conference kit.

DELEGATE REGISTRATION FEES

Delegate Registration	Full Conference	Two Days (12 & 13 Dec)	Single Day (12 Dec)	Single Day (13 Dec)
ISNT Member	₹ 14,000	₹ 11,000	₹ 8,000	₹ 5,000
ISNT Non-Member	₹ 15,000	₹ 12,000	₹ 9,000	₹ 6,000
Student	₹ 7,000	—	—	—
Foreign Delegates	\$ 300	—	—	—
After Dec 1st 2025/ Onsite	₹ 16,000	₹ 13,000	₹ 10,000	₹ 7,000

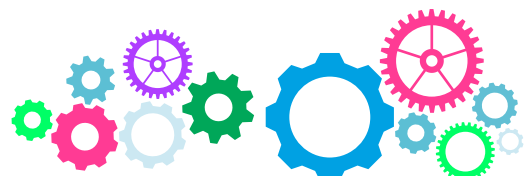

*GST@ 18% extra

National NDT Awards

The Indian Society for Non-Destructive Testing, every year gives National Awards to Indian Nationals for their significant contributions and excellence in the field of NDT. These eminent persons / professionals represent virtually every engineering industry and discipline that practices and benefits from NDT technology. The following are the awards bestowed by ISNT every year, the award comprises of a citation and a cash award of Rs. 20,000/-.

- **ISNT-EEC Award for Excellence in Contribution in R & D – National NDT Award**
This Award is sponsored by M/s. Electronic & Engineering Co. (I) Pvt. Ltd., Mumbai
- **ISNT-P-MET Award for Excellence in contribution to Industrial Applications National NDT Award**
This Award is sponsored by M/s. P-Met High Tech Co. Pvt. Ltd, Vadodara
- **ISNT-MQS Award for Excellence in contribution to NDT Systems innovation & development – National NDT Award**
This Award is sponsored by M/s. MQS Technologies Pvt. Ltd. Hyderabad
- **ISNT-IXAR Award for Best Paper in JNDE, R&D category**
This Award is sponsored by M/s Industrial X-Ray and Allied Radiographers (I) Pvt. Ltd, Mumbai
- **ISNT-Eastwest Award for Best paper in JNDE, Industrial application category**
This Award is sponsored by M/s East West Engineering & Electronics Pvt. Ltd. Mumbai
- **ISNT-CHOKSI ASIA Best Chapter Award for the Best Chapter of ISNT**
This Award is sponsored by M/s. Choksi Asia Pvt. Ltd, Mumbai
- **ISNT Lifetime Achievement Award**
This Award is sponsored by ISNT
- **Hon. Fellow Member**
This Award is sponsored by ISNT
- **ISNT-CHOKSI ASIA Award for Young Scientist**
This Award is sponsored by M/s. Choksi Asia Pvt. Ltd, Mumbai
- **ISNT National NDT Award for International Recognition**
This Award is sponsored by ISNT

The awards will be presented during the inaugural session of **NDE 2025**.
